**FOURTH SUPPLEMENT TO THE TWENTIETH REPORT TO THE COURT
SUBMITTED BY FTI CONSULTING CANADA INC.,
IN ITS CAPACITY AS MONITOR**

A. INTRODUCTION

1. On June 12, 2018, the Monitor filed the Twentieth Report to the Court (the “**Twentieth Report**”) in these CCAA Proceedings in support of a motion brought by the Monitor, heard June 15, 2018, that resulted in the granting of an order (the “**Initial Lien Claims Order**”) that, among other things:
 - (a) confirmed the Monitor’s determination regarding the validity and characterization of certain undisputed Construction Claims (as defined in the Claims Procedure Order) (the “**Undisputed Construction Claims**”), authorized certain payments in satisfaction of certain of those Undisputed Construction Claims and ordered certain associated discharges and releases of liens and lien claims; and

- (b) confirmed the barring of further claims by construction sub-contractors connected to such Construction Claims.
2. In a series of similar further Orders made between July 4, 2018 and September 20, 2018 (the “**Prior Settled Lien Orders**”), this Court subsequently:
 - (a) confirmed the settlement of certain further Construction Claims that had previously been in dispute (the “**Settled Construction Claims**”); and
 - (b) authorized payment of the secured portion of such Settled Construction Claims; and
 - (c) confirmed the barring of further claims by construction contractors and construction sub-contractors connected to such Settled Construction Claims.
3. However, while the Initial Lien Claims Order and Prior Settled Lien Orders confirmed the quantum of the Undisputed Construction Claims and Settled Construction Claims, they did not authorize the payment of such claims where they were in respect of properties that were still owned by the Applicants (the “**Remaining Owned Properties**”).
4. As the Remaining Owned Properties against which such Claims had been made have now been or are imminently to be realized upon, the Monitor now seeks a further order (the “**Fifth Construction Lien Claims Order**”) that would:
 - (a) authorize certain payments in satisfaction of the Undisputed Construction Claims and Settled Construction Claims made in respect of Remaining Owned Properties; and
 - (b) confirm the barring of further claims by construction contractors and construction sub-contractors connected to such Construction Claims.
5. The purpose of this Fourth Supplement to the Twentieth Report (the “**Fourth Supplement**”) is to provide the Court with information and the Monitor’s comments and recommendations regarding this request.

6. Capitalized terms used herein and not otherwise defined in this Fourth Supplement have the meanings given to them in the Twentieth Report. This Fourth Supplement should be read in conjunction with the Twentieth Report, a copy of which is attached hereto as **Appendix “A”**.
7. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars.

B. UPDATE ON RESOLUTION OF CONSTRUCTION CLAIMS

Initial Lien Claims Order

8. On June 15, 2018, the Court granted the Initial Lien Claims Order, which provided for payment of distributions to those Construction Contractors holding (on their own behalf and on behalf of their Connected Sub-Contractors) Undisputed Construction Claims against either (a) the Court-ordered Construction Lien Claim Reserves established further to the Lease Surrender Transactions; or (b) the Affiliated Properties Reserves established to vacate construction liens against the Affiliated Leased Properties.
9. The Initial Lien Claims Order also confirmed the Monitor’s determination of the quantum of other Undisputed Construction Claims of Construction Contractors and their Connected Sub-Contractors that were unsecured or owing in respect of Remaining Owned Properties.
10. A copy of the Initial Lien Claims Order is attached hereto as **Appendix “B”**.

Resolution of Certain Disputed Construction Claims

11. Although the Initial Lien Claims Order addressed the Undisputed Construction Claims, there were also a number of Construction Claims for which either the Construction Contractor and/or Connected Sub-Contractor(s) delivered a Notice of Dispute of Construction Claim (the “**Disputed Construction Claims**”).
12. The Monitor, in consultation with the Sears Canada Entities, worked as a priority matter to review and resolve those Disputed Construction Claims that were secured against

either the Construction Lien Claims Reserves or the Affiliated Properties Reserves, or which were claimed against Remaining Owned Properties.

13. Further to the Prior Settled Lien Orders issued on July 4, 2018, July 24, 2018, and September 20, 2018, and as detailed in the First through Third Supplements to the Twentieth Report, the Monitor settled those remaining Disputed Construction Claims that were secured against either the Construction Lien Claims Reserves or Affiliated Properties Reserves, and authorized payment in respect of the same.
14. Further to the Prior Settled Lien Order issued on July 4, 2018 (the “**Second Lien Claims Order**”), the Monitor also confirmed the quantum of those Disputed Construction Claims of Construction Contractors and their Connected Sub-Contractors that had been claimed in respect of any Remaining Owned Properties. A copy of the Second Lien Claims Order is attached hereto as **Appendix “C”**.

Sale of Remaining Owned Properties

15. However, in neither the Initial Lien Claims Order nor the Second Lien Claims Order was payment authorized for those Construction Claims that had been made in respect of the Remaining Owned Properties (the “**Determined Owned Property Claims**”). At the time of such Orders, the Remaining Owned Properties were still the subject of an ongoing marketing process by the Applicants and had not yet been sold.
16. Since that time however, the Applicants have obtained orders approving the sale of two Remaining Owned Properties at the Devonshire Mall in Windsor Ontario and the Lansdowne Mall in Peterborough, Ontario, which transactions (the “**Closed Property Transactions**”) both closed on August 27, 2018.
17. In addition, on a motion that is returnable the same date as the Monitor’s within motion for the Fifth Construction Lien Order, the Applicants are seeking a further order (together with the Orders referred to in the immediately preceding paragraph, the “**Approval and Vesting Orders**”) approving the sale of the Remaining Owned Property located at the Upper Canada Mall, in Newmarket Ontario (the “**Pending Property Transaction**”).

18. Each of the Approval and Vesting Orders as issued—and in the case of that for the Pending Property Transaction, as proposed—provide that the net proceeds from each sale (the “**Net Proceeds**”) are to be held by the Monitor pending further order of this Court.

Proposed Payment of Determined Owned Property Claims

19. Details of the Determined Owned Property Claims that have been settled or confirmed further to the Initial Lien Claims Order or Second Lien Order are set out below:

Construction Contractor	Store Name and Location	Determined Owned Property Claims	
		How Settled/Confirmed?	Remaining Owned Properties
152610 Canada Inc. c.o.b. Laurin & Company	Upper Canada Mall, Newmarket, ON	Undisputed Construction Claim confirmed further to Initial Lien Claims Order	\$1,220,585.05
Abbarch Architecture Inc.	Upper Canada Mall, Newmarket, ON	Undisputed Construction Claim confirmed further to Initial Lien Claims Order	\$83,767.80
Kone Inc.	Upper Canada Mall, Newmarket, ON	Settled Construction Claim confirmed further to Second Lien Claims Order	\$8,029.49
Kone Inc.	Devonshire Mall, Windsor, ON	Settled Construction Claim confirmed further to Second Lien Claims Order	\$11,251.57
Kone Inc.	Lansdowne Mall, Peterborough, ON	Settled Construction Claim confirmed further to Second Lien Claims Order	\$11,226.93

20. The Monitor believes that it is appropriate to make distributions on account of the Determined Owned Property Claims to the Construction Contractors identified above (the “**Secured Contractors**”) for their own benefit and for distribution onwards by them to respective Connected Sub-Contractors; such payments to be made

- (a) forthwith in respect of the Closed Property Transactions, and
- (b) in the case of the Pending Property Transaction, forthwith upon receipt of the applicable Net Proceeds.

21. In each of the Closed Property Transaction and Pending Property Transactions, the net proceeds to the Applicants from these sales are or will be more than sufficient to satisfy the Determined Owned Property Claims.

22. As with those Construction Claims that were paid out further to prior Orders, Sears Canada and the Monitor's responsibility with respect to these amounts should be limited to the distribution of these amounts to the Secured Contractors as neither Sears Canada nor the Monitor have visibility regarding the claims of any Connected Sub-Contractors who may have claimed under the Secured Contractor. The Secured Contractor is best positioned to pay its Connected Sub-Contractors and requiring the Secured Contractors to pay their Connected Sub-Contractors is consistent with the Claims Procedure Order pursuant to which the Secured Contractor was required to determine and advance the claims of its Connected Sub-Contractors.
23. With the amounts of the Determined Owned Property Claims having been confirmed and with the Remaining Owned Properties having been sold or about to be sold, the Monitor proposes to seek the Court's approval for proposed distributions on account of the Determined Owned Property Claims.
24. Any payment made in connection with the Determined Owned Property Claims will be made only to the Secured Contractors even if such payments are in whole or in part to satisfy the claims of Connected Sub-Contractors.

C. PROPOSED ORDER

Payment of Settled Secured Construction Claim

25. The proposed form of Fifth Construction Lien Claims Order is substantially similar to the Prior Lien Claim Orders issued on July 4, July 24, and September 20, 2018, except that the proposed order does not seek the full extent of the relief sought in such Prior Lien Claim Orders, but rather seeks only to authorize the payment of claims. For reference, a blackline between the proposed form of Order and the Second Lien Claim Order issued on July 4, 2018 is attached hereto as **Appendix "D"**.
26. The Determined Owned Property Claims are either (a) currently secured against the Net Proceeds held by the Monitor from the Closed Property Transactions, or (b) upon closing of the Pending Property Transaction, will be secured against the Net Proceeds from such transaction.

27. In each of the Closed Property Transactions and Pending Property Transaction, the net proceeds to the Applicants from these sales are or will be more than sufficient to satisfy the Determined Owned Property Claims.
28. The Monitor notes that motions were brought by certain parties (the “**Pension Parties**”) seeking, among other things, a declaration that certain assets are deemed to be held in trust for the beneficiaries of the Sears Canada Inc. Registered Retirement Plan with priority ahead of all other creditors of Sears Canada. However, further to an endorsement of the Court made October 22, 2018, such motions have now been adjourned *sine die*. The Pension Parties will be served in connection with the relief sought on the within motion, and they have not to date objected to any prior payments made pursuant to either the Initial Lien Claims Order or the Prior Settled Lien Orders.
29. Subject to receipt of the Net Proceeds of the Pending Property Transaction, the Monitor is also unaware of any basis to withhold payment on the Determined Owned Property Claims at this time. However, the Monitor requires Court authorization to pay these amounts.
30. The proposed form of Order provides that the Secured Contractors will make distributions to their Connected Sub-Contractors, if any, from the payments received on account of the Determined Owned Property Claims. This approach is again consistent with the approach used in the claims process established by the Claims Procedure Order pursuant to which the Secured Contractor is responsible for confirming the Claims of its Connected Sub-Contractors and is responsible for advancing one consolidated claim.
31. In the case of the Determined Owned Property Claims made in respect of the Upper Canada Mall property, the proposed form of Order also contemplates that such payments would only be made upon receipt by the Monitor of the Net Proceeds of the Pending Property Transaction.

Releases

32. Sears Canada and the Monitor require certainty regarding the resolution of lien and Construction Claim issues and, accordingly, the Monitor requests an Order confirming

that all claims arising in respect of the Remaining Owned Properties by the Secured Contractors and the Connected Sub-Contractors claiming under them, including any claims against any Sears Canada Entities or their current and former directors, officers, and employees are fully and finally determined and, in the case of the Determined Owned Property Claims, fully and finally satisfied through acceptance of the Determined Owned Property Claim amounts and payment of the Determined Owned Property Claims to the relevant Secured Contractors.

33. The proposed release in the Fifth Construction Lien Claims Order would, upon payment of the Determined Owned Property Claims, confirm the release of any Claims (as defined in the Claims Procedure Order) or claims against the Applicants' current and former employees arising in respect of the Remaining Owned Properties, including any D&O Claims (as defined in the Claims Procedure Order), of the Secured Contractors and their Connected Sub-Contractors, whether or not such Claims are also Construction Claims. This is consistent with the terms of the Claims Procedure Order as no such other Claims were advanced in respect of the Remaining Owned Properties by the Secured Contractors or any of their Connected Sub-Contractors.

Monitor's Recommendation

34. The Monitor supports the proposed distributions on account of the Determined Owned Property Claims and believes they are appropriate.
35. The Monitor further believes the proposed releases of claims is an appropriate step toward finalizing the Construction Claim issues in these proceedings and would not prejudice any Construction Claimants. All such parties have had a fair and reasonable opportunity to assert any claims they may have in accordance with the Claims Procedure Order.

The Monitor respectfully submits to the Court this, its Fourth Supplement to the Twentieth Report.

Dated this 15th day of November, 2018.

**TWENTIETH REPORT TO THE COURT
SUBMITTED BY FTI CONSULTING CANADA INC.,
IN ITS CAPACITY AS MONITOR**

A. INTRODUCTION

1. On June 22, 2017, Sears Canada Inc. (“**Sears Canada**”) and a number of its operating subsidiaries (collectively, with Sears Canada, the “**Applicants**”) sought and obtained an initial order (as amended and restated on July 13, 2017, the “**Initial Order**”), under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”). The relief granted pursuant to the Initial Order was also extended to Sears Connect, a partnership forming part of the operations of the Applicants (and together with the Applicants, the “**Sears Canada Entities**”). The proceedings commenced under the CCAA by the Applicants are referred to herein as the “**CCAA Proceedings**”.
2. The Initial Order, among other things:

- (a) appointed FTI Consulting Canada Inc. as monitor of the Sears Canada Entities (the “**Monitor**”) in the CCAA Proceedings;
 - (b) granted an initial stay of proceedings against the Sears Canada Entities until July 22, 2017;
 - (c) authorized the Sears Canada Entities to enter into the DIP Credit Agreements and access funds available under the facilities provided under these agreements; and
 - (d) scheduled a comeback motion for July 13, 2017 (the “**Comeback Motion**”).
3. Following the Comeback Motion, the Court extended the Stay Period to October 4, 2017. In addition, the following orders were issued, among others:
 - (a) the amended and restated Initial Order; and
 - (b) an order approving a sale and investor solicitation process (the “**SISP**”) to solicit interest in potential transactions, including investment and liquidation proposals, involving the business, property, assets and/or leases of the Applicants.
4. On July 18, 2017, the Court issued an order approving an agreement and a process for the liquidation of inventory and FF&E at certain initial closing Sears Canada locations, which liquidation process is now completed.
5. On October 13, 2017, the Court issued, among other orders, an order (a) approving an agreement and a process (the “**Second Liquidation Process**”) for the liquidation of the inventory and FF&E at all remaining Sears Canada retail locations, which liquidation commenced shortly thereafter and is now completed.
6. On December 8, 2017, the Court issued an Order (the “**Claims Procedure Order**”) approving a claims process for the identification, determination and adjudication of claims of creditors against the Sears Canada Entities and their Officers and Directors. A copy of the Claims Procedure Order is attached hereto as Appendix “A”.

7. The liquidation of assets at Sears Canada's retail locations is now completed, all retail locations are closed, and leases in respect of such locations have been disclaimed or otherwise dealt with in the CCAA Proceedings. The primary assets of the Sears Canada Entities that remain to be realized upon are the Remaining Owned Properties (as defined and discussed later in this Report).
8. Since the date of the Comeback Motion, the stay period has been extended a number of times and currently expires on July 31, 2018.
9. In connection with the CCAA Proceedings, the Monitor has provided nineteen reports and eight supplemental reports (collectively, the "**Prior Reports**"), and prior to its appointment as Monitor, FTI also provided to this Court a pre-filing report of the proposed Monitor dated June 22, 2017 (the "**Pre-Filing Report**"). The Pre-Filing Report, the Prior Reports and other Court-filed documents and notices in these CCAA Proceedings are available on the Monitor's website at cfcanada.fticonsulting.com/searscanada/ (the "**Monitor's Website**").

B. PURPOSE

10. The purpose of this twentieth report of the Monitor (the "**Twentieth Report**") is to provide the Court with information regarding:
 - (a) the Monitor's request for an order (the "**Construction Lien Claims Order**") confirming the Monitor's determination regarding the validity and characterization of certain Construction Claims (as defined in the Claims Procedure Order), authorizing certain payments in satisfaction of Construction Claims and ordering certain associated discharges and releases of liens and lien claims;
 - (b) confirming the barring of further claims by certain construction contractors; and
 - (c) the Monitor's comments and recommendations in connection with the foregoing.

C. TERMS OF REFERENCE

11. In preparing this Twentieth Report, the Monitor has relied upon audited and unaudited financial information of the Sears Canada Entities, the Sears Canada Entities' books and records, certain financial information and forecasts prepared by the Sears Canada Entities and discussions and correspondence with, among others, the senior management ("**Management**") of, and advisors to, the Sears Canada Entities (collectively, the "**Information**").
12. Except as otherwise described in this Twentieth Report:
 - (a) the Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the *Chartered Professional Accountants of Canada Handbook*; and
 - (b) the Monitor has not examined or reviewed the financial forecasts or projections referred to in this Twentieth Report in a manner that would comply with the procedures described in the *Chartered Professional Accountants of Canada Handbook*.
13. Future-oriented financial information reported in or relied on in preparing this Twentieth Report is based on Management's assumptions regarding future events. Actual results will vary from these forecasts and such variations may be material.
14. The Monitor has prepared this Twentieth Report in connection with the Monitor's motion for the Construction Lien Claims Order. The Twentieth Report should not be relied on for any other purpose.
15. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars.
16. Capitalized terms not otherwise defined herein have the meanings ascribed to them in the following documents filed as part of the CCAA Proceedings: (i) the affidavits of Mr. Billy Wong, the Chief Financial Officer of Sears Canada; (ii) the affidavit of Ms. Becky

Penrice, Executive Vice-President and Chief Operating Officer of Sears Canada; (iii) the affidavits of Mr. Philip Mohtadi, General Counsel and Corporate Secretary of Sears Canada; (iv) the Prior Reports; and (v) the Claims Procedure Order.

D. UPDATE ON CONSTRUCTION CLAIMS

Lease Surrender Transactions

17. On October 4, 2017 and October 13, 2017, the Court approved transactions that would provide for the return to the applicable landlord of certain premises leased by Sears Canada in return for cash consideration payable to Sears Canada by the applicable landlord (the “**Lease Surrender Transactions**”).
18. The Lease Surrender Transactions provided material cash consideration to Sears Canada in connection with the surrender of the following leased premises: Promenade Mall; Lime Ridge Mall; Polo Park; Fairview Pointe-Claire; Fairview Mall; Scarborough Town Centre; Oakville Place; Nanaimo North Town Centre; Kelowna; Brentwood Mall; and Avalon Mall (collectively, the “**Surrendered Leased Properties**”).
19. The Lease Surrender Transactions were all implemented during October and November 2017.
20. In connection with the Lease Surrender Transactions, certain Court-ordered Construction Lien Claim Reserves were established to hold proceeds from the Lease Surrender Transactions in the aggregate amounts claimed under all construction liens registered against the Surrendered Leased Properties.
21. All construction liens registered against the Surrendered Leased Properties were vacated pursuant to orders of the Court.
22. The Court ordered that the only recourse of a construction lien claimant in connection with a construction lien on Surrendered Leased Properties would be to the applicable Construction Lien Claim Reserve. Payments from the Construction Lien Claim Reserves can only be released upon further Order of the Court.

23. In addition, Sears Canada agreed with certain of the landlords under the Lease Surrender Transactions to cause certain construction liens registered against other properties owned by those landlords or affiliated landlords (the “**Affiliated Leased Properties**”) to be vacated. As a result, Sears Canada has also paid to the Monitor or the Monitor’s legal counsel, pursuant to escrow arrangements, or into court, pursuant to orders under applicable construction lien legislation, funds (the “**Affiliated Properties Reserves**”) in an amount sufficient to vacate all construction liens that were registered against the Affiliated Leased Properties at the time of closing of the Lease Surrender Transactions.
24. In the case of all leased properties on which construction liens were filed other than the Surrendered Leased Properties and Affiliated Leased Properties, no Lease Surrender Transaction took place and no proceeds are available to satisfy any construction liens registered against those properties.
25. In aggregate, the Construction Lien Claim Reserves and the Affiliated Properties Reserves hold \$11,129,783.92, which represents an amount in excess of the total aggregate value of all construction liens filed against the Affiliated Leased Properties and the Surrendered Leased Properties and the maximum potential secured construction lien claims against these properties prior to review by the Monitor.

Owned Real Estate

26. Sears Canada has not yet transferred its right, title and interest in any owned real properties other than the Garden City property in Winnipeg and the Newmarket Home Store property. The remaining owned real properties (the “**Remaining Owned Properties**”) are the subject of an ongoing marketing process. The Monitor notes that Construction Claims and liens have been asserted in connection with certain of the Remaining Owned Properties.

*Claims Process*¹

27. In accordance with the Claims Procedure Order, a Construction Claims Package was sent to all known Construction Claimants who are Construction Contractors (as evidenced by the books and records of the Sears Canada Entities) in December 2017.
28. The Construction Claims Package included a Notice of Construction Claim that set out the Sears Canada Entities' view of the quantum of the Construction Contractors' claims (including the claims of all Construction Sub-Contractors claiming under such Construction Contractors) against the Sears Canada Entities.
29. Notices of Dispute of Construction Claim with respect to the amounts set out in each Notice of Construction Claim were due by February 15, 2018.
30. Under the Claims Procedure Order, the Construction Claim of a Construction Contractor in relation to a given improvement is deemed to include the Construction Claims of not only the Construction Contractor itself but also the Construction Claims of any and all sub-contractors who provided materials and/or services in connection with the improvement under an agreement or engagement with the Construction Contractor or any other construction sub-contractor at any level (each a "**Connected Sub-Contractor**"). Therefore, while the Sears Canada Entities and the Monitor engage only with the Construction Contractors who are the Sears Canada Entities' direct contractual counterparties in connection with the Construction Claims (including the claims of Connected Sub-Contractors), those Construction Contractors are responsible for resolving any claims of their Connected Sub-Contractors.
31. If a Construction Contractor did not deliver to the Monitor a completed Notice of Dispute of Construction Claim and no other Notices of Dispute of Construction Claim were received by the Monitor from any Construction Sub-Contractors in respect of such Construction Claim by February 15, 2018 disputing the Construction Claim as set out in a Notice of Construction Claim, then all Construction Claimants associated with such Notice of Construction Claim, including Connected Sub-Contractors, are deemed to

¹ Capitalized terms used in this section that are not defined herein have the meanings given to them in the Claims Procedure Order.

have accepted the Construction Claim as set out in the Notice of Construction Claim and shall have no further right to dispute the determination of such Construction Claim as set out in the Notice of Construction Claim (such Construction Claims are referred to herein as the “**Undisputed Construction Claims**”).²

32. As a priority matter, the Sears Canada Entities and the Monitor seek to move forward with distributions to those Construction Contractors holding (on their own behalf and on behalf of their Connected Sub-Contractors) Undisputed Construction Claims against the Construction Lien Claim Reserves or the Affiliated Properties Reserves (such Construction Contractors being the “**Identified Contractors**”).

Summary of Monitor’s Review of Construction Claims of Identified Contractors

33. Set out below is a summary of the Construction Claims of the Identified Contractors and the Connected Sub-Contractors in respect of the properties adjacent to each Identified Contractor’s name (for each Identified Contractor, the properties adjacent to such Identified Contractor’s name are referred to herein as the “**Applicable Properties**”) that are Undisputed Construction Claims and are therefore accepted and allowed for the purposes of the Claims Procedure Order and for the purposes of paying amounts from the Construction Lien Claims Reserves and the Affiliated Properties Reserves:

² One Notice of Dispute of Construction Claim was received from a Construction Sub-Contractor in connection with the Applicable Properties and the Identified Contractors’ Construction Claims (each as defined below). However, that Notice of Dispute of Construction Claim was subsequently withdrawn.

34. The Construction Claims described above as secured (the “**Allowed Secured Construction Lien Claims**”) are Undisputed Construction Claims that are secured against either the Construction Lien Claims Reserves or the Affiliated Properties Reserves. These amounts should be paid forthwith to the applicable Identified Contractor for its own benefit and for distribution by the Identified Contractor to its Connected Sub-Contractors. Sears Canada’s and the Monitor’s responsibility with respect to these amounts should be limited to the distribution of these amounts to the Identified Contractors as Sears Canada and the Monitor do not have visibility regarding the claims of the Connected Sub-Contractors who have claimed under the Identified Contractor. The Identified Contractor is best positioned to pay its Connected Sub-Contractors and requiring the Identified Contractor to pay its Connected Sub-Contractors is consistent with the Claims Procedure Order pursuant to which certain of the Identified Contractors were required to determine and advance the claims of their Connected Sub-Contractors.
35. The Construction Claims described above as unsecured (the “**Allowed Unsecured Construction Claims**”) are Undisputed Construction Claims in connection with improvements to leased locations that were the subject of a Lease Surrender Transaction but that were not asserted to be secured by a lien.

36. The Identified Contractors hold no “**Post-Filing Claims**”, being claims in connection with the supply of goods or services on or after June 22, 2017, in respect of their Applicable Properties.
37. The final category of Construction Claims are the “**Remaining Owned Properties Claims**”. These are Construction Claims of Identified Contractors and the Connected Sub-Contractors in respect of work performed on the Remaining Owned Properties. The Monitor has determined the value of these Construction Claims, as set out above, and no objection or dispute was asserted regarding that determination. However, the Monitor cannot determine the final characterization of all such claims as secured or unsecured until the Remaining Owned Property to which such claim relates is sold and proceeds are generated against which any lien securing the Remaining Owned Properties Claims could attach. The Monitor proposes that the value of these claims be confirmed as part of the requested Construction Lien Claims Order and that the determination of such claims as secured or unsecured will be deferred until such time as proceeds are generated from the Remaining Owned Properties to which such claim could attach.
38. Having completed the foregoing steps to resolve the Construction Claims of the Identified Contractors and their Connected Sub-Contractors, the Monitor proposes to seek the Court’s approval for proposed distributions on account of Allowed Secured Construction Lien Claims and to seek the Court’s confirmation of the determination of the quantum and, where applicable, characterization of Construction Claims that are not so paid. The confirmations sought with respect to the Monitor’s determination of the quantum and characterization of these Construction Claims is consistent with the terms of the Claims Procedure Order regarding the Undisputed Construction Claims.
39. Any payments made in connection with the Undisputed Construction Claims will be made only to the Identified Contractors even if such payments are in whole or in part to satisfy claims of Connected Sub-Contractors. Similarly, all determinations of the quantum and characterization of Construction Claims set out herein must be binding on the Identified Contractors and their Connected Sub-Contractors. All Connected Sub-Contractors of the Identified Contractor must be bound by the resolutions proposed in

the Construction Lien Claims Order in order to ensure finality with respect these Undisputed Construction Claims.

40. The Monitor continues to work with Construction Contractors who are not Identified Contractors, and with the Identified Contractors other than with respect to their Applicable Properties, to resolve their Construction Claims and to distribute amounts on account of any such Claims that are valid and secured as soon as practicable. The Monitor intends to bring a subsequent motion to make distributions in respect of such claims once a sufficient number of such claims are resolved such that the costs of a further motion can be supported.

E. CONSTRUCTION LIEN CLAIMS ORDER

Determination of Construction Claims

41. The proposed form of Construction Lien Claims Order approves the Monitor's determination of the quantum and characterization of the Allowed Secured Construction Lien Claims and the Allowed Unsecured Claims and the quantum of the Remaining Owned Properties Claims and confirms that the Identified Contractors and Connected Sub-Contractors have no Construction Claims in respect of any of their Applicable Properties other than the Allowed Unsecured Construction Claims, the Allowed Secured Construction Lien Claims and the Remaining Properties Claims, and have no Post-Filing Claims in respect of their Applicable Properties.
42. The valuation and characterization of these claims is the result of the Monitor's independent determination of such claims, after receiving required information from Sears Canada, and is accepted by the applicable Identified Contractor who did not object to the Notice of Construction Claim delivered by the Monitor in accordance with the Claims Procedure Order.

Payment of Allowed Secured Construction Lien Claims

43. The Allowed Secured Construction Lien Claims are secured claims against the funds held in the Construction Lien Claims Reserves or the Affiliated Properties Reserves.

44. The Monitor is not aware of any competing secured claims against these amounts.
45. The Monitor is not aware of any basis to withhold payment on account of the Allowed Secured Construction Lien Claims at this time. However, the Monitor requires Court authorization to pay these amounts.
46. The proposed form of Order provides that the Identified Contractor will make distributions to its Connected Sub-Contractors from the payments received on account of Allowed Secured Construction Lien Claims. This approach is consistent with the approach used in the claims process established by the Claims Procedure Order pursuant to which the Identified Contractor was responsible for confirming the claims of its Connected Sub-Contractors and was responsible for advancing one consolidated claim.

Releases

47. Sears Canada and the Monitor require certainty regarding the resolution of lien and Construction Claim issues and, accordingly, the Monitor requests an Order confirming that all claims arising in respect of any of their Applicable Properties by the Identified Contractors and the Connected Sub-Contractors claiming under them, including any claims against any Sears Canada Entities or their current and former directors, officers, and employees are fully and finally determined and, in the case of the Allowed Secured Construction Lien Claims, fully and finally satisfied through the payment in satisfaction of the Allowed Secured Construction Lien Claims.
48. The proposed release in the Construction Lien Claims Order would confirm the release of any Claims (as defined in the Claims Procedure Order) or claims against the Applicants' current and former employees arising in respect of their Applicable Properties, including any D&O Claims (as defined in the Claims Procedure Order), of the Identified Contractors and the Connected Sub-Contractors, whether or not such Claims are also Construction Claims, other than the Allowed Secured Construction Lien Claims, the Allowed Unsecured Construction Claims and the Remaining Owned Properties Claims. This is consistent with the terms of the Claims Procedure Order as no Construction Contractor has objected to the foregoing determinations of allowed

Construction Claims and the determination that the applicable Construction Contractors had no other Construction Claims, which determinations are now deemed accepted in accordance with the Claims Procedure Order.

Discharge of Liens

49. The proposed Construction Lien Claims Order would direct Identified Contractors to, and to require their Connected Sub-Contractors to, take steps necessary to ensure any remaining liens and lien actions relating to their Applicable Properties be vacated and dismissed, as applicable, other than in connection with the Remaining Owned Properties. Further, the proposed Order would direct the Identified Contractor to, and to require its Connected Sub-Contractors to, deliver up any funds or other instruments posted in court by the Sears Canada Entities to secure any liens of the Identified Contractors or their Connected Sub-Contractors relating to their Applicable Properties other than in connection with the Remaining Owned Properties Claims. In the Monitor's view this step is appropriate as such liens, lien actions and security will no longer be of value once all Allowed Secured Construction Lien Claims are paid in full in accordance with the Construction Lien Claims Order.

Monitor's Recommendation

50. The Monitor supports the resolution of the Undisputed Construction Claims as set out herein and believes that the proposed distributions on account of the Allowed Secured Construction Lien Claims is appropriate.
51. The Monitor further notes that the determination in respect of their Applicable Properties that the Identified Contractors have no Post-Filing Claims and the resolution of the quantum of the Remaining Owned Properties Claims and the Allowed Unsecured Construction Claims as set out herein is based upon the books and records of the Sears Canada Entities and the deemed acceptance of such determinations by the applicable Identified Contractors and is reasonable and appropriate.
52. The Monitor believes the proposed releases of claims is an appropriate step toward finalizing the Construction Claim issues in these proceedings and would not prejudice

any Construction Claimants. All such parties have had a fair and reasonable opportunity to assert any claims they may have in accordance with the Claims Procedure Order.

The Monitor respectfully submits to the Court this, its Twentieth Report.

Dated this 12th day of June, 2018.

Re: Current Claims Process in the CCAA Proceedings of the Sears Canada Entities (Court File No. CV-17-11846-00CL)

Recently, on [December 8], 2017, the Ontario Superior Court of Justice (Commercial List) issued an order (the “Claims Procedure Order”) in the *Companies’ Creditors Arrangement Act*

proceedings of Sears Canada Inc. and certain of its subsidiaries and affiliates¹ (collectively, the "Sears Canada Entities"), commencing a claims procedure (the "Claims Process") for the purpose of identifying and determining all Claims against the Sears Canada Entities and their respective current and former directors and officers.

Notwithstanding the commencement of the Claims Process, certain classes of persons are currently exempted from the requirement to file any proofs of claim. You are receiving this letter because you fall into one of the categories of such exempted persons, which includes any:

- (i) active or inactive union or non-union employee of any one of the Sears Canada Entities on or after June 22, 2017, including an employee of any one of the Sears Canada Entities who received notice of termination of employment dated on or after June 22, 2017; and
- (ii) former employee of any one of the Sears Canada Entities who was terminated for cause at any time or who received notice of cessation of termination or severance payments dated on or after June 22, 2017.

(collectively, the "Employee Claimants").

Please be advised that the current Claims Process does not include claims of Employee Claimants. Employee claims will be dealt with through a separate Employee Claims Process. That includes any claims you may have against the directors and officers and any claims not related to your compensation.

To be clear, there is NO need at this time for you to take action in connection with this Claims Process, or file any proof of claim in respect of any claim you may have against any of the Sears Canada Entities or their respective current and former directors and officers.

FTI Consulting Canada Inc., as Court-appointed Monitor (the "Monitor") and the Sears Canada Entities are at present working to develop a future claims process (the "Employee Claims Process") to address all claims (of any type) of Employee Claimants. A similar process is also being developed in respect of claims relating to pension entitlements and other post-employment benefits.

In developing this separate Employee Claims Process, the Monitor and the Sears Canada Entities are working with various stakeholders, including: (a) Employee Representative Counsel, who serves as representative counsel to non-unionized current and former employees of the Sears Canada Entities, other than members of senior management, with respect to such employees' interests other than pension entitlements and other post-employment benefits matters (and who, for greater clarity, does not represent the interests of persons listed as recipients to this letter); (b) Koskie Minsky LLP, who serve as representative counsel to, among others, non-unionized retirees and active and former employees of the Sears Canada Entities with respect to pension entitlements and other post-employment benefits matters; (c) the Ontario Superintendent of Financial Services as administrator of the Pension Benefits

¹ The "Sears Canada Entities" are Sears Canada Inc., Corbeil Électrique Inc., S.L.H. Transport Inc., The Cut Inc., Sears Contact Services Inc., Initium Logistics Services Inc., Initium Commerce Labs Inc., Initium Logistics Services Inc., Initium Commerce Labs Inc., Initium Trading and Sourcing Corp., Sears Floor Covering Centres Inc., 173470 Canada Inc., 2497089 Ontario Inc., 6988741 Canada Inc., 10011711 Canada Inc., 1592580 Ontario Limited, 955041 Alberta Ltd., 4201731 Canada Inc., 168886 Canada Inc., 3339611 Canada Inc., and SearsConnect.

Guarantee Fund; and (d) Morneau Shepell Inc., as administrator of the Sears Canada Inc. Registered Retirement Plan.

Additional information will be made available to you as this process continues. For now, the only action you may need to take is to advise the Monitor of a change of address.

Once the Employee Claims Process has been established, the Monitor will provide information regarding the process and any claims forms to be filed thereunder to you. This information will also be available on the Monitor's website at cfcanada.fticonsulting.com/searscanada/. We would recommend checking the Monitor's website periodically/monthly.

In connection with the Sears Canada Entities' CCAA proceedings, Ursel Phillips Fellows Hopkinson LLP ("**Employee Representative Counsel**") was appointed to represent the interests of the non-unionized Active Employees and Former Employees of the Sears Canada Entities, other than with respect to the Sears Canada Entities' pension plans and other post-employment benefit entitlements. Information about the proceedings and matters of specific interest to employees may be found at Employee Representative Counsel's website at <http://www.upfhlaw.ca/areas-of-practice/sears-canada-employees-and-former-employees>.

The purpose of this letter is to inform you that on **[December 8]**, 2017, the Court issued an order (the "**Claims Procedure Order**") commencing a claims procedure (the "**Claims Process**") for the purpose of identifying and determining claims against the Sears Canada Entities and their respective current and former directors and officers.

Notwithstanding the commencement of the Claims Process, certain classes of persons are currently **exempted** from the requirement to file any proofs of claim. As a non-unionized Active Employee or Former Employee of one of the Sears Canada Entities (an "**Employee**"), you fall into one of the categories of such exempted persons.

Please be advised that the current Claims Process **does not include** claims of Employees. Employee claims will be dealt with through a **separate Employee Claims Process** (as described below). That includes any claims you may have against the directors and officers and claims not related to your compensation.

To be clear, there is NO need at this time for you to take action in connection with this Claims Process or file any proof of claim in respect of any claim you may have against the Sears Canada Entities or their respective current and former directors and officers.

Employee Claims Process

Employee Representative Counsel is currently working with the Sears Canada Entities and the Monitor, among others, to develop a separate claims process (the "Employee Claims Process"), to address all claims (of any type) of current or former employees of the Sears Canada Entities. A similar process is also being developed in respect of claims relating to pension entitlements and other post-employment benefits. Any claims against the directors and/or officers of the Sears Canada Entities that you may have as an Employee will also be part of the Employee Claims Process. In addition, if you have a claim against the Sears Canada Entities for a matter not related to your compensation, that claim will also be dealt with through the Employee Claims Process.

Additional information will be made available to you as this process continues. For now, the only action you may need to take is to advise the Monitor and/or Employee Representative Counsel of a change of address.

Once the Employee Claims Process has been established, the Monitor will provide information regarding the process and any claims forms to be filed thereunder to you. This information will also be available on the Monitor's website at cfcanada.fticonsulting.com/searscanada/. At present, it is difficult to estimate when the Employee Claims Process will be established but it should be over the course of the next two to three months. We would also recommend checking the Monitor's website (cfcanada.fticonsulting.com/searscanada/) periodically/monthly.

If you have any questions with respect to any of the above information, please contact us at our toll-free number at 1-844-855-8352 or our email at SearsCanadaEmployees@upfhlaw.ca.

Yours truly,

PENSIONER LETTER

December ●, 2017

Dear Sir/Madam:

**Re: Sears Canada Inc. and certain of its subsidiaries and affiliates (collectively, "Sears Canada")
Representation of Non-Union Employees and Retirees with Pension and OPEB Entitlements in
Sears Canada's proceedings (the "CCAA Proceedings") under the *Companies' Creditors
Arrangement Act*, R.S.C., 1985, c. C-36 (the "CCAA")
Our File No. 17/1312**

We are the Representative Counsel to Ken Eady, Larry Moore, and William Turner, who were appointed by the Ontario Superior Court of Justice (Commercial List) as Representatives of all non-union employees and retirees of Sears Canada¹ who have entitlements to pension benefits and other post-employment benefits such as health benefits, life insurance, and supplemental pension (collectively, "OPEBs") in the CCAA Proceedings. For the purposes of this letter, the non-union employees and retirees shall be collectively referred to as the "Pensioners".

We are writing further to our letter dated July 26, 2017 to provide information on the claims process (the "Claims Process") that Sears Canada established and the Court recently approved. The purpose of this Claims Process is to identify and determine claims from creditors for amounts owing to them by Sears Canada and/or Sears Canada's current and former officers and directors.

Status of the Sears Canada CCAA proceedings

On June 22, 2017, Sears Canada obtained Court protection from its creditors under the CCAA. At the same time, the Court appointed FTI Consulting Canada Inc. as the Monitor. Generally, the Monitor's role is to monitor and regularly report to the Court and stakeholders on Sears Canada's activities while it is under CCAA protection and to interact with creditors in a fair and impartial manner.

There have been a number of developments over the past few months. Sears Canada is not restructuring to continue as a viable company. Instead, on October 13, 2017, Sears Canada brought a motion before the Court for approval that it liquidate its remaining inventory. The Court approved the liquidation. Sears Canada has begun the process of liquidating the inventory in all of the remaining stores and selling all of its other assets. Sears Canada is continuing with the store liquidation process through January, 2018.

¹ (other than senior management of Sears Canada and any person who opted out of representation by Koskie Minsky LLP)

The General Claims Process

During the Claims Process, the Monitor will accept claims from creditors (subject to certain exemptions) for amounts they claim to be owing by Sears Canada and/or their current and former directors and officers.

Generally, the Claims Process will involve an initial assessment of each creditor's claim by the Monitor, in consultation with Sears Canada, after which creditors will be notified whether their claim has either been accepted or revised or disallowed in whole or in part. The claims of creditors that have been revised or disallowed will have the opportunity to respond further, after which the Monitor and Sears Canada may reconsider the claim or attempt to settle the claim(s) with the creditor. If a resolution cannot be reached, the dispute may be referred for adjudication by a Claims Officer who will decide the issues in dispute and render a decision. A creditor may appeal a decision of a Claims Officer. The process is intended to determine the total amount of debts owed by Sears Canada to its creditors.

The future Pensioner Claims Process

The Claims Process that is currently underway is for general creditors of Sears Canada and does not include claims for amounts owing to pension plans or to Pensioners in relation to pension benefits or terminated OPEBs. A separate claims process will be commenced in the future for all such claims in respect of losses of pension benefits and OPEBs. Koskie Minsky LLP as Representative Counsel will work with its actuarial advisors and other parties to ensure that these claims are appropriately valued and submitted in the Pensioner Claims Process. We will provide further information about the Pensioner Claims Process once that process has been finalized and commenced. A similar process is also being developed in respect of employee-related claims.

As a Pensioner, you do not need to make individual claims related to your pension benefits or OPEBs at this time. In addition, any claims you may have against the directors and officers, or claims you may have that are not related to your pension or OPEB entitlements, will be dealt with in the separate Pensioner Claims Process.

At this time, there is no need for you to take any action in connection with the current Claims Process.

We will continue to provide updates to you as the CCAA proceedings move forward, and post updates on our firm website for Sears Canada's Pensioners. You can access our firm website at www.kmlaw.ca/searsrepcounsel for information.

If you have any questions or concerns, call our toll-free hotline at 1-800-244-7120, or e-mail us at searsrepcounsel@kmlaw.ca.

We trust the above is helpful. We wish you the best for the holiday season.

Yours truly,

If there is *disagreement* with the determination of the Construction Claim as set out herein, **you must complete the enclosed Notice of Dispute of Construction Claim and deliver such executed Notice of Dispute of Construction Claim to the Monitor such that it is received by the Monitor by 5:00 p.m. (Toronto time) on February 15, 2018 (the "Construction Claims Bar Date").**

Please note that the Construction Claim as set out herein is deemed to include the Construction Claims of you as the Construction Contractor and the Construction Claims of any and all Construction Sub-Contractors under an agreement (written or oral) or otherwise engaged by you as the Construction Contractor or any other Construction Sub-Contractor at any level, in each case in connection with the relevant improvement (each, a "Connected Sub-Contractor" and together the "Connected Sub-Contractors").

However, pursuant to the terms of the Claims Procedure Order, you are to dispute the above Construction Claim on behalf of yourself and any Connected Sub-Contractor with respect to any disputed amount by submitting a Notice of Dispute of Construction Claim. For greater certainty, no Connected Sub-Contractor shall be required to submit a separate Notice of Dispute of Construction Claim in respect of their portion of the above Construction Claim – rather, any such disagreement by a Connected Sub-Contractor is to be included in the Notice of Dispute of Construction Claim submitted by the Construction Contractor.

As a result of the co-ordination that will be required between the Construction Contractor and the Connected Sub-Contractors, the Claims Procedure Order requires you, as the Construction Contractor, to send as soon as possible a copy of both your Notice of Construction Claim and the enclosed Construction Sub-Contractor Instruction Letter to all Construction Sub-Contractors in a direct contractual agreement or engagement with you in connection with the relevant improvement and ensure that every Construction Sub-Contractor sends as soon as possible a copy of both your Notice of Construction Claim and a Construction Sub-Contractor Instruction Letter to all Construction Sub-Contractors with whom they are in a direct contractual agreement or engagement in connection with the relevant improvement.

If a completed Notice of Dispute of Construction Claim in respect of the Construction Claim set out in the Notice of Construction Claim is not received by the Monitor by the Construction Claims Bar Date, then both you and all Connected Sub-Contractors in connection with the relevant improvement shall be deemed to have accepted the Construction Claim set out therein, and no such Construction Claimant shall have any further right to dispute the same as against the Sears Canada Entities and/or their Directors and Officers.

Since you, as the Construction Contractor, are to file the Notice of Dispute of Construction Claim on behalf of yourself and all Connected Sub-Contractors, **it is your responsibility**, as the Construction Contractor, to give each Connected Sub-Contractor the opportunity to determine and negotiate with you, any rights they may have with respect to the Construction Claim and incorporate it into the Notice of Dispute of Construction Claim.

IF A NOTICE OF DISPUTE OF CONSTRUCTION CLAIM IS NOT RECEIVED BY THE MONITOR WITHIN THE PRESCRIBED TIME PERIOD, THE CONSTRUCTION CLAIM AS SET OUT IN THE NOTICE OF CONSTRUCTION CLAIM WILL BE BINDING ON YOU AND ALL CONNECTED SUB-CONTRACTORS.

This Notice of Construction Claim does not affect any Claim other than the Construction Claim referred to herein. This Notice of Construction Claim should include all Construction Claims (as defined in the Claims Procedure Order) that you may have. If you believe it does not contain the entirety of your Construction Claim, you must include your whole Construction Claim in the Notice of Dispute of Construction Claim. If you (or any other Person, including any Connected Sub-Constructor) have any Claim that is not a Construction Claim, then you (or such other Person) must file that Claim separately in accordance with the Claims Procedure Order.

Construction Claim of the Construction Contractor (i.e., the party who has the direct contractual relationship with one of the Sears Canada Entities) in relation to that Improvement.

RESPONSIBILITIES OF CONSTRUCTION SUB-CONTRACTORS IN CLAIMS PROCESS

As a part of the Claims Process, the Construction Contractor relevant to the Improvement has received a Notice of Construction Claim indicating the Construction Claim (including any D&O Claim relating thereto) as valued by the Sears Canada Entities, in consultation with the Monitor.

Please note that, under the Claims Procedure Order, any Construction Claims you may have as a Construction Sub-Contractor as well as the Construction Claims of any other Construction Sub-Contractor at any level in relation to the Improvement (each, a "**Connected Sub-Contractor**") are deemed to be included in that Construction Claim.

If you believe that the Construction Claim as set out in the Notice of Construction Claim that has been sent to the Construction Contractor is incorrect, then the Construction Contractor, on behalf of itself and all Connected Sub-Contractors, including you, is able to dispute such Construction Claim by completing and submitting a Notice of Dispute of Construction Claim to the Monitor such that it must be received by no later than 5:00 p.m. (Toronto time) on February 15, 2018 (the "**Construction Claims Bar Date**"). However, it is the Construction Contractor's responsibility (and not you or any other Connected Sub-Contractor) to submit a Notice of Dispute of Construction Claim to dispute the Construction Claim. For greater certainty, neither you nor any other Construction Sub-Contractor is required to submit a separate Notice of Dispute of Construction Claim in respect of its Construction Claim to the extent that such Construction Sub-Contractor's Construction Claim is captured by the Construction Contractor's Notice of Construction Claim or Notice of Dispute of Construction Claim. **Please contact the Monitor should you believe that your Construction Claim is not fully captured by the Construction Contractor's Notice of Dispute of Construction Claim (or Notice of Construction Claim if a Notice of Dispute of Construction Claim is not submitted by the Construction Contractor).**

If a Notice of Dispute of Construction Claim is not received by the Monitor by the Construction Claims Bar Date, then all Construction Claimants relevant to the Construction Claim (including you and all other Connected Sub-Contractors) shall be deemed to have accepted the Construction Claim set out in the Notice of Construction Claim, and no such Construction Claimant shall have any further right to dispute the same as against the Sears Canada Entities and/or their Directors and Officers.

It is your responsibility as a Construction Sub-Contractor to contact the Construction Contractor directly to:

- (a) **determine and negotiate** with the Construction Contractor any rights you, as the Construction Sub-Contractor, may have with regard to the Construction Contractor's aggregate Construction Claim; and
- (b) **ensure that any Construction Claim you may have is accounted for** – either in the Construction Claim as assessed in the Notice of Construction Claim sent to the Construction Contractor, or in a Notice of Dispute of Construction Claim to be submitted by the Construction Contractor within the prescribed time period.

Note that the Claims Procedure Order further requires you, as a Construction Sub-Contractor, to send as soon as possible a copy of the Notice of Construction Claim and this Construction Sub-Contractor Instruction Letter to all Construction Sub-Contractors in a direct contractual agreement or engagement with you in connection with the Improvement. This is intended to give all Connected Sub-Contractors at every level the opportunity to determine and negotiate with the Construction Contractor any rights they may have with respect to the Construction Claim.

Construction Sub-Contractors requiring further information should contact their Construction Contractor, but may also contact the Monitor at the following address:
