**ONTARIO  
SUPERIOR COURT OF JUSTICE  
(COMMERCIAL LIST)**

IN THE MATTER OF THE *COMPANIES' CREDITORS ARRANGEMENT ACT*,  
R.S.C. 1985, c. C-36, AS AMENDED

AND IN THE MATTER OF A PLAN OF COMPROMISE OR ARRANGEMENT  
OF GROWTHWORKS CANADIAN FUND LTD.

**SECOND REPORT OF FTI CONSULTING CANADA INC.,  
IN ITS CAPACITY AS MONITOR**

1. On October 1, 2013, GrowthWorks Canadian Fund Ltd. (the “**Fund**” or the “**Applicant**”) made an application under the *Companies' Creditors Arrangement Act*, R.S.C. 1985 c. C-36, as amended (the “**CCAA**”) and an initial order (the “**Initial Order**”) was made by the Honourable Justice Newbould of the Ontario Superior Court (Commercial List) (the “**Court**”) granting, *inter alia*, a stay of proceedings against the Applicant until October 31, 2013 and appointing FTI Consulting Canada Inc. as monitor of the Fund (the “**Monitor**” or “**FTI**”). The proceedings commenced by the Fund under the CCAA will be referred to herein as the “**CCAA Proceedings**”. A copy of the Initial Order is attached hereto as Appendix A.

2. The Fund is a labour sponsored venture capital fund that currently has a mature and diversified portfolio consisting primarily of investments made in small and medium sized Canadian businesses. The Fund was formed in 1988 with the investment objective of achieving long term appreciation for its Class A shareholders, whom principally comprise retail investors.

3. The Fund experienced liquidity issues because of, *inter alia*, an inability to access short-term financing as well as unfavourable market conditions impacting on its ability to divest, at a profit, its relatively illiquid investments. As a result of these liquidity issues, the Fund was unable to meet its obligations as they became due, including the obligation of the Fund to make a \$20 million dollar payment to Roseway, its sole secured creditor, which payment became due on September 30, 2013. With the consent of Roseway, the Fund filed for and obtained protection under the CCAA on October 1, 2013.

4. Prior to September 30, 2013 and the commencement of these CCAA Proceedings, the Fund's day to day operations were delegated to GrowthWorks WV Management Ltd. (the "**Manager**") pursuant to a Management Agreement dated July 15, 2006, as amended ("**Management Agreement**"). In accordance with the terms of the Management Agreement, the Manager was permitted to delegate its duties under the Management Agreement to third parties. The Manager exercised such delegation of the Manager's obligations to Growth Works Capital Ltd ("**GWC**"). On September 30, 2013 the Fund terminated the Management Agreement for the reasons outlined in the September 30 Affidavit (as defined herein).

5. On October 1, 2013 the Applicant sought from the Court the granting of a provision in the Initial Order designating the Manager as well as GWC a critical supplier of the Fund. The proposed critical supplier provisions were not acceptable to all parties and accordingly it was agreed that they would not be included in the Initial Order. A

motion before this Honourable Court to consider the inclusion of such provision was adjourned until October 9, 2013 and again until October 29, 2013.

6. The First Report of the Monitor dated October 8, 2013, attached hereto as Appendix B, sets out, *inter alia*, the Monitor's comments with respect to the causes of the Applicant's insolvency, as well as the reasonableness of the October 1 Forecast.

#### **PURPOSE OF THIS REPORT**

7. The purpose of this report is to update and inform the Court on the following:

- (a) The activities of the Fund and the Monitor since the date of the First Report;
- (b) The Fund's request for the granting of an amended and restated Initial Order (the "**Amended and Restated Initial Order**") providing for, *inter alia*,
  - (i) the designation of each of the Manager and GWC as a critical supplier of the Fund, and in connection therewith a court-ordered charge in favour of the Manager and GWC for the provision of Critical Transition Services (as defined herein); and
  - (ii) a court ordered charge in favour of any current and future director of any of the Portfolio Companies that have been nominated by the Fund (the "**Portfolio Company Directors**");

- (c) the status of the discussions with the Potential Merger Partner (as defined herein);
- (d) the development and implementation of a sales and investment solicitation process (“SISP”) in respect of the Fund;
- (e) the opinion of counsel to the Monitor in respect of the validity, enforceability and perfection of the security held by Roseway over the assets of the Fund;
- (f) the receipts and disbursements of the Fund for the period from the commencement of the CCAA Proceedings to the week ending October 25, 2013;
- (g) the Fund’s cash flow projections for the period from the start of the CCAA Proceedings to January 24, 2014; and
- (h) the Applicant’s request for an extension of the Stay Period (as defined herein) until January 15, 2014 and the Monitor’s recommendation thereon.

#### **TERMS OF REFERENCE**

8. In preparing this report, the Monitor has relied upon unaudited financial information, other information available to the Monitor, where appropriate the Applicants’ books and records and discussions with various parties including the Manager, the Fund’s management and its advisors.

9. Future oriented financial information reported or relied on in preparing this report is based on management's assumptions regarding future events; actual results may vary from forecast and such variations may be material.

10. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars. Capitalized terms not otherwise defined herein have the meanings defined in the affidavit of C. Ian Ross, Chairman of the Applicant, sworn September 30, 2013 and filed in support of the CCAA Proceedings (the "**September 30 Affidavit**"), and the affidavit of C. Ian Ross, sworn October 25, 2013 and filed (the "**October 25 Affidavit**").

11. This report should be read in conjunction with the October 25 Affidavit as certain information contained in the October 25 Affidavit has not been included herein in order to avoid unnecessary duplication.

#### **ACTIVITIES OF THE FUND AND THE MONITOR**

12. As set out in the Monitor's First Report, the Monitor made the Initial Order and various other materials related to the CCAA Proceedings available on its website. The Monitor continues to update its website by posting, *inter alia*, the Monitor's reports, motion materials and Orders granted in these CCAA Proceedings

13. Pursuant to paragraph 42 of the Initial Order and section 23(1) of the CCAA, the Monitor on October 10, 2013 and October 17, 2013, published in the Globe and Mail (National Edition) Notice of the CCAA Proceedings in accordance with section 23(1) of the CCAA, and such notices are attached hereto as Appendix C. In addition to

the foregoing, the Monitor has responded to various stakeholder inquiries received from the toll free hotline established by the Monitor to allow stakeholders, including security holders of the Fund, to communicate directly with the Monitor in order to address any questions or concerns in respect of the CCAA Proceedings. To date, the Monitor has received over 400 calls and emails and continues to respond to these inquiries in a timely manner.

14. Since the commencement of the CCAA Proceedings, the Monitor and its counsel have participated in weekly status conference calls with the Fund, its counsel, and CCC. In addition, the Monitor has had regular discussions with Roseway's advisors to keep them informed as to the CCAA Proceedings, the state of affairs of the Fund as well as the status of the Fund's discussions with the Potential Merger Partner and the development and implementation of a SISP.

15. The Monitor has participated in meetings with the Fund, the Manager and CCC to facilitate the transition of information and documentation pertaining to the Fund and the Portfolio Companies from the Manager to the Fund's interim CEO.

16. The Monitor continues to work with the Manager in respect of its initial and ongoing requests for information and documentation as they relate to the Fund and its Portfolio Companies.

17. Counsel to the Fund and Monitor's counsel have facilitated open and ongoing communication with staff of the Investment Funds Branch of the Ontario Securities Commission (OSC). McCarthy Tetrault LLP, on behalf of the Fund, arranged

and attended a meeting with staff of the OSC to update them on the CCAA Proceedings of the Fund and to answer and address any questions and concerns. Subsequent to the meeting, Monitor's counsel corresponded with legal counsel to the Investment Fund Branch of the OSC to facilitate a dialogue between the OSC and the Monitor. At the request of the OSC, the OSC Investigations Branch has been added to the service list and thereby will be provided with any updates regarding any developments with respect to the Fund in the CCAA Proceedings.

#### **CRITICAL SUPPLIER**

18. As noted above, on October 1, 2013 and October 9, 2013, the Court adjourned hearings to consider certain provisions in the draft Initial Order designating each of the Manager and GWC as a critical supplier as contemplated by section 11.4 of the CCAA.

19. The Applicant sought to have the Manager designated as a critical supplier in order to ensure that necessary transition services (the "**Critical Transition Services**") would be conducted by the Manager pursuant to the terms of the Management Agreement, subsequent to the termination thereof. The reasons for the Applicant's requested critical supplier relief is outlined in the September 30 Affidavit.

20. The Monitor understands that it is the Manager's position that the termination of the Management Agreement by the Fund was ineffective.

21. As set out in paragraph 36 of the September 30 Affidavit, the Fund takes the position that, pursuant to the Management Agreement, the Manager has continuing obligations to provide transitional services to the Fund after termination.

22. Since the granting of the Initial Order, representatives of the Manager and the Fund, with the involvement of the Monitor, have engaged in discussions with respect to the critical supplier status of the Manager, including the proposed critical supplier charge, the scope of the Critical Transition Services to be provided and the costs of such services.

23. The Fund and the Manager in consultation with the Monitor reached an agreement with respect to these issues and have entered into the Critical Transition Services Agreement dated October 25, 2013 (the "CTSA"). The CTSA provides for, *inter alia*, (i) the preservation of the claims of the Manager and the Fund which arose prior to the notice of termination of the Management Agreement delivered by the Fund on September 30, 2013 (the "Notice") and which relate to the Notice and the conduct of the Manager under the Management Agreement; (ii) the agreed specific Critical Transition Services which shall be provided by the Manager; and (iii) the hourly cost of providing such services calculated on the basis of time spent by the Manager's staff, which calculation is based on the total actual annual salary of an individual employee, plus benefits and other employment costs. The CTSA and a summary of the terms and provisions thereof are attached to and more fully described in the October 25 Affidavit.

24. The Monitor has reviewed the terms of the CTSA and is of the view that the provision of Critical Transition Services by the Manager as set out in the CTSA will assist in facilitating an orderly transition of the responsibilities and duties of the Manager.

25. The Applicant seeks to designate the Manager, GWC and each person engaged or contracted by the Manager and/or GWC (excluding employees of the Manager or GWC), in connection with providing transitional services to the Fund pursuant to the Management Agreement on or after October 1, 2013, as a critical supplier to the Fund in relation to such transitional services with the benefit of a critical suppliers charge (“**Critical Suppliers Charge**”) over the property of the Fund in an amount equal to the lesser of (a) the value of the goods and services supplied by a critical supplier designated as a critical supplier under the Amended and Restated Initial Order less all amounts paid to such critical supplier in respect of such goods and services; and, (b) the amount to which the Manager is entitled to be paid under Critical Transition Services Agreement.

26. The proposed Amended and Restated Initial Order provides that the Critical Suppliers Charge, to a maximum amount of \$50,000, ranks in priority to all Encumbrances (as defined in the Amended and Restated Initial Order) and ranks subordinate to all Encumbrances for any amounts owed to a Critical Supplier that exceed \$50,000 and remain unpaid. Accordingly, the Critical Supplier Charge will only rank ahead of the security granted by the Applicant to Roseway or to any other secured creditor for up to \$50,000.

27. Given the necessity for Critical Transition Services to be provided to the Fund by the Manager for the ongoing operation of the Fund, the Monitor supports the Applicant's request for the proposed designation of each of the Manager and GWC as a critical supplier. As set out in the Revised Cash Flow, it is anticipated that the Manager and GWC will be paid for any Critical Transition Services in accordance with the CTSA.

**DIRECTORS' CHARGE FOR FUND-NOMINATED DIRECTORS OF THE PORTFOLIO COMPANIES**

28. As more fully outlined in the October 25 Affidavit, where possible the Fund monitors its investment portfolio through, inter alia, the appointment of directors nominated by the Fund to the board of directors of its Portfolio Companies. The current Portfolio Company Directors are employees of the Manager (the "**Manager Portfolio Company Directors**"). It is currently anticipated that the Manager Portfolio Company Directors will resign in the near term and be replaced with Portfolio Company Directors that are not employees of the Manager.

29. The Manager Portfolio Company Directors have attended meetings with representatives of the Fund and the Monitor in order to provide information to the Fund and the Monitor with respect to the Portfolio Companies. In order to ensure an orderly transition of the nominee directors of the Fund, the Manager and the Manager Portfolio Company Directors (pursuant to the terms of the CTSA), will continue to meet with the Fund and the Monitor to provide further information with respect to the Portfolio Companies as needed, and will, if required, attend at board of directors meetings of the Portfolio Companies prior to their resignation.

30. The Applicant is requesting protections in the Amended and Restated Initial Order for the Portfolio Company Directors substantially similar to those protections currently afforded to the officers and directors of the Fund as provided in the Initial Order, including, *inter alia*, (i) a stay of proceedings against the Portfolio Company Directors with respect to any claim that arose before, on or after the date of the Initial Order; (ii) the authority to provide an indemnity, at the sole discretion of the Applicant and in consultation with the Monitor, for any liability that the Portfolio Company Directors may incur by acting in such capacity except to the extent the liability arose as a result of the director's gross negligence or wilful misconduct; and (iii) a charge over the property of the Fund as security for any indemnity (the "**Portfolio Company Directors' Charge**") provided by the Applicant to the Portfolio Company Directors. The Portfolio Company Directors' Charge, which charge shall not exceed an aggregate amount of \$10,000,000, ranks subordinate to any Encumbrance and *pari passu* with the Critical Suppliers Charge in excess of \$50,000.

31. The Monitor is of the view that it is important to maintain ongoing representation of the Fund on the boards of the Portfolio Companies. The Portfolio Company Directors' Charge will apply only to the extent that (i) an indemnity is provided by the Fund; and (ii) the Portfolio Company Directors are not covered by applicable directors' and officers' insurance. Accordingly, the Monitor supports the Applicant's request for the Portfolio Company Directors' Charge and is of the view that the amount of the charge is reasonable.

## **SALE PROCESS**

32. As more fully described in the September 30 Affidavit and the October 25 Affidavit, the Fund has been in merger discussions with a potential merger partner (the “**Potential Merger Partner**”). The Monitor understands that the Potential Merger Partner is currently undertaking due diligence with respect to the Fund and that it is the goal of the Fund to finalize and execute a merger agreement with the Potential Merger Partner by mid-November. Although the Monitor has not yet had significant involvement or any direct communication with the Potential Merger Partner, the Monitor intends to be actively involved in any negotiations regarding the entering into of a proposed merger agreement between the Fund and the Potential Merger Partner.

33. In addition to the foregoing, the Monitor and its counsel continue to work with the Fund, its counsel and CCC to consider the strategic options available to the Fund and to develop a fair and transparent SISP. Based on preliminary discussions with the Fund and CCC regarding a proposed SISP, the Monitor understands that the SISP will include reasonable timeframes conducive for the Fund and CCC, with the assistance of the Monitor, to properly canvass the market, and to allow sufficient time for other potential interested parties to conduct due diligence and submit offers and proposals in competition with any agreement that may be proposed by the Potential Merger Partner.

34. The Monitor understands that the Applicant anticipates bringing a motion to this Court seeking approval of a proposed merger agreement with the Potential Merger Partner and a SISP in November, at which time the Monitor will report further to this

Court. The Monitor is of the view that the early development and implementation of the SISP should be afforded the highest priority.

## **REVIEW OF THE ROSEWAY SECURITY**

35. The Monitor's counsel, Osler, Hoskin & Harcourt LLP (“Osler”), was asked to conduct a review of security held by Roseway. Osler has now rendered an opinion to the Monitor with respect to the validity, enforceability and perfection of the security held by Roseway in the Province of Ontario.

36. The opinion of Osler contains the usual qualifications and assumptions and also provides that the Participation Agreement does not use typical debtor/creditor language to create a debt or loan obligation owing from the Fund to Roseway. However, it is the view of Osler that the Participation Agreement should be characterized as a debt or loan obligation of the Fund for the following reasons: (i) the Participation Agreement evidences a promise by the Fund to repay the amount of \$20,000,000 advanced to the Fund by Roseway and to pay Roseway for the use of the advanced amount; (ii) the Fund was obligated to Roseway for the repayment and use of the advanced amount irrespective of whether it obtained sufficient earnings from any divestment proceeds to do so; (iii) the Fund's obligation under the Participation Agreement was recorded as a liability on its financial statements; and (iv) the Fund gave security for its obligations under the Participation Agreement in the security documents granted by the Fund to Roseway which contain events of default. The existence of security and event of default language, including acceleration of all payments due to Roseway upon the occurrence of an event of default, is consistent with a debtor/creditor relationship.

37. Accordingly, (and subject to the assumptions and qualifications contained therein including as described in paragraph 36 above) it is the opinion of Osler that Roseway's personal property security has been validly perfected in the Province of Ontario and is enforceable as against a trustee in bankruptcy of the Fund.

#### **PRE-FILING PAYMENTS**

38. On October 16 and October 18, 2013, the Monitor made two payments totalling \$184,653 to KPMG, the Fund's auditor, on account of outstanding payments due in respect of the Fund's audit for the year ending August 31, 2013. The payments were made at the direction of the Fund in order to retain KPMG's services with respect to the continuation and completion of audit field work.

39. As authorized by the Initial Order and as reflected in the October 1 Forecast (as defined in the First Report), the Monitor made a payment on account of accrued interest payable under the terms of the Participation Agreement, as amended, less the amount of a previous overpayment made by the Fund in respect of proceeds from a Portfolio Company investment. On Wednesday October 23, 2013, the Monitor made a net payment to Roseway in the amount of \$1,476,753.

#### **ACTUAL RECEIPTS AND DISBURSEMENTS OF THE FUND FOR THE PERIOD OCTOBER 1, 2013 TO OCTOBER 25, 2013**

40. The Company's actual net cash flow for the period from October 1, 2013 to October 25, 2013 (the "Current Period") together with an explanation of key variances as compared to the October 1 Forecast is set out below. Actual net cash flows

for the Current Period were approximately \$520 thousand higher than forecast, summarized as follows:

\$000	Forecast	Actual	\$ Variance
Cash Inflow			
Venture Exits	\$ -	\$ -	\$ -
<b>Total Cash Inflow</b>	<b>\$ -</b>	<b>\$ -</b>	<b>\$ -</b>

<b>Total Cash Outflow</b>	<b>\$ 1,926</b>	<b>\$ 1,682</b>	<b>\$ (244)</b>

<b>Total Restructuring Fees</b>	<b>\$ 470</b>	<b>\$ 194</b>	<b>\$ (276)</b>
<b>Net Cash Flow</b>	<b>\$ (2,396)</b>	<b>\$ (1,875)</b>	<b>\$ 521</b>
Opening Cash Balance	\$ 6,560	\$ 6,437	\$ (123)
Net Cash Flow	\$ (2,396)	\$ (1,875)	\$ 521
Unrealized FX Gain/Loss	\$ -	\$ 13	\$ 13
<b>Ending Cash Balance</b>	<b>\$ 4,164</b>	<b>\$ 4,575</b>	<b>\$ 411</b>

*Note: The cash balance is denominated in USD and has been translated to CAD based on foreign exchange rates from the Bank of Canada. The Unrealized Gain/Loss balance is subject to change and will fluctuate with the USD/CAD exchange rate.*

41. The variance in actual receipts and disbursements is comprised primarily of the following:

(a) A positive variance of approximately \$100 thousand in insurance costs. This variance is temporary in nature and is expected to reverse the following week when it is paid; and

A positive variance of approximately \$400 thousand in professional and other fees. This variance is temporary in nature and is expected to reverse in the coming weeks as invoices are submitted by the professionals and paid by the Fund.

42. In addition to the funds under the Monitor's control, additional funds totaling approximately \$1.9 million are held in RBC accounts in the name of the Manager for the benefit of the Fund. The Monitor is working with RBC to assume control of these funds; in the meantime RBC has been notified of the CCAA Proceedings and has frozen the accounts.

43. The Monitor is aware of a dispute between Roseway and the Fund as to Roseway's entitlement to approximately \$2 million included in the cash at bank under the control of the Monitor. The Monitor has agreed to hold the disputed funds separately (the "**Segregated Funds**"), on the express understanding that segregation of these funds does not indicate the Fund's, or the Monitor's agreement as to Roseway's claim to the Segregated Funds. The Segregated Funds remain available to the Fund should they be needed. The Monitor's and Monitor's counsel are willing to assist in resolving such dispute if requested to do so.

#### **THE COMPANY'S CASH FLOW FORECAST**

44. The Company has prepared a revised cash flow forecast for the period October 26, 2013 to January 24, 2014 (the "**October 26 Forecast**"). A copy of the October 26 Forecast is attached as Appendix D. The October 26 Forecast shows a negative net cash flow of approximately \$1 million, and is summarized below:

\$000	CAD
Cash Inflow	
Venture Exits	\$ 1,238
<b>Total Cash Inflow</b>	<b>\$ 1,238</b>
Cash Outflow	
Follow on Funding	\$ -
CEO Fees & Expenses	\$ 77
Insurance Fees	\$ 100
Financial Advisor Fees	\$ 350
Board Fees	\$ 160
Other	\$ 273
<b>Total Cash Outflow</b>	<b>\$ 960</b>
Restructuring Costs	
Professional Fees	\$ 1,299
<b>Total Restructuring Fees</b>	<b>\$ 1,299</b>
<b>Net Cash Flow</b>	<b>\$ (1,021)</b>
Opening Cash Balance	\$ 4,575
Net Cash Flow	\$ (1,021)
<b>Ending Cash Balance</b>	<b>\$ 3,554</b>

45. It is anticipated that the Company's projected liquidity requirements throughout the October 26 Forecast period will continue to be met by existing cash available to the Company.

#### **EXTENSION OF THE STAY**

46. The stay period currently expires on October 31, 2013 (the "**Stay Period**"). Continuation of the stay proceedings is required for the Fund to continue its merger discussions with the Potential Merger Partner and to facilitate the development and implementation of the SISP. Accordingly, the Fund seeks an extension of the stay period to January 15, 2014. While it is expected that the Fund will be appearing before the Court on one or more occasions before January 15, 2014, the Fund and the Monitor believe that the proposed extension to the Stay Period will allow an appropriate amount of time for (i) the Fund to negotiate a transaction with the Potential Merger Partner; (ii) a

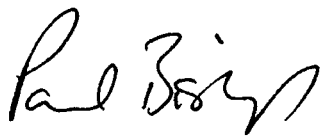

proper canvassing of the market for alternative competing bids, whether by acquisition or refinancing; (iii) competing bidders to submit expressions of interest and complete necessary due diligence for submission of a binding offer; and (iv) for the Fund, CCC and the Monitor to analyze the value of any bids received against each other and as against any transaction proposed by the Potential Merger Partner if a transaction is ultimately entered into.

47. The Monitor believes that the various stakeholders and creditors of the Fund would not be materially prejudiced by an extension of the Stay Period to January 15, 2014. The Monitor is also of the belief that the Fund has acted, and is acting, in good faith and with due diligence and that circumstances exist that warrant an extension of the Stay Period to January 15, 2014.

The Monitor respectfully submits to the Court this Second Report.

Dated this 28<sup>th</sup> day of October, 2013.

IN THE MATTER OF THE *COMPANIES' CREDITORS ARRANGEMENT ACT*,  
R.S.C. 1985, c. C-36, AS AMENDED

AND IN THE MATTER OF A PLAN  
OF COMPROMISE OR ARRANGEMENT OF  
GROWTHWORKS CANADIAN FUND LTD.

**THE FIRST REPORT OF  
FTI CONSULTING CANADA INC.,  
IN ITS CAPACITY AS MONITOR**

**INTRODUCTION**

1. On October 1, 2013, GrowthWorks Canadian Fund Ltd. (the “**Fund**” or the “**Applicant**”) made an application under the *Companies' Creditors Arrangement Act*, R.S.C. 1985 c. C-36, as amended (the “**CCAA**”) and an initial order (the “**Initial Order**”) was made by the Honourable Justice Newbould of the Ontario Superior Court (Commercial List) (the “**Court**”) granting, *inter alia*, a stay of proceedings against the Applicant until October 31, 2013 and appointing FTI Consulting Canada Inc. as monitor of the Fund (the “**Monitor**” or “**FTI**”). The proceedings commenced by the Fund under the CCAA will be referred to herein as the “**CCAA Proceedings**”.

2. The purpose of this report is to report to the Court as to, *inter alia*, (i) the state of affairs of the Applicant; (ii) the Monitor's activities since the date of the Initial Order; and (iii) the Applicants' 13 week cash flow projections to December 27, 2013 (the "**October 1 Forecast**") in accordance with section 23(1)(b) of the CCAA.
3. In preparing this report, the Monitor has relied upon unaudited financial information of the Fund, the Fund's books and records, certain financial information prepared by the Fund and discussions with the Fund's management. The Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the information. Future oriented financial information reported or relied on in preparing this report is based on management's assumptions regarding future events; actual results may vary from forecast and such variations may be material.
4. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars. Capitalized terms not otherwise defined herein have the meanings defined in the affidavit of C. Ian Ross, Chairman of the Applicants, sworn September 30, 2013, and filed in support of the CCAA Proceedings (the "**September 30 Affidavit**").
5. This report should be read in conjunction with the September 30 Affidavit as certain information contained in the September 30 Affidavit has not been included herein in order to avoid unnecessary duplication.

## **THE BUSINESS AND AFFAIRS OF THE FUND AND THE CAUSES OF ITS INSOLVENCY**

6. The Fund is a labour sponsored venture capital fund that currently has a mature and diversified portfolio consisting primarily of investments made in small and medium sized Canadian businesses. The Fund was formed in 1988 with the investment objective of achieving long term appreciation for its Class A shareholders, whom principally comprise retail investors.
7. Prior to September 30, 2013, the Fund's the day to day operations were delegated to GrowthWorks WV Management Ltd. (the "**Manager**") pursuant to a Management Agreement dated July 15, 2006 ("**Management Agreement**"). In accordance with the terms of the Management Agreement, the Manager was permitted to delegate its duties under the Management Agreement to third parties. The Manager exercised such delegation of the Manager's obligations to GrowthWorks Capital Ltd. On September 30, 2013 the Fund terminated the Management Agreement for the reasons outlined in the September 30 Affidavit.
8. A detailed description of the business and affairs of the Applicant as well as the causes of their insolvency are described in detail in the September 30 Affidavit. The Monitor has reviewed the September 30 Affidavit and believes that the September 30 Affidavit provides a fair summary of the business and affairs of the Fund and the causes of its insolvency.

## **ACTIONS OF THE MONITOR SINCE THE INITIAL ORDER**

9. Forthwith following the making of the Initial Order, representatives of the Monitor made the Initial Order publicly available on the Monitor's website: <http://cfcanada.fticonsulting.com/gcfl/>. The Monitor also made various materials related to the CCAA Proceedings available on its website, including a separate section dedicated to shareholders of the Fund. The Monitor will continue to update the website by posting, *inter alia*, the Monitor's reports, motion materials and Orders granted in these CCAA Proceedings.

10. The Monitor has established a toll-free telephone hotline (416-649-8087 and 1-855-431-3185) as well as a dedicated email inbox ([growthworkscanadianfundltd@fticonsulting.com](mailto:growthworkscanadianfundltd@fticonsulting.com)) to address third party enquiries. To date, the Monitor has responded to over 75 email and voicemail enquiries.
  
11. In addition, the Monitor and Osler, Hoskin & Harcourt LLP worked with the Applicant and its counsel, McCarthy Tetrault LLP, to:
  - (a) draft a form of notice to be published in the National edition of the Globe and Mail once a week for two consecutive weeks beginning the week ending October 11, 2013 and containing the information as prescribed by the CCAA;
  - (b) draft a form of notice (the “**Notice**”) of the Initial Order to be emailed to creditors of the Fund pursuant to the Initial Order; and
  - (c) draft a form of notice to the Portfolio Companies.
  
12. In addition to the above, on October 2, 2013, the representatives of the Monitor requested from the Manager, amongst other things,
  - (a) a list of all outstanding creditors of the Fund as of September 30, 2013 (including names, mailing addresses, amounts outstanding) (the “**List of Creditors**”);
  - (b) a list of all cash of the Fund as of September 30, 2013 (including, bank account details, account numbers);
  - (c) a list of shareholders (including names, contact details);
  - (d) trial balances and back up sheets / build up worksheets;

- (e) financial statements of the Fund (including latest internal financial statements);
  - (f) a list of contact details for executives, co-investors, and lenders of the Portfolio Companies;
  - (g) details with respect to board nominee positions held by that Growthworks;
  - (h) a list of outstanding cheques as of September 30, 2013;
  - (i) information pertaining to the status of source deductions, HST and other tax-related items (account numbers, amounts outstanding, filings, etc);
  - (j) contact list and description of third party suppliers to the Manager providing various services to the Fund;
  - (k) a list and contact information of all brokers who receiving trailer payments.
13. To date the Monitor has received certain requested information from the Manager. The Manager continues to work with the Monitor to provide the remaining requested information in a usable format and also continues to work with the Monitor to meet any additional requests for information.
14. As there are no known creditors of the Fund who have a claim of more than \$1,000, the Notice pursuant to the CCAA was not required to be sent and a List of Creditors was not required to be posted on the Monitor's website.

### **CRITICAL SUPPLIER**

15. On October 1, 2013, the Court adjourned until October 9, 2013, (the “**Comeback Date**”) certain provisions in the draft Initial Order designating the Manager as a critical supplier as contemplated by section 11.4 of the CCAA.
16. The Applicant sought the declaration that the Manager is a critical supplier in order to ensure that necessary transition services would be conducted by the Manager pursuant to the terms of the Management Agreement, subsequent to the termination thereof. The reasons for the Applicant’s requested critical supplier relief is outlined in the September 30 Affidavit.
17. The Monitor understands that it is the Manager’s position that the termination of the Management Agreement by the Fund was ineffective.
18. As set out in paragraph 36 of the September 30 Affidavit, the Fund takes the position that, pursuant to the Management Agreement, the Manager has continuing obligations to provide transitional services to the Fund after termination. Representatives of the Manager and the Fund are in discussions with respect to the critical supplier status, including the scope of the proposed critical supplier charge, the transition services to be provided and the costs of such services. The Monitor is participating in such discussions and will report to the Court with respect to the outcome thereof.

### **MONITOR’S REPORT ON THE REASONABLENESS OF THE CASH FLOW PROJECTIONS**

19. Pursuant to section 23(1)(b) of the CCAA and in accordance with the Canadian Association of Insolvency and Restructuring Professionals Standard of Practice 09-1 (“**CAIRP SOP 09-1**”), the Monitor is required to provide this Honourable Court with its finding with respect to its review of the October 1 Forecast’s reasonableness. The Monitor’s Report with respect to same is as follows.

20. The October 1 Forecast has been prepared by the Fund for the purpose of determining the liquidity requirements for the Fund during the CCAA Proceedings using the Probable and Hypothetical Assumptions as identified by the Fund and as discussed with the Monitor. Copies of the October 1 Forecast and the report containing the prescribed representations of the Fund regarding the preparation of the October 1 Forecast were submitted as part of the initial motion material and are attached hereto collectively Appendix "A".
21. The Monitor's review consisted of inquiries, analytical procedures and discussion related to information supplied to us by the Fund. Since Hypothetical Assumptions need not be supported, the Monitor's procedures with respect thereto were limited to evaluating whether they were consistent with the purposes of the October 1 Forecast. The Monitor also reviewed the support provided by the Fund for the Probable Assumptions and the preparation and presentation of the October 1 Forecast.
22. Based on the Monitor's review, nothing has come to its attention that causes the Monitor to believe that, in all material respects:
  - (a) The Hypothetical Assumptions are not consistent with the purposes of the Cash Flow Projections;
  - (b) As at the date of the CCAA Proceedings, the Probably Assumptions developed by the Fund are not Suitably Supported and consistent with the plans of the Fund or do not provide a reasonable basis for the October 1 Forecast, given the Hypothetical Assumptions; or
  - (c) The October 1 Forecast does not reflect the Probably Hypothetical Assumptions.

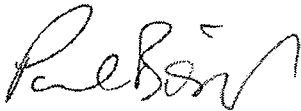

23. Since the October 1 Forecast is based upon Assumptions regarding future events, actual results will vary from the information presented even if the Hypothetical Assumptions occur, and the variations may be material. Accordingly, the Monitor expresses no assurance as to whether the October 1 Forecast will be achieved. The Monitor expresses no opinion or other form of assurance with respect to the accuracy of any financial information presented in this report, or relied upon by it in preparing this report.
24. The October 1 Forecast has been prepared solely for the purposes of determining the liquidity requirements for the Fund during the CCAA Proceedings, using Probable and Hypothetical Assumptions, and readers are cautioned that it may not be appropriate for other purposes.

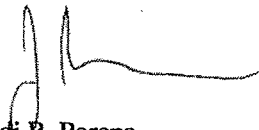

The Monitor respectfully submits to the Court this First Report.

Dated this 8<sup>th</sup> day of October, 2013.

2.	Since the projections are based on assumptions regarding future events, actual results will vary from the information presented, and the variations may be material.
3.	The projections have been prepared solely for the purpose described in Note 1, using the probable and hypothetical assumptions set out in the Notes. Consequently, readers are cautioned that it may not be appropriate for other purposes.
