4. Pursuant to the Wabush Initial Order (R-1), *inter alia*, the Monitor was appointed as the monitor of the Wabush CCAA Parties, and a stay of proceedings was granted in respect of the Wabush CCAA Parties until June 19, 2015 (subsequently extended from time to time, and most recently until September 30, 2016 by Order dated April 20, 2016);
5. On November 5, 2015, the Honourable Justice Stephen W. ## II. OVERVIEW OF WABUSH CCAA PROCEEDINGS

11. As stated in paragraphs 16 to 19 and 21 of the *Motion for the Issuance of an Initial Order* of the Wabush CCAA Parties dated May 19, 2015 (the **Wabush Initial Motion**), a copy of which is communicated herewith as **Exhibit R-4**, there were no operations as of the date of the Wabush Initial Order at either the Wabush Pointe-Noire pellet plant (the **Pointe-Noire Plant**) or the Wabush Mine (as defined in the Wabush Initial Motion);
12. The Pointe-Noire Plant had been shut down in June 2013, while the Wabush Mine was shut down in the first quarter of 2014, and substantially all of the employees at both sites had been terminated or laid off prior to the issuance of the Wabush Initial Order, as stated in paragraphs 37 and 38 and 87 to 96 of the Wabush Initial Motion (R-4);
13. The Wabush Initial Order (R-1) provided for *inter alia*:
  - a) The creation of non-priming charges, including an Administration Charge for an aggregate amount of \$1,750,000, a Directors' Charge for an aggregate amount of \$2,000,000, and an Interim Lender Charge for an aggregate amount of \$15,000,000 (each as defined in the Wabush Initial Order, and collectively referred to as the **CCAA Charges**);

14. On June 9, 2015, the Court issued an order with respect to the Wabush CCAA Parties (the **Wabush Comeback Order**), a copy of which is communicated herewith for ease of reference as **Exhibit R-5**, which provided for *inter alia*:

- a) The approval on a *nunc pro tunc* basis of the **SISP** (as defined therein) with respect to the Wabush CCAA Parties;
- b) The creation of the **Sale Advisor Charge** (as defined in paragraph 16 thereof);
- c) The priority status of the CCAA Charges and the Sale Advisor Charge, to rank ahead of all Encumbrances (as defined therein), subject to the rights of the various parties having objected to the priming of the Interim Lender Charge;
- d) The adjournment to June 22, 2015 of the debate as to both the proposed priority of the Interim Lender Charge and the suspension by the Wabush CCAA Parties of its special payments to the DB Plans (as defined below), as follows:

For greater certainty, the CCAA Charges only extend to assets or rights against assets over which the Wabush CCAA Parties hold or acquire title and the Interim Lender's Charge is subject to the Permitted Priority Liens (as defined in the Interim Financing Term Sheet).

[Emphasis added.]

[...]

[Para. 21 of the Port Approval and Vesting Order and para. 19 of the Block Z Approval and Vesting Order. Emphasis added.]

20. The total outstanding amount owing to the Interim Lender under the Interim Financing Documents (as defined in the Port Approval and Vesting Order) was repaid by the Monitor using the proceeds of the sale of the Port Assets, as contemplated in the Port Approval and Vesting Order (R-10);

### III. DEFINED BENEFIT PENSION PLANS AND CONTRIBUTIONS

#### A. Defined Benefit Pension Plans

21. Two of the Pensions Plans in place for the CCAA Parties' Employees contained defined benefit schemes:
  - a) A hybrid pension plan for salaried employees at the Wabush Mine and the Pointe-Noire Port hired before January 1, 2013, known as the Contributory Pension Plan for Salaried Employees of Wabush Mines, Cliffs Mining Company, Managing Agent, Arnaud Railway Company and Wabush Lake Railway Company, registered with the Newfoundland & Labrador Superintendent of Pensions under member 0021314 and the Canada Revenue Agency under number 0343558, which included both defined benefit and defined contribution components (the **Salaried DB Plan**); and
  - b) A pension plan for unionized hourly employees at the Wabush Mine and the Pointe-Noire Port, known as the Pension Plan for Bargaining Unit Employees of Wabush Mines, Cliffs Mining Company, Managing Agent, Arnaud Railway Company and Wabush Lake Railway Company, registered with the Newfoundland & Labrador Superintendent of Pensions under number 024699 and the Canada Revenue Agency under number 0555201 (the **Union DB Plan**, and together with the Salaried Pension Plan, the **DB Plans**);

both of which were administered by Wabush Mines (the **Plan Administrator**), until the DB Plans were terminated in December 2015. The Plan Administrator was subsequently replaced by Morneau Shepell Ltd. (the **Replacement Plan Administrator**), the whole as further detailed herein below;
22. The majority of the employees benefitting from both DB Plans worked in Newfoundland & Labrador. While the members of the Salaried DB Plan are all "provincially" regulated employees, some members of the Union DB Plan were "federally" regulated employees;
23. Accordingly, while the Union DB Plan is made subject to provincial and federal pension legislation, the Salaried DB Plan is exclusively governed by applicable provincial legislation, the whole as set out more fully in Section V. below;
24. On December 15, 2015, the Wabush CCAA Parties received two notices from the Superintendent of Pensions for the Province of Newfoundland & Labrador (the **N&L Superintendent**) announcing the termination, effective as of that date, of both DB Plans (the **N&L Termination Notices**), as appears from the copy of said notices, communicated herewith *en liasse* as **Exhibit R-13**;
25. In the N&L Termination Notice (R-13), the N&L Superintendent noted the following:
  - a) The Wabush CCAA Parties had discontinued or were in the process of discontinuing all of their business operations within the meaning of Section 59(1)(b) PBA; and

- b) The N&L Superintendent was of the opinion that the DB Plans had failed to meet the solvency requirements prescribed by the applicable regulations within the meaning of Section 59(1)(d) PBA;
26. Also on December 15, 2015, the Wabush CCAA Parties received a notice from the Office of the Superintendent of Financial Institutions (**OSFI**), declaring the termination, effective as of that date, of the Union DB Plan (the **OSFI Termination Notice**, and collectively with the N&L Termination Notices, the **Termination Notices**), as appears from a copy of the OSFI Termination Notice, communicated herewith as **Exhibit R-14**;
27. In the OSFI Termination Notice (R-14), OSFI noted the following:
- a) Special payments had been suspended in the CCAA Proceedings;
- b) The Wabush Mine had been shut down and substantially all the Wabush CCAA Parties' employees had been terminated;
- c) OSFI was of the opinion that the DB Plans had failed to meet the prescribed tests and standards for solvency under the PBA;
- d) There had been a cessation of crediting of benefits to plan members;
28. In the Termination Notices (R-13 and R-14), both OSFI and the N&L Superintendent indicated that the Wabush CCAA Parties were required to pay into the pension funds all amounts that would have been required to be paid to meet the prescribed solvency requirements, as well as the amounts necessary to fund the benefits provided for in the DB Plans. Both OSFI and the N&L Superintendent of Pensions also took the position that a deemed trust had arisen in respect of such amounts;
29. On March 30, 2016, upon written requests by the Wabush CCAA Parties, OSFI and the N&L Superintendent appointed the Replacement Pension Plan Administrator in respect to both DB Plans, as appears from the three notices received from OSFI and the N&L Superintendent, communicated herewith *en liasse* as **Exhibit R-15**;

## **B. Employer Contributions**

### **(i) Normal Costs**

30. The normal cost payments were made to the DB Pension Plans by the Wabush CCAA Parties based on the actuarial reports prepared by Towers Watson Canada Inc. in its capacity as consultant to the Plan Administrator (**Towers Watson**) prior to the appointment of the Replacement Pension Plan Administrator;
31. The normal cost payments with respect to the Salaried DB Plan were fully paid as of the Wabush Initial Order, and were in fact overpaid in the amount of \$169,961 as of December 15, 2015, the date of the termination of the Salaried DB Plan, as appears from the summary table with respect to the Salaried DB Plan prepared by the Replacement Pension Plan Administrator (the **Salaried DB Plan Summary**), a copy of which is communicated herewith as **Exhibit R-16**;

32. The normal cost payments with respect to the Union DB Plan were fully paid as of the Wabush Initial Order and continued to be paid up until December 15, 2015, the date of the termination of the Union DB Plan, (including a payment of \$ 22,893 for December 2015 being the amount for the month prorated to the Union DB Plan termination date), as appears from the summary table with respect to the Union DB Plan prepared by the Replacement Pension Plan Administrator (the **Union DB Plan Summary**), communicated herewith as **Exhibit R-17**. It is noted that the Salaried DB Plan Summary and the Union DB Plan Summary appear to have rounding errors in the some of the totals shown thereon;

**(ii) Special Payments**

33. As appears from Section 2 of the Salaried DB Plan Summary (R-16):
- a) The special payments with respect to the Salaried DB Plan required to be paid prior to the date of the Wabush Initial Order were paid in full except for \$3;
  - b) One special payment in the amount of \$273,218 was paid after the date of the Wabush Initial Order and before the granting of the Pension Priority and Suspension Order (R-7), which payment constituted an underpayment of \$1;
  - c) The special payments required to be paid after the date of the Pension Priority and Suspension Order (R-7) , and which, in conformity with the Pension Priority and Suspension Order (R-7), were not paid, amount to \$ 2,185,752;

the whole based on a Towers Watson actuarial report dated September 12, 2014 for actuarial valuation as at January 1, 2014;

34. As appears from Section 2 of the Union DB Plan Summary (R-17):
- a) The special payments with respect to the Union DB Plan required to be paid prior to the date of the Wabush Initial Order were underpaid in the amount of \$146,776;
  - b) One special payment in the amount of \$393,337 was paid after the date of the Wabush Initial Order and before the granting of the Pension Priority and Suspension Order (R-7), which payment constituted an overpayment of \$16,308;
  - c) The special payments required to be paid after the date of the Pension Priority and Suspension Order (R-7), and which, in conformity with the Pension Priority and Suspension Order (R-7), were not paid, amount to \$3,016,232;

the whole based on a Towers Watson actuarial report dated September 12, 2014 for actuarial valuation as at January 1, 2014;

**(iii) Catch-Up Special Payments**

35. In the Wabush Comeback Motion (R-6), the Wabush CCAA Parties indicated that lump sum "catch up" special payments (each, a **Catch-Up Payment**) were estimated to approximately \$5.5 million for both DB Plans would become payable as of July 2015 (at paragraph 88);

36. Subsequently, the Wabush CCAA Parties determined that no such Catch-Up Payment was due in respect of the Salaried DB Plan;
37. The Catch-Up Payment in respect of the Union DB Plan for its part was revised and estimated to be approximately \$1.9 million;
38. In fact, pursuant to a Towers Watson actuarial report dated July 1, 2015 for an actuarial valuation as of January 1, 2015, which only became available after the issuance of the Wabush Initial Order, additional special payments in the aggregate amount of \$3,525,120 were required with respect to the Union DB Plan, as appears the Union DB Plan Summary (R-17);
39. As also appears from Section 3 thereof (R-17), these additional special payments with respect to the Union DB Plan were payable by way of a Catch-Up Payment of \$1,762,560 due August 26, 2015, and thereafter in additional special payments payable in six monthly instalments of \$293,760 starting August 30, 2015;
40. None of these monthly additional special payments were paid by the Wabush CCAA Parties, nor was any Catch-Up Payment made with respect to the Union DB Plan, the whole as contemplated and authorized by the Pension Priority and Suspension Order (R-7);

**(iv) Wind-Up Deficiencies**

41. In the Wabush Comeback Motion (at paragraph 83), based on estimates received from Towers Watson, the Wabush CCAA Parties estimated the wind-up deficits to be approximately \$18.2 million for the Salaried DB Plan and \$23.3 million for the Union DB Plan;
42. The Replacement Pension Plan Administrator is currently in the process of preparing wind-up reports for each of the DB Plans, to include wind-up deficiency calculations (the **Wind-Up Reports**), which are expected to be filed by mid-October 2016. In the meantime, the Replacement Pension Plan Administrator has informed the Monitor that it estimates the wind-up deficits as at December 16, 2015, to be approximately \$26.7 million for the Salaried DB Plan and \$27.7 million for the Union DB Plan;

**(v) Summary of Amounts Owing**

43. In summary and based on the foregoing, the amounts owing to the Salaried and Union DB Plans based on payment due date are as follows:

	<b>Salaried DB Plan</b>	<b>Union DB Plan</b>
<b>Normal Cost Payments</b>		
Pre-filing	\$0	\$0

- a) With respect to the Salaried DB Plan, (i) a secured Claim in the amount of \$24,000,000 against Wabush Mines, Arnaud Railway and Wabush Railway (for the wind-up deficit), and (ii) a Restructuring Claim in the amount of \$1,932,940 against Wabush Mines, Arnaud Railway and Wabush Railway (for unpaid special payments), the whole as appears from said Proof of Claim (in the amount finally determined in accordance with the Claims Procedure Order, the **Salaried DB Plan Claim**), a copy of which is communicated herewith as **Exhibit R-18**; and
  - b) With respect to the Union DB Plan, (i) a secured Claim in the amount of \$29,000,000 against Wabush Mines, Arnaud Railway and Wabush Railway (for the wind-up deficit), and (ii) a Restructuring Claim in the amount of \$6,059,238 against Wabush Mines, Arnaud Railway and Wabush Railway (for unpaid special payments), the whole as appears from said Proof of Claim (in the amount finally determined in accordance with the Claims Procedure Order, the **Union DB Plan Claim**), a copy of which is communicated herewith as **Exhibit R-19**;

## V. APPLICABLE STATUTORY REGIME

46. As noted above, the DB Plans are regulated under the PBSA and the PBA, both statutes including provisions with respect to deemed trusts applicable under certain circumstances with respect to unpaid pension contributions, the whole as set out below;

## A. PBSA

47. Section 8(1) of the PBSA requires an employer to segregate funds from its own moneys, including for certain types of payments owing to the pension fund, and further provides that a trust is deemed to have arisen with respect to said funds for the benefit of the pension members:

**8 (1)** An employer shall ensure, with respect to its pension plan, that the following amounts are kept separate and apart from the employer's own moneys, and the employer is deemed to hold the amounts referred to in paragraphs (a) to (c) in trust for members of the pension plan, former members, and any other persons entitled to pension benefits under the plan:

- (a) the moneys in the pension fund,
- (b) an amount equal to the aggregate of the following payments that have accrued to date:
  - (i) the prescribed payments, and
  - (ii) the payments that are required to be made under a workout agreement; and
- (c) all of the following amounts that have not been remitted to the pension fund:
  - (i) amounts deducted by the employer from members' remuneration, and
  - (ii) other amounts due to the pension fund from the employer, including any amounts that are required to be paid under subsection 9.14(2) or 29(6).

[Emphasis added.]

48. Section 8(2) PBSA provides that the amounts deemed to be held in trust pursuant to Section 8(1) shall not form part of the estate of the employer upon in the event of its liquidation, assignment or bankruptcy:

**(2)** In the event of any liquidation, assignment or bankruptcy of an employer, an amount equal to the amount that by subsection (1) is deemed to be held in trust shall be deemed to be separate from and form no part of the estate in liquidation, assignment or bankruptcy, whether or not that amount has in fact been kept separate and apart from the employer's own moneys or from the assets of the estate.

[Emphasis added.]

49. Section 29 PBSA permits OSFI to declare the whole or part of a pension plan terminated in certain circumstances, and further provides for payments by the employer into the pension fund upon termination:

**29 [...] (2)** The Superintendent may declare the whole or part of a pension plan terminated where

- (a) there is any suspension or cessation of employer contributions in respect of all or part of the plan members;
- (b) the employer has discontinued or is in the process of discontinuing all of its business operations or a part thereof in which a substantial portion of its employees who are members of the pension plan are employed; or
- (c) the Superintendent is of the opinion that the pension plan has failed to meet the prescribed tests and standards for solvency in respect of funding referred to in subsection 9(1).

**(2.1)** The Superintendent may also declare the whole of a pension plan terminated if there is a cessation of crediting of benefits to the plan members.

**(3)** In a declaration made under subsection (2) or (2.1), the Superintendent shall declare a pension plan or part of a pension plan, as the case may be, to be terminated as of the date that the Superintendent considers appropriate in the circumstances.

[...]

**(6)** If the whole of a pension plan is terminated, the employer shall, without delay, pay into the pension fund all amounts that would otherwise have been required to be paid to meet the prescribed tests and standards for solvency referred to in subsection 9(1) and, without limiting the generality of the foregoing, the employer shall pay into the pension fund

**(a)** an amount equal to the normal cost that has accrued to the date of the termination;

**(b)** the amounts of any prescribed special payments that are due on termination or would otherwise have become due between the date of the termination and the end of the plan year in which the pension plan is terminated;

**(c)** the amounts of payments that are required to be made under a workout agreement that are due on termination or would otherwise have become due between the date of the termination and the end of the plan year in which the pension plan is terminated;

**(d)** all of the following amounts that have not been remitted to the pension fund at the date of the termination:

(i) the amounts deducted by the employer from members' remuneration, and

(ii) other amounts due to the pension fund from the employer; and

**(e)** the amounts of all of the payments that are required to be made under subsection 9.14(2).

[...]

**(6.4)** On the winding-up of the pension plan or the liquidation, assignment or bankruptcy of the employer, the amount required to permit the plan to satisfy any obligations with respect to pension benefits as they are determined on the date of termination is payable immediately.

**(6.5)** Subsection 8(1) does not apply in respect of the amount that the employer is required to pay into the pension fund under subsection (6.4). However, it applies in respect of any payments that have accrued before the date of the winding-up, liquidation, assignment or bankruptcy and that have not been remitted to the fund in accordance with the regulations made for the purposes of subsection (6.1). [...]

## **B. PBA**

50. The PBA contains similar provisions to those described above in respect of the PBSA. Section 32 PBA deems a trust to come into existence under certain circumstances:

**32 (1)** An employer or a participating employer in a multi-employer plan shall ensure, with respect to a pension plan, that

**(a)** the money in the pension fund;

**(b)** an amount equal to the aggregate of

(i) the normal actuarial cost, and

(ii) any special payments prescribed by the regulations, that have accrued to date; and

**(c)** all

(i) amounts deducted by the employer from the member's remuneration, and

(ii) other amounts due under the plan from the employer that have not been remitted to the pension fund are kept separate and apart from the employer's own money, and shall be considered to hold the amounts referred to in paragraphs (a) to (c) in trust for members, former members, and other persons with an entitlement under the plan.

**(2)** In the event of a liquidation, assignment or bankruptcy of an employer, an amount equal to the amount that under subsection (1) is considered to be held in trust shall be considered to be separate from and form no part of the estate in liquidation, assignment or bankruptcy, whether or not that amount has in fact been kept separate and apart from the employer's own money or from the assets of the estate.

**(3)** Where a pension plan is terminated in whole or in part, an employer who is required to pay contributions to the pension fund shall hold in trust for the member or former member or other person with an entitlement under the plan an amount of money equal to employer contributions due under the plan to the date of termination.

**(4)** An administrator of a pension plan has a lien and charge on the assets of the employer in an amount equal to the amount required to be held in trust under subsections (1) and (3).

51. Sections 59 sets out the circumstances in which the N&L Superintendent may declare a plan to be terminated;

**59 (1)** The superintendent may declare the whole or part of a pension plan terminated where

**(a)** there is a suspension or cessation of employer contributions in respect of all or part of the plan membership, except where surplus is used to meet funding requirements;

**(b)** the employer has discontinued or is in the process of discontinuing all of its business operation or a part in which a substantial portion of its employees who are members of the plan are employed;

**(c)** the employer is bankrupt within the meaning of the *Bankruptcy Act* (Canada);

**(d)** the superintendent is of the opinion that the plan has failed to meet the requirements prescribed by the regulations for solvency in respect of funding; or

**(e)** all or part of the business or assets of a predecessor employer's business are sold, assigned or otherwise disposed of and the successor employer who acquired the business or assets does not provide a pension plan for the members of the predecessor employer's plan who become employees of the successor employer.

**(2)** A declaration made under subsection (1) shall declare the whole or part of a pension plan to be terminated as of a date determined by the superintendent.

52. The wind-up of a pension plan commences immediately after the termination of the plan unless the N&L Superintendent postpones the wind-up by giving written approval, pursuant to Section 60(3) PBA;
53. Section 61 provides for certain termination payments as follows:
- 61 (1)** On termination of a pension plan, the employer shall pay into the pension fund all amounts that would otherwise have been required to be paid to meet the requirements prescribed by the regulations for solvency, including
- (a)** an amount equal to the aggregate of
- (i) the normal actuarial cost, and
- (ii) special payments prescribed by the regulations, that have accrued to the date of termination; and
- (b)** all
- (i) amounts deducted by the employer from members' remuneration, and
- (ii) other amounts due to the pension fund from the employer that have not been remitted to the pension fund at the date of termination.
- (2)** Where, on the termination, after April 1, 2008, of a pension plan, other than a multi-employer pension plan, the assets in the pension fund are less than the value of the benefits provided under the plan, the employer shall, as prescribed by the regulations, make the payments into the pension fund, in addition to the payments required under subsection (1), that are necessary to fund the benefits provided under the plan.
54. The legislative provisions set out above provide for two types of deemed trust: (1) a trust that is deemed to exist while the employer continues in business and that covers amounts that the employer is required to keep separate and apart from its own moneys (Sections 8(1) PBSA and 32(1) PBA, hereinafter referred to as **limited deemed trusts**); and (2) a trust that arises in the event of any liquidation, assignment or bankruptcy of an employer and that covers amounts that the employer is required to keep separate and apart from its own moneys, whether or not the amounts have in fact been kept separate and apart from the employer's own moneys or assets (Sections 8(2) PBSA and 32(2) PBA, hereinafter referred to as **liquidation deemed trusts**);
55. In the case at hand, OSFI and the N&L Superintendent issued the Termination Notices with respect to the DB Plans after the CCAA Proceedings had commenced;

### **C. MULTI-JURISDICTIONAL AGREEMENTS AND CONFLICT OF LAWS**

56. While the assets of the Wabush CCAA Parties have not been fully realized to date, the Court may need to consider whether any eventual shortfall between the sale proceeds of the Wabush CCAA Parties' assets in Newfoundland and the amounts potentially duly secured by a pension deemed trust created under the PBA could possibly extend to the sale proceeds of the Wabush CCAA Parties' assets formerly located in Quebec;
57. Should it determine that the amounts potentially duly secured by a pension deemed trust created under the PBA exceed the value of sale proceeds generated from assets located in Newfoundland, this Court will need to consider applicable conflict rules so as to determine whether the applicable pension deemed trust under the PBA could extend to the sale proceeds of assets formally located in Quebec;

58. Under the general conflict rules in Quebec, real rights and by extension priority disputes over property are governed by the laws where the property is located, subject to an exception for property in transit (3097 C.c.Q.);
59. The Province of Quebec is also party to certain multi-jurisdictional agreements in relation to pension matters that may provide in certain circumstances for the application of laws of another jurisdiction by way of incorporation where the Quebec government has agreed to do so and its supervisory authority has delegated its authority to the supervisory authority of another jurisdiction;
60. In 2011, the Canadian Association of Pension Supervisory Authorities (**CAPSA**) developed an Agreement Respecting Multi-Jurisdictional Pension Plans (the **2011 Agreement**), which was adopted by the Provinces of Ontario and Quebec, a copy of which is communicated herewith as **Exhibit R-20**;
61. CAPSA also developed in 2016 a revised version thereof (the **2016 Agreement**), which was adopted by the Provinces of British Columbia, Nova Scotia, Ontario, Quebec and Saskatchewan, a copy of which is communicated herewith as **Exhibit R-21**;
62. These 2011 and 2016 Agreements (R-20 and R-21) provide *inter alia* that:
  - 6 (1) While a pension supervisory authority is the major authority for a pension plan in accordance with this Agreement:
    - (a) the provisions of the pension legislation of the major authority's jurisdiction in respect of matters referred to in Schedule B<sup>1</sup> apply to the plan instead of those of the corresponding provisions of the pension legislation of any minor authority's jurisdiction that would apply to the plan if this Agreement did not exist; and
    - (b) subject to the provisions of this Agreement, the provisions of the pension legislation of each jurisdiction that are applicable to the plan under the terms of such legislation apply to the plan in respect of matters not referred to in Schedule B.<sup>1</sup>
63. However, Newfoundland & Labrador is not a party to the 2011 and 2016 Agreements (R-20 and R-21);
64. The only applicable multi-jurisdictional agreement between the governments of Quebec and Newfoundland & Labrador is a Memorandum of Agreement, to which the government of Newfoundland & Labrador became a party in 1986, communicated herewith as **Exhibit R-22**;
65. The Memorandum of Agreement (R-22) does not provide for the incorporation and application of legislative provisions and administrative powers by the participating pension supervisory authorities, but merely provides for a certain delegation of powers as follows:

<sup>1</sup> Schedule B states: "8. Legislative provisions respecting: [...] (c) requirements that the pension fund be held separate and apart from the employer's assets and deeming the pension fund to be held in trust for the active members or other persons; (d) an administrator's lien and charge on the employer's assets equal to the amounts deemed held in trust [...]".

2. The major authority<sup>1</sup> for each plan shall exercise both its own statutory functions and powers and the statutory functions and powers of each minor authority for such plan.

[...]

9. Where a major authority is unable to exercise a particular power of enforcement available to one of the minor authorities, it shall so advise that minor authority.

---

<sup>1</sup> According to the Memorandum of Agreement (R-22), "major authority" means, with respect to a plan, the participating authority of the province where the plurality of the plan members are employed, excluding members employed in a province not having a participating authority.

66. As such, the Memorandum of Agreement (R-22) could not serve as the basis for the application of the PBA in relation to property located in Quebec;
67. In view of the foregoing and absent a multi-jurisdictional agreement providing for the application in Quebec of the laws of Newfoundland & Labrador, it is submitted that this Court is bound to apply the laws applicable in the Province of Quebec to adjudicate a dispute with respect to tangible assets located in Québec (or the proceeds standing in their stead);
68. The Monitor notes Article 3079 of the *Civil Code of Québec*:

**3079.** Where legitimate and manifestly preponderant interests so require, effect may be given to a mandatory provision of the law of another State with which the situation is closely connected.

In deciding whether to do so, consideration is given to the purpose of the provision and the consequences of its application.

but is of the view that this exception is not applicable in the circumstances as the possible application of the PBA could have been properly achieved by way of a multi-jurisdictional agreement and absent the execution of the 2011 and 2016 Agreements (R-20 and R-21) by Newfoundland & Labrador it could not justify why its legislation should override Quebec law in the present circumstances, including Articles 2644 and 2647 C.c.Q.;

## VI. DIRECTIONS WITH RESPECT TO PENSION CLAIMS

69. Based on its review of the relevant statutes and applicable case-law, the Monitor is of the view that:
- a) Unpaid and accrued normal costs or special costs owing at the date of the Wabush Initial Order would be subject to a limited deemed trust pursuant to subsections 8(1) of the PBSA and 32(1) of the PBA;
  - b) A liquidation deemed trust did not arise prior to or since the Wabush Initial Order pursuant to subsections 8(2) PBSA or 32(2) PBA, as none of the applicable triggering events, including a "liquidation", have occurred, either before or since the date of the Wabush Initial Order;
  - c) In any event, any liquidation deemed trust triggered after the Wabush Initial

Order with respect to unpaid amortization payments as a result of a "liquidation" would be ineffective given the terms of the Wabush Initial Order and applicable stay thereunder, the terms of the Pension Priority and Suspension Order, the fact that the special costs were assessed on the basis of a deficit which existed as of the Wabush Initial Order and were calculated for past services rendered as of a pre-filing reference date, the treatment of special costs under the CCAA generally, and legislative choices made with respect to same;

- d) As a matter of statutory interpretation of the applicable pension legislation alone, the full amount of the wind-up deficit of the DB Plans would not be subject to a pension deemed trust pursuant to the PBSA or the PBA;
  - e) Even if the wind-up deficits of the DB Plans were to be subject to a pension deemed trust pursuant to the terms of PBSA or the PBA, such deemed trust would be ineffective considering the Wabush Initial Order and applicable stay thereunder, the pre-filing nature of deficits of the DB Plans even if crystallized post-filing upon termination of the DB Plans, the treatment of pension deficits under the CCAA and legislative choices made with respect to same;
  - f) Even if the deemed trusts under the PBA were to cover assets located outside of Newfoundland & Labrador, this Court should not recognize and enforce it to the extent applicable the PBA deemed trust against assets located in this Province or the sale proceeds thereof;
70. The Monitor accordingly seeks an Order determining the priority of the various components of the Salaried DB Plan Claim (R-18) and the Union DB Plan Claim (R-19) to be as follows:
- a) normal costs and special payments outstanding as at the date of the Wabush Initial Order to be subject to a limited deemed trust;
  - b) normal costs and special payments payable after the date of the Wabush Initial Order, including additional special payments and Catch Up Payments established on the basis of actuarial reports issued after the Wabush Initial Order to constitute an unsecured Claim;
  - c) wind-up deficiency to constitute an unsecured Claim;
  - d) any trust created pursuant to the PBA may only charge property located in Newfoundland & Labrador;
71. Pursuant to paragraphs 38.1 and following of the Claims Procedure Order (R-2), reproduced above, the Pension Regulators, Representatives' Counsel and well as USW are all entitled to challenge the adjudication of Pension Claims by the Monitor;
72. The Monitor fully expects that various other stakeholders will have an interest in the determination of these priority issues;
73. The Monitor submits that it is proper to seek and obtain directions at this stage, even if the Wind-Up Reports to be prepared by the Replacement Pension Plan Administrator

have yet to be filed, as it is not necessary to know the actual quantum of the Pension Claims in order to determine their relative priority in these CCAA Proceedings;

74. In any event, should a dispute over the quantum of the wind-up deficits arise, that issue could easily (and efficiently) be bifurcated and resolved independently from the directions sought herein;
75. The Monitor further submits that any proposed distribution of proceeds to creditors, including the choice of the mechanism to effect same, will be impacted by the issues set out herein above;
76. Based on the foregoing, the Monitor hereby submits that the Court will need to deal with the following questions:

Liquidation giving rise to a liquidation deemed trust

- a) What is the proper meaning of "liquidation" pursuant to subsections 8(2) PBSA and 32(2) PBA?
- b) Did a "liquidation" within the meaning of subsections 8(2) PBSA and 32(2) PBA occur prior or since the Wabush Initial Order?
- c) Would such a liquidation deemed trust with respect to outstanding special payments be effective if triggered by a "liquidation" occurring after the Wabush Initial Order?

Deficit upon termination

- d) Absent CCAA or BIA proceedings with respect to an employer, could the full amount of the deficit upon termination of a defined benefit pension plan be subject to a deemed trust pursuant to either of the PBSA or the PBA?
- e) Would such a wind-up deficit deemed trust be effective if triggered by a termination occurring after the Wabush Initial Order?

Enforcement or recognition of a PBA deemed trust charging assets located in Quebec

- f) Is the deemed trust arising under the PBA specifically or implicitly limited to assets of the employer located in Newfoundland & Labrador?
- g) Could this Court nonetheless recognize and enforce a PBA deemed trust against assets located in this Province (or the sale proceeds standing in their stead)?

**VII. CONCLUSIONS AND PROCEDURAL MATTERS**

77. The Monitor submits that the notices given of the presentation of the present Motion are proper and sufficient;
78. Pursuant to paragraph 56 of the Wabush Initial Order (R-1), all motions in these CCAA Proceedings are to be brought on no less than ten (10) calendar days' notice to all Persons on the service list;
79. The Notice of presentation in support of the present Motion states that it will be returnable at a future date to be determined by the Court. The Monitor will seek to agree a timetable for the filing of materials and the presentation of the Motion with the CCAA

Parties, Representative Counsel, the USW, the Pension Administrator and the relevant regulators that would allow relevant parties sufficient opportunity to respond and ensure the efficient hearing of the present Motion. If the Monitor is unable to reach agreement on a mutually acceptable timetable, it will seek the assistance of the Court in setting an appropriate timetable;

80. The service of the present Motion serves as notice pursuant to paragraphs 47 and 56 of the Wabush Initial Order (R-1);
81. In light of the foregoing, the Monitor hereby seeks the issuance of an Order substantially in the form of the draft Order communicated herewith as Exhibit R-3;
82. The CCAA Parties have been consulted by the Monitor and support the conclusions sought herein;
83. The present Motion is well founded in fact and in law.

**FOR THESE REASONS, MAY IT PLEASE THE COURT TO:**

**GRANT** the present Motion;

**ISSUE** an Order in the form of the draft communicated herewith as Exhibit R-3;

**WITHOUT COST**, save and except in case of contestation.
