ENDORSEMENT OF JUSTICE McEWEN

The order shall go as per the draft filed & signed. The relief sought is unopposed.

The stay extension is reasonable so that the Applicants can carry out the remaining ongoing steps in the restructuring. They continue to act in good faith and due diligence, and comply with the existing orders.

The Monitor's Thirteenth Report is also approved, as are the fees which are fair and reasonable given the complexity of this matter.

It is also in order to release/discharge Computershare from its duties and liabilities as trustee/administrative agent, since there is no recovery for any unsecured or subordinated unsecured creditors.

Last, the related relief shall also go as per signed order.
