Dear Sir:

**Re: Repossession of Equipment – In the matter of the Companies’ Creditors Arrangement Act – Bloom Lake General Partner Limited, Quinto Mining Corporation, 8568391 Canada Limited and Cliffs Québec Iron Mining ULC**

We represent *SMS Equipment Inc.* (“SMS”) in the present matter.

We refer to the initial order issued on January 27, 2015 by the Québec Superior Court (the “**Court**”) under the *Companies’ Creditors Arrangement Act* (“**CCAA**”) with respect to *Bloom Lake General Partner Limited, Quinto Mining Corporation, 8568391 Canada Limited and Cliffs Québec Iron Mining ULC*, as well as *Bloom Lake Iron Ore Mine Limited Partnership, Bloom Lake Railway Company Limited, and SEC Mine de Fer du Lac Bloom* (collectively “**Cliffs**”), as amended thereafter (the “**Initial Order**”).

SMS has been recently contacted by representatives of Cliffs with respect to the repossession of equipment referred to as a *RH340 Bucket* bearing serial number 36886/6 SM 1/09 CH 111 25CRM04 which would currently be under the possession of SMS (the “**Cliffs Equipment**”). More specifically, we understand that Cliffs has presented SMS with a proposal whereby Cliffs would repossess the Cliffs Equipment in exchange for the remittance to SMS of a specific equipment owned by SMS and currently located on the premises of Cliffs (the “**Cliffs Proposal**”).

Indeed, Cliffs is presently in possession of the following SMS equipment to which it is referring to:

- a “*WA1200-6 Hensley*” bucket equipped with a “*KVX Ground Engaging Tools System*”, bearing the serial number 72367 (the “**SMS Equipment**”);

The SMS Equipment is not part of Cliffs’ estate and is not held by Cliffs pursuant to any rights resulting from a sale or lease agreement that would be in effect or ongoing, nor is it necessary for Cliffs’ restructuring efforts. The SMS Equipment only represents equipment which was physically left with Cliffs at its Bloom Lake Mine premises in the normal course of their mutual business relations and dealings. No consideration or compensation is currently being paid to SMS for the possession or use of the SMS Equipment.

Therefore, we hereby confirm that SMS now wishes to repossess the SMS Equipment. In this respect, you will find attached hereto as **Appendix A** the relevant information and documents evidencing SMS’ property rights over the SMS Equipment.

- Bill of Lading, dated October 16, 2014, in reference to *Movement Memo #EMM088480*
- Movement Memo #EMM091140
- 3 photos where the SMS WA1200 is shown.

That being said, as you may know, Cliffs retained the services of SMS on or about July 24, 2014 to proceed with various repairs and maintenance work. In accordance with Cliffs’ instructions, SMS proceeded with said work on the Cliffs Equipment, which was completed on November 14, 2014, the whole as evidenced by the work order submitted to SMS by Cliffs together with SMS’ invoices as of the date hereof (the “**Invoices**”) (copies of the work order and invoices being attached hereto as **Appendix B**).

As it appears from the Invoices, as of the date hereof, Cliffs owes to SMS the amount of US\$523,046.05, taxes included, in unpaid work and services with respect to the Cliffs Equipment. Please note that this claim, which is specifically related to the work done on

the Cliffs Equipment, is part of the overall claim of SMS against Cliffs, which will be submitted in due course.

As such, please note that SMS is invoking its right to retain the Cliffs' Equipment under section 1592 of the *Civil Code of Québec* (“**CcQ**”) until full payment of its claim of US\$523,046.05 specific to the services performed on this equipment (the “**SMS Retention Right**”). However, SMS would be willing to consider the Cliffs Proposal and surrender the Cliffs Equipment, but only under the following prior conditions:

- The SMS Equipment is to be remitted to SMS in exchange for the Cliffs Equipment;
- The Cliffs Equipment to be surrendered by SMS is subject to SMS' priority over it, in accordance with section 2770 CcQ, which must be acknowledged by Cliffs and the Monitor *FTI Consulting Inc.*;
- Given the CCAA proceedings, the present agreement shall be authorized and approved by the Court, and SMS' priority over the Cliffs Equipment will have to be formalized by way of a first-ranking charge over it ordered by the Court, which shall have priority over the Administration Charge and the Directors' Charge (as this terms are defined in the Initial Order) and any other future Court-ordered charges;

#### **Additional Equipment**

We also bring to your attention that SMS currently has possession of two additional equipment belonging to Cliffs: one *Duratray Truck Box*, and one *L1850 Bucket*. SMS has performed work on the *Duratray Truck Box* which was covered by warranty, and the *L1850 Bucket* was simply left by Cliffs on SMS' premises prior to the Initial Order. Cliffs has never followed through with SMS since about the work to be performed on it. SMS is currently incurring costs for the storage of the *Duratray Truck Box*, and the *L1850 Bucket*, and hereby request from Cliffs that the *Duratray Truck Box* and the *L1850 Bucket* be repossessed by Cliffs promptly.

Finally, the Motion for an Order Approving A Sale and Investor Solicitation Procedure has been brought to the attention of SMS (the “**SISP Motion**”). We understand that the SMS Equipment is not affected by the SISP Motion as said Sale and Investor Solicitation procedure (the “**SISP**”) and the orders sought pursuant to the SISP Motion, only relate to assets and properties of the CCAA Parties and/or the Non-CCAA Parties, and not the SMS Equipment as they represent assets owned by SMS.

As well, we understand that any sale of Cliffs' assets resulting from the SISP shall be submitted to the Court for the issuance of an approval and vesting order (an "**Approval Order**"). Please note that SMS reserves its rights to make appropriate representations to the Court, as needed, in order to preserve *inter alia* its rights with respect to the SMS Retention Right in the context of such sale, should an eventual agreement between SMS and Cliffs not be reached under the terms indicated above.

We will await your response with respect to the matters mentioned above. We are available to discuss at your convenience.

Yours truly,

**FASKEN MARTINEAU DuMOULIN LLP**
