Counsel for CIP, the Applicants, the Monitor + the bondholders attended to let the certain order.

The changes I have made to the CIP representation order are self evident. I have deleted paragraph 4(b) as I do not believe it should be the subject matter of a court order. Its deletion does not preclude counsel from taking any action reasonably, from making requests for documents nor does it prohibit or require the applicants from providing same. It is expected that all parties will act reasonably in this regard.
