AND

IN THE MATTER OF A PLAN OF COMPROMISE AND ARRANGEMENT OF CANADIAN DEHUA
INTERNATIONAL MINES GROUP INC., WAPITI COKING COAL MINES CORP., AND CANADIAN

PETITIONERS

AFFIDAVIT

I, Qu Bo Liu, businesswoman, having an address care of Fraser Litigation Group, 1100 -570 Granville Street, Vancouver, B.C., SWEAR THAT:

1. I am the debtor-in-possession financing lender in these proceedings, and a shareholder of Canadian Dehua International Mines Group Inc. ("CDI"). The other shareholder and director of CDI is my husband, Naishun Liu. As such, I have personal knowledge of the facts herein deposed to except where the same are stated to be based on information and belief and where so stated I believe the same to be true.
2. I make this affidavit in response to the affidavit #1 of Aref Amanat made October 15, 2024. I only address matters which I believe to be relevant, and my failing to address any statement made by Mr. Amanat does not indicate my agreement with same.
3. In response to paragraph 7 of Mr. Amanat's affidavit, the monitor's SISP Wapiti Project Teaser (the "Wapiti Teaser") describes the geological exploration of the Wapiti Project as follows:

From June 2012 to April 2013, CDI Company carried out the detailed geological exploration of the first well field. Geological drilling and logging were completed. More than 11,000 boxes of coal cores were preserved on site.
4. During the drilling process, the core samples were preserved on site. Between 2012 and 2013, those core samples were gradually transported to China so that they could be examined by specialists representing the Chinese government companies which has invested in the Wapiti

A handwritten signature in blue ink, appearing to be the initials "QBL" or similar, written in a cursive style.

Project. No core samples were left stored either in Tumbler Ridge or at the government's core storage facility in Fort St. John.

5. In the summer of 2021, as there had been no mining and related activities for years, the Ministry of Energy, Mines, and Low Carbon Innovation ("EMLI") requested CDI to reclaim the Wapiti Project site. CDI then hired IWX Homes Inc. to clean-up the Wapiti Project site. Attached as **Exhibit "A"** hereto is a true copy of the image of the cheque payment to IWX Homes Inc, paid by Canada Dehua Drilling Ltd. on behalf of CDI in the amount of \$15,000. The clean-up of the site was approved by EMLI.
6. In response to paragraph 38, in January 2020, Canada Zhonghe Investment Ltd. prepared the balance sheet of Canadian Bullmoose Mines Co., Ltd. ("Bullmoose") as at December 2019, a copy of which is attached as Exhibit E in Affidavit #4 of Mr. Liu made on October 8, 2024. TaneMahuta Capital Ltd. ("TaneMahuta") claims that on October 7, 2024, they first time discovered Bullmoose has \$7 million in hard assets for construction in progress. As shown in the section of the Bullmoose financial statements below, the alleged \$7 million construction in progress consists of all expenses incurred during the exploration process and no physical structures were built:

7. In response to paragraph 44, the “*N143-101 Technical Report. Wapiti River Coal Project Mine 1 Area Coal Resources, British Columbia*”, dated June 12, 2015, indicated that the Wapiti Project consist of 17 mineral licenses. This report was prepared by Norwest Corporation based on information available at that time. I have been advised by the Monitor that he told interested parties not to rely on this outdated report.
8. In response to paragraph 46, the Wapiti Teaser, which was circulated in August, 2022, advised that Wapiti held 9 coal licences for the Wapiti Project. An online search of the 17 licences with the Mineral Titles Branch permitted anyone to determine the status of the 17 licences.
9. A search of Mineral Titles reveals that Wapiti currently holds 5 coal licenses. Attached as **Exhibit "B"** hereto is a true copy of Wapiti’s mineral licenses obtained by my lawyer Helen Liu from the online Mineral Titles search.
10. Pioneer Exploration Corporation (“**Pioneer**”) was incorporated on April 28, 2014, and my son Shuangshi Liu is the sole director of Pioneer.
11. In November 2021, Wapiti transferred 17 mineral licenses to Pioneer. Although China Shougang Internation Trade & Engineering Corporation (“**Shougang**”) had obtained an arbitration award in China for about \$20 million and in January, 2021, obtained a judgment for the same amount in B.C., my husband and I believed that Shougang would not actively pursue or enforce payment and that we would be given time to arrange for payment. As my husband and I owned all of the shares of CDI, and regarding ourselves as the owners, through CDI of Wapiti, we felt entitled to transfer these licences to our son’s company Pioneer. Since we considered ourselves the sole owners of Wapiti, we felt entitled to transfer its assets to my son, who runs his own coal development company, to assist him with the development of his business. The transfer was not done to avoid Shougang or any other creditors.
12. In May 2022, Pioneer required approximately \$220,000 to pay the fees for the 17 licenses. My son advised me that he was only able to raise \$100,000 for the license fees. At that time. My husband and I were also short of funds. I borrowed an additional \$16,000, and lent those funds to Pioneer, bringing the total to \$116,000, which covered the fees for 9 licenses, resulting in 8 mineral licenses lapsing. Attached as **Exhibit "C"** hereto is a true copy of the bank statement of Pioneer in May and June, 2022.
13. Application was subsequently made by 1010 Mines Corporation (“**1010 Mines**”) for the lapsed licences. Although the director of this company has the same last name as me, I do not know this person, or anything about this company.
14. In July 2022, I had a discussion with Williman He, a Mandarin speaking lawyer with DLA Piper. He recommended that Pioneer should transfer the 9 mineral licenses back to Wapiti to avoid

any suggestion of impropriety. My son agreed to do so on the basis that Wapiti would reimburse him for the \$100,000 that Pioneer had paid to keep the licences in good standing.

15. As shown in Exhibit "D" to the Affidavit #4 of my husband, Wapiti's balance sheet lists a loan payable to Mr. Shuangshi Liu in the amount of \$100,000, which represents the payment to be made by Wapiti for the licence fees given to Pioneer by my son for the fees for the 9 licenses. That payment has yet to be made.
16. On March 5, 2024, I paid to Minister of Finance in the amount of \$86,775 for the Bullmoose mineral license fees. Attached as **Exhibit "D"** hereto is a true copy of the cheque image.
17. In May 2024, I was struggling to obtain the funds required to pay the expenses of CDI to maintain the licences as well its legal fees and fees for the Monitor and its lawyers. At that point, I owed about \$130,000 to DLA Piper and Bennett Jones. Due to the urgency of paying license fees, I borrowed \$50,000 from a former colleague, and paid \$69,665 for 5 licenses on June 5, 2024. The amount needed to pay for the remaining 4 mineral licenses was around \$47,000. Attached as **Exhibit "E"** hereto is a true copy of my bank statement of June 2024, showing that I deposited \$50,000 in my bank account on June 3, 2024.
18. Attached as **Exhibit "F"** hereto is a true copy of the cheque image for payment to Minister of Finance in the amount of \$69,665 for the Wapiti mineral licenses fee.
19. On July 19, 2024, I emailed Hailey Liu, who worked for Monitor, to advise that the total Wapiti license fees amount would be \$116,659 for 9 licenses, but due to my lack of funds, I could only pay \$69,665 for 5 licenses. Attached as **Exhibit "G"** hereto is a true copy of my email sent to Ms. Liu, in Chinese and with an unofficial translation. I also spoke to Mr. He about my shortage of funds and he advised me to do the best that I could, which I did.
20. On July 30, 2024, my son was able to raise some funds and his company Pioneer applied for the 4 mineral titles that had lapsed at a cost of \$22,125. He did not want to see these claims lost to a third party. The processing time for this application will be 2 to 3 years.
21. If the court permits TaneMahuta Capital Ltd. to made a further offer of \$2,000,000 for the Wapiti and Bullmoose assets, I would like the opportunity to make a further offer, but I am in the process of raising the required funds and will need some additional time to have the funds placed with my lawyer, Fraser Litigation Group.
22. I acknowledge the solemnity of making a sworn statement/solemn declaration and acknowledge the consequences of making an untrue statement.

23. I was not physically present before the person before whom this affidavit was sworn or affirmed but was in that person's presence using video conferencing.

Hailey 您好!

附件是Wapiti 和Bullmoose 缴资产费的支票和收据。

说明: 1、 Bullmoose 去年政府退回了\$64,260, 今年\$86,775,, 所以, 做预算时做了约\$23,000.

2、 Wapiti 资产费应该是\$116,595,因为资金短缺, 我只缴了¥ 69,665.

3、 2024年WAPITI 资产费我们的预算表中没有。

特此说明。

谢谢您!

祝好!

Hailey Hi!

Attached are the checks and receipts for Wapiti and Bullmoose's asset fees.

Notes: 1. Bullmoose received \$64,260 in government refunds last year and \$86,775 this year, so I made about \$23,000 when making the budget.

2. Wapiti's asset fee should be \$116,595, but due to a shortage of funds, I only paid ¥69,665.

3. The 2024 WAPITI asset fee is not included in our budget table.

Noted above.

Thank you!

Regards!

Qu Bo Liu
