Selection of Successful Bid

4. **Selection.** Before the conclusion of the Auction, Just Energy, in consultation with the Monitor, will: (a) review each Qualified Bid, considering the factors set out in Section 7 of the SISP and, among other things, (i) the amount of consideration being offered and, if applicable, the proposed form, composition and allocation of same, (ii) the value of any assumption of liabilities or waiver of liabilities not otherwise accounted for in prong (i) above; (iii) the likelihood of the Qualified Party's ability to close a transaction by 90 days after completion of the Auction and the timing thereof (including factors such as the transaction structure and execution risk, including conditions to, timing of, and certainty of closing; termination provisions; availability of financing and financial wherewithal to meet all commitments; and required governmental or other approvals), (iv) the likelihood of the Court's approval of the Successful Bid, (v) the net benefit to Just Energy and (vi) any other factors Just Energy may, consistent with its fiduciary duties, reasonably deem relevant; and (b) identify the highest or otherwise best bid received at the Auction (the "**Successful Bid**" and the Qualified Party making such bid, the "**Successful Party**").

5. **Acknowledgement.** The Successful Party shall complete and execute all agreements, contracts, instruments or other documents evidencing and containing the terms and conditions upon which the Successful Bid was made within one business day of the Successful Bid being selected as such, unless extended by Just Energy in its sole discretion, subject to the milestones set forth in Section 6 of the SISP.
