## INTRODUCTION

1. On January 27, 2015, Bloom Lake General Partner Limited (“**Bloom Lake GP**”), Quinto Mining Corporation (“**Quinto**”), 8568391 Canada Limited and Cliffs Québec Iron Mining ULC (“**CQIM**”) (collectively, the “**Bloom Lake Petitioners**”) sought and obtained an initial order (as amended, restated or rectified from time to time, the “**Bloom Lake Initial Order**”) under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) from the Superior Court of Quebec (the “**Court**”), providing for, *inter alia*, a stay of proceedings against the Bloom Lake Petitioners until February 26, 2015, (the “**Bloom Lake Stay Period**”) and appointing FTI Consulting Canada Inc. as monitor (the “**Monitor**”). The relief granted in the Bloom Lake Initial Order was also extended to The Bloom Lake Iron Ore Mine Limited Partnership (“**Bloom Lake LP**”) and Bloom Lake Railway Company Limited (together with Bloom Lake LP, the “**Bloom Lake Mises-en-Cause**” and together with the Bloom Lake Petitioners, the “**Bloom Lake CCAA Parties**”). The proceedings commenced under the CCAA by the Bloom Lake CCAA Parties will be referred to herein as the “**CCAA Proceedings**”.
2. On May 20, 2015, the CCAA Proceedings were extended to include Wabush Iron Co. Limited (“**WICL**”), Wabush Resources Inc. (“**WRI**” and together with WICL, the “**Wabush Petitioners**”), Wabush Mines, Arnaud Railway Company and Wabush Lake Railway Company Limited (collectively the “**Wabush Mises-en-Cause**” and together with the Wabush Petitioners, the “**Wabush CCAA Parties**”) pursuant to an initial order (as amended, restated or rectified from time to time, the “**Wabush Initial Order**”) providing for, *inter alia*, a stay of proceedings against the Wabush CCAA Parties until June 19, 2015, (the “**Wabush Stay Period**”). The Bloom Lake CCAA Parties and the Wabush CCAA Parties will be referred to collectively herein as the “**CCAA Parties**”.
3. The Bloom Lake Stay Period and the Wabush Stay Period (together, the “**Stay Period**”) have been extended from time to time and currently expires on June 30, 2017.

4. On April 17, 2015, Mr. Justice Hamilton J.S.C. granted an Order approving, as it relates to the Bloom Lake CCAA Parties, a sale and investor solicitation process (as may be amended from time to time, the “**SISP**”) involving the business and assets of the Bloom Lake CCAA Parties. The SISP was subsequently amended and restated to reflect the inclusion of the Wabush CCAA Parties in the CCAA Proceedings and was approved nunc pro tunc as it relates to the Wabush CCAA Parties pursuant to an Order granted June 9, 2015 (together with the April 17, 2015 Order, the “**SISP Order**”).
5. At a hearing on January 30, 2017, Mr. Justice Hamilton J.S.C. instructed the Monitor to report to the Court on a monthly basis on progress toward a transaction for the sale of the Wabush Mine including, confidentially to the Court, details with respect to the ongoing negotiations with the various parties that have expressed interest in the acquisition of the Wabush Mine.
6. To date, the Monitor has filed thirty-one reports in respect of various aspects of the CCAA Proceedings. The purpose of this, the Monitor’s Thirty-Second Report (this “**Report**”), is to provide information to the Court with respect to:
  - (a) The procedure implemented by the Wabush CCAA Parties, in consultation with the Monitor, to formalize efforts to sell the Wabush Mine (the “**Wabush Mine Sale Procedure**”); and
  - (b) By way of confidential and sealed appendices, details of the current state of negotiations with each of the parties that have expressed interest in the acquisition of the Wabush Mine.

#### **TERMS OF REFERENCE**

7. In preparing this Report, the Monitor has relied upon unaudited financial information of the CCAA Parties, the CCAA Parties’ books and records, certain financial information prepared by the CCAA Parties and discussions with various parties (the “**Information**”).
8. Except as described in this Report:

- (a) The Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook; and
  - (b) The Monitor has not examined or reviewed financial forecasts and projections referred to in this Report in a manner that would comply with the procedures described in the Chartered Professional Accountants of Canada Handbook.
9. The Monitor has prepared this Report to provide information to the Court in respect of progress towards a transaction for the sale of the Wabush Mine as instructed by Mr. Justice Hamilton J.S.C. and should not be relied on for other purposes.
10. Future oriented financial information reported or relied on in preparing this Report is based on management's assumptions regarding future events; actual results may vary from forecast and such variations may be material.
11. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars. Capitalized terms not otherwise defined herein have the meanings defined in the Bloom Lake Initial Order, the Wabush Initial Order or previous reports of the Monitor.

## **BACKGROUND**

12. As previously reported to the Court, the SISP did not result in any transaction in respect of the Wabush Mine.
13. As reported in the Monitor's Twenty-Fourth Report and the Monitor's Thirty-First Report, since the expiry of the SISP, the Wabush CCAA Parties have completed Court-approved sales of all of the Major Mobile Equipment located at the Wabush Mine.

14. The real estate assets, infrastructure and fixtures that comprise the Wabush Mine and the remaining movable assets located at the Wabush Mine remain unsold (collectively, the “**Wabush Mine Assets**”).
15. In its Thirty-First Report, the Monitor reported on continuing discussions with two unnamed parties expressing interest in acquiring the Wabush Mine, referred to therein as the “New Interested Party” and the “Additional Interested Party”, and MFC. For simplicity, the New Interested Party and the Additional Interested Party will be referred to herein as “**Interested Party One**” and “**Interested Party Two**” respectively.
16. In addition to the three aforementioned parties, a proposal was received for the potential acquisition of parts of the Wabush Mine for a purpose other than a restart of mining operations at the Wabush Mine, which proposal was of no perceived benefit to the estate and was rejected by the Wabush CCAA Parties following consultation with the Monitor. The party submitting that proposal will be referred to herein as “**Interested Party Four**”. Interested Party One, Interested Party Two, MFC and Interested Party Four will be referred to collectively herein as the “**Interested Parties**”.

#### **THE WABUSH MINE SALE PROCEDURE**

17. Capitalized terms used in this section of this Report not otherwise defined are as defined in the Wabush Mine Sale Procedure.
18. Given the multiple parties expressing interest in the Wabush Mine Assets, the Wabush CCAA Parties, in consultation with the Monitor, determined that it would be appropriate to establish a formal procedure for the sale of the Wabush Mine Assets to ensure a fair and transparent process for all parties concerned and to aid the Court in assessing the factors that are to be considered by the Court in deciding whether to approve any transaction for the Wabush Mine Assets.

19. Accordingly, the Wabush Mine Sale Procedure was developed by the Wabush CCAA Parties, in consultation with the Monitor, and was communicated to each of the Interested Parties on February 27, 2017. The Interested Parties are the only parties that have indicated any current interest in the acquisition of the Wabush Mine Assets. Given the results of the SISP, the significant passage of time since its expiry and the widespread knowledge that the Wabush Mine remains available, the Wabush CCAA Parties do not intend to proactively approach other parties for the Wabush Mine Sale Procedure, though any other party that expresses a *bona fide* interest in the Wabush Mine Assets will be allowed to participate in the Wabush Mine Sale Procedure.
  
20. The Wabush Mine Sale Procedure, a copy of which is attached hereto as **Appendix A**<sup>1</sup>, sets out:
  - (a) The requirement that all Binding Offers for the Wabush Mine Assets, together with a deposit of \$750,000 and the other items set out in the Wabush Mine Sale Procedure, must be received by the Vendors no later than 5:00 p.m. (Toronto time) on Monday, March 27, 2017 or such later date and/or time as the Vendors may, in consultation with the Monitor, determine appropriate (the “**Binding Offer Deadline**”);
  - (b) The manner and timeline in which an Interested Party may submit a Binding Offer for all or substantially all of the Wabush Mine Assets and the required contents of a Binding Offer;
  - (c) The process and criteria for the ultimate selection of a Successful Bid, if any; and
  - (d) The process for obtaining approval of a Successful Bid, if any.
  
21. Pursuant to the Wabush Mine Sale Procedure, prior to the Binding Offer Deadline:

---

<sup>1</sup> Without Exhibit A, the Form of Definitive Agreement, which is attached to this Report as Confidential Appendix F

- (a) Each Prospective Bidder will continue to have an opportunity to complete due diligence, including any site visits arranged or to be arranged on reasonable notice to the Vendors, provided that access to certain due diligence information may require entry into a confidentiality agreement, in form and substance satisfactory to the Vendors, in consultation with the Monitor;
  - (b) The Vendors, with the assistance of the Monitor, will exercise commercially reasonable efforts, with due regard to the limited number of employees employed by the Vendors, to satisfy any reasonable due diligence request from a Prospective Bidder; and
  - (c) Prospective Bidders will be entitled to seek to clarify with the Vendors the terms in respect of any Binding Offer that is intended to be ultimately submitted by a Prospective Bidder and the Vendors may discuss or negotiate with or provide any Prospective Bidder with further mark-ups of the proposed form of Definitive Agreement submitted by the Prospective Bidder, or any part thereof, prior to the Binding Offer Deadline.
22. In order to facilitate the review and comparison of any bids, the Wabush Mine Sale Procedure requires that all Prospective Bidders work off the Form of Definitive Agreement, a word version of which was provided to each of the Interested Parties as Exhibit A to the Wabush Mine Sale Procedure on February 27, 2017. A copy of the Form of Definitive Agreement is attached hereto as **Confidential Appendix F**.
23. The Wabush Mine Sale Procedure is not designed to preclude discussions or negotiations with the Interested Parties or other Prospective Bidders prior to the Binding Offer Deadline. In that regard, the Wabush CCAA Parties have informed each Interested Party that they remain available to discuss, prior to the Binding Offer Deadline, terms or specific language that the Interested Party might seek to include in any Binding Offer it may make.

## THE CURRENT STATUS OF NEGOTIATIONS

24. The Monitor's understanding of the current status of negotiations with Interested Party One is set in **Confidential Appendix B**.
25. The Monitor's understanding of the current status of negotiations with Interested Party Two is set in **Confidential Appendix C**.
26. The Monitor's understanding of the current status of negotiations with MFC is set in **Confidential Appendix D**.
27. The Monitor's understanding of the current status of negotiations with Interested Party Four is set in **Confidential Appendix E**.

The Monitor respectfully submits to the Court this, its Thirty-Second Report.

**The Wabush Mine Sale Procedure  
(without Exhibit A, the Form of Definitive Agreement)**

## Appendix "A"

### Wabush Mines, Wabush Resources Inc., Wabush Iron Co. Limited, Wabush Lake Railway Company Limited (collectively, the "Vendors")

#### Scully Mine Sale Procedures

These sale procedures (the "**Sale Procedures**") have been developed by the Vendors, in consultation with the Monitor, and set out the procedures for a potential transaction involving the acquisition of all of the Vendors' right, title and interest in all or substantially all of the remaining assets (collectively, the "**Scully Mine Assets**") related to the business of an iron ore mine and processing facility located north of the Town of Wabush in Newfoundland and Labrador, commonly known as either the Wabush mine or the Scully mine (the "**Scully Mine**") and the federally regulated Wabush Lake railway which connects the Scully Mine to the railway tracks owned by Northern Land and previously used for, among other things, the transportation of iron ore concentrate from the Scully Mine.

Further to the request of the Honourable Mr. Justice Stephen W. Hamilton on January 30, 2017 (the "**Progress Report Request**"), the Monitor will report to the Court on these Sale Procedures and their status and, on a confidential and sealed basis, the status of any discussions or negotiations with any of the Prospective Bidders.

#### Defined Terms

1. All capitalized terms used herein and not otherwise defined shall have the meanings given to them in **Appendix "A"** hereto.

#### Sale Procedures

2. These Sale Procedures describe, among other things:
  - (a) the requirement that all Binding Offers for the Scully Mine Assets, together with a cash deposit of CAD \$750,000 (the "**Deposit**") and the other items set out in the Sale Procedures, must be received by the Vendors no later than **5:00 p.m. (Toronto time) on Monday, March 27, 2017** or such later date and/or time as the Vendors may, in consultation with the Monitor, determine appropriate (the "**Binding Offer Deadline**");
  - (b) the manner and timeline in which Prospective Bidders may submit a Binding Offer for all or substantially all of the Scully Mine Assets and the required contents of a Binding Offer. These Sale Procedures are not designed to preclude discussions or negotiations with the various Prospective Bidders prior to the Binding Offer Deadline;
  - (c) the process and criteria for the ultimate selection of a Successful Bid (if any); and
  - (d) the process for obtaining approval of a Successful Bid (if any).

#### Conduct of the Sale Procedures

3. The Sale Procedures will be carried out by the Vendors, with the assistance of and in consultation with the Monitor.

4. Until the approval of a Successful Bid (if any) or as may be otherwise ordered by the Court, the Monitor will continue to provide the Court with monthly progress reports (each, a **“Progress Report”**) pursuant to the Progress Report Request. Each Progress Report will include, on a confidential and sealed basis, updates on the status of ongoing discussions and negotiations with each Prospective Bidder and the Successful Bidder (if any).

**“As is, Where is”**

5. Any Sale will be on an “as is, where is” and “without recourse” basis and without surviving representations, warranties, covenants or indemnities of any kind, nature or description by the Vendors, Monitor or any of their respective Representatives, except to the extent expressly set forth in a Definitive Agreement with a Successful Bidder (if any).
6. The Vendors and the Monitor and their respective Representatives are not responsible for, and will have no liability with respect to, any information obtained by any Prospective Bidder or Successful Bidder (if any) in connection with the Scully Mine Assets. The Vendors, Monitor and their respective Representatives do not make any representations or warranties whatsoever as to the completeness or accuracy of the documents or information posted on the Data Room or otherwise provided to or made available to any Prospective Bidder or the Successful Bidder (if any).

**Submission of Binding Offers**

7. Prior to the Binding Offer Deadline:
  - (a) each Prospective Bidder will continue to have an opportunity to complete due diligence (including any site visits arranged or to be arranged on reasonable notice to the Vendors), provided that access to certain due diligence information may require entry into a confidentiality agreement, in form and substance satisfactory to the Vendors, in consultation with the Monitor;
  - (b) the Vendors, with the assistance of the Monitor, will exercise commercially reasonable efforts (with due regard to the limited number of employees employed by the Vendors) to satisfy any reasonable due diligence request from a Prospective Bidder; and
  - (c) the Prospective Bidders will be entitled to seek to clarify with the Vendors the terms in respect of any Binding Offer that is intended to be ultimately submitted by a Prospective Bidder, and the Vendors may discuss or negotiate with or provide any Prospective Bidder with further mark-ups of the proposed Form of Definitive Agreement (or any part thereof) prior to the Binding Offer Deadline.
8. Without limiting the Vendors’ discretion with respect to any Binding Offer as set out in this Paragraph 8 and Paragraph 11 below, a Binding Offer will only be eligible to be selected as a Successful Bid if it is submitted in writing by a Prospective Bidder to the Vendors, with a copy to the Monitor (in each case, in accordance with the notice provision set out in Paragraph 15 below) and complies with all of the following conditions:
  - (a) it is received by no later than the Binding Offer Deadline;

- (b) it includes a letter stating that the Binding Offer is irrevocable until the earlier of (i) 11:59 p.m. (Toronto time) on the Business Day following the closing of a Successful Bid (if any), and (ii) 11:59 p.m. (Toronto time) on June 12, 2017;
- (c) it includes a duly authorized and executed Definitive Agreement based on the Form of Definitive Agreement and accompanied by a mark-up (in the form of a blackline and clean word version) of the Form of Definitive Agreement showing proposed amendments and modifications made thereto (if any), specifying the consideration, and such ancillary agreements as may be required by the Prospective Bidder with all exhibits and schedules thereto (other than the Assignment Order);
- (d) it fully discloses the identity of each entity that is bidding or otherwise that will be sponsoring or participating in the Binding Offer, including the identification of the Prospective Bidder's direct and indirect owners and their principals, and the complete terms of any such participation;
- (e) it includes evidence sufficient to allow the Vendors, in consultation with the Monitor, to make a reasonable determination as to the Prospective Bidder's (and parent entities, owners and/or sponsors, as applicable) financial and other capabilities to satisfy all obligations and conditions that are to be performed by the Prospective Bidder under the Definitive Agreement on closing (collectively, the "**Purchaser Obligations**"), including the payment of the Purchase Price and Cure Costs (as each term is defined in the Form of Definitive Agreement). Such evidence could include but is not limited to evidence of a firm, irrevocable commitment for all required funding and/or financing from a creditworthy entity;
- (f) if the Prospective Bidder is an entity newly formed for the purpose of the transaction, the Binding Offer shall contain a guarantee by the Prospective Bidder's parent entities, owners and/or sponsors, as applicable, in form and substance satisfactory to the Vendors, in consultation with the Monitor;
- (g) it is not conditioned on the outcome of unperformed due diligence by the Prospective Bidder;
- (h) it is accompanied by the Deposit payable to the Monitor by wire transfer of immediately available funds (to a trust account specified by the Monitor), in trust, which will be dealt with in accordance with Paragraph 14; and
- (i) it contains such other information that is reasonably requested by the Vendors, in consultation with the Monitor.

Notwithstanding the foregoing requirements, the Vendors, in consultation with the Monitor, may waive compliance with any one or more of the requirements set out above and deem such non-compliant Binding Offer as eligible to be selected as a Successful Bid.

#### **Assessment of Binding Offers**

9. Following the Binding Offer Deadline, the Vendors shall (i) be entitled to seek to clarify the terms of any Binding Offer that has been submitted and, in consultation with the Monitor, (ii) assess any Binding Offers received and determine whether any of the transactions contemplated by such Binding Offers are likely to be able to be

consummated and whether proceeding with any of the Binding Offers is in the best interests of the Vendors and their stakeholders.

10. If the Vendors, in consultation with the Monitor, determine that one or more of the Binding Offers submitted in accordance with paragraph 8 contemplates a transaction that is likely to be able to be consummated, then the Vendors may, in consultation with the Monitor (i) select the “**Successful Bid**” (and the Prospective Bidder making the Successful Bid shall be a “**Successful Bidder**”), or (ii) continue negotiations with one or more Prospective Bidders in respect of one or more of such Binding Offers as the Vendors, in consultation with the Monitor, may determine, with a view to selecting one of the Binding Offers as the Successful Bid, and take such steps as are necessary to finalize and complete a Definitive Agreement for the Successful Bid.
11. The Vendors, in consultation with the Monitor, may at any time, (i) reject any Binding Offer that is (a) inadequate or insufficient, (b) not in conformity with the requirements of the CCAA, these Sale Procedures or any orders of the Court applicable to the Vendors, or (c) contrary to the best interests of the applicable Vendors; (ii) in accordance with the terms hereof, accept any Binding Offer not in conformity with these Sale Procedures to the extent that the applicable Vendors determine, in their reasonable business judgment after consultation with the Monitor, that doing so would benefit the applicable Vendors; (iii) extend the Binding Offer Deadline; and/or (iv) reject one or more or all Binding Offers. For greater certainty, the Vendors shall be under no obligation to (i) continue negotiations with any Prospective Bidder, and/or (ii) accept any Binding Offer, including the highest or best Binding Offer and the selection of the Successful Bid, if any, shall be entirely in the discretion of the Vendors, after consultation with the Monitor.

#### **Selection Criteria**

12. In selecting the Successful Bid (if any), the Vendors, in consultation with the Monitor, will consider, among other things, the following evaluation criteria: (i) the proposed purchase price (including assumed liabilities and other obligations to be performed by the Prospective Bidder); (ii) the claims likely to be created by such Binding Offer in relation to other Binding Offers; (iii) the counterparties to the proposed transaction; (iv) the terms of proposed transaction documents, including the extent of any mark-ups to the Form of Definitive Agreement; (v) other factors affecting the speed, certainty and value of the proposed transaction (including scope and nature of regulatory approvals required to close the proposed transaction and the existence of other closing conditions and representations and warranties); (vi) proposed treatment of creditors and other stakeholders, generally; (vii) the assets proposed to be included and excluded from the Binding Offer; and (viii) the likelihood and timing of consummating the proposed transaction.

#### **Approval Hearing**

13. As soon as reasonably practicable after the execution of a Definitive Agreement by the Vendors and the Successful Bidder, and subject to the terms of such Definitive Agreement, the Vendors shall apply to the Court for an Approval and Vesting Order and if applicable, an Assignment Order.

### **Deposits**

14. All Deposits shall be retained by the Monitor and deposited in a non-interest bearing trust account. If there is a Successful Bid, the Deposit paid by the Successful Bidder will be held and dealt with in accordance with the provisions of the Definitive Agreement. The Deposits of Prospective Bidders not selected as a Successful Bidder shall be returned to such bidders within five (5) Business Days after the date on which their Binding Offer is no longer irrevocable in accordance with Paragraph 8(b), as applicable.

### **Notice**

15. Any notice, submission or other communication required or permitted to be given or made under these Sale Procedures shall be in writing and sent by e-mail to the following applicable addresses:

### **General**

16. All Binding Offers (other than the Successful Bid) will be deemed rejected at 11:59 p.m. Toronto time on the Business Day following the closing of a Successful Bid.
17. Except with respect to the treatment of the Deposit as set forth in Paragraph 14 above, these Sale Procedures do not, and will not, be interpreted to create any contractual or other legal relationship between the Vendors and any Prospective Bidder, other than as specifically set forth in any Definitive Agreements that may be signed with the Vendors.
18. Unless otherwise indicated herein, any event that occurs on a day that is not a Business Day shall be deemed to occur on the next Business Day.
19. All dollar amounts expressed herein, unless otherwise noted, are in Canadian currency.
20. Each Prospective Bidder that submits a Binding Offer shall be deemed to have irrevocably and unconditionally attorned and submitted to the jurisdiction of the Court in respect of any action, proceeding or dispute in relation to the conduct or any aspect of the Sale Procedures.
