**NOTICE OF MOTION
(Motion for Interim Distribution)**

FTI Consulting Canada Inc. (“FTI”) in its capacity as court appointed receiver (the “Receiver”) of the property, assets and undertaking of Skyservice Airlines Inc. (“Skyservice”) will make a motion to a judge presiding over the Commercial List at 10:00 a.m. on Friday, September 23, 2011 at 330 University Avenue, Toronto.

PROPOSED METHOD OF HEARING: The motion is to be heard: orally.

THE MOTION IS FOR:

- (a) An order approving a final distribution of \$3,598,919.95 to Thomas Cook Canada Inc. (“Thomas Cook”) on account of the principal portion of the Thomas Cook Secured Claim (defined below) (the “Principal Distribution”) and declaring that the Thomas Cook Secured Claim, including payment of any amounts pursuant to the Thomas Cook Security Documents (defined below) has been paid in full;
- (b) An order to pay \$160,000 to Thomas Cook on account of its legal costs claimed in the Thomas Cook Secured Claim;
- (c) An order approving the activities of the Receiver as set out in the reports filed by the Receiver in this matter subsequent to the last approval of activities in the Order dated July 27, 2010 (the “Recent Receiver’s Reports”);
- (d) An order approving the fees and disbursements of the Receiver for the period from June 21, 2010 to August 31, 2011 and of its legal counsel for the period from July 1, 2010 to August 31, 2011; and
- (e) such further and other relief as this Honourable Court considers just.

THE GROUNDS FOR THE MOTION ARE:

Background

1. By order of the Honourable Justice Gans (the “Receivership Order”) dated March 31, 2010 (the “Date of Receivership”), the Receiver was appointed receiver of all of the assets, undertakings and properties of Skyservice acquired for or used in relation to a business carried on by Skyservice, including all proceeds thereof.
2. A claims process was approved by the Court by order of the Honourable Justice Morawetz dated July 27, 2010 (the “Claims Process”).

Distribution to Thomas Cook: Secured Claim

3. Thomas Cook filed a secured claim in the Claims Process in the amount of \$9,190,720.39 (“Thomas Cook Secured Claim”), which it claims is owing pursuant to various security documents (the “Thomas Cook Security Documents”).

4. The Thomas Cook Secured Claim relates to the debt, in the principal amount of \$8,598,919.95 (the “Roynat Principal Claim”), assigned to Thomas Cook by Roynat Inc. and Integrated Private Debt Fund LP in February 2010, and included a claim for interest of \$17,914.42 plus interest continuing to accrue (the “Interest Claim”) and legal costs of \$573,886.02 plus costs continuing to accrue (the “Costs Claim”).

5. As previously reported by the Receiver, (i) the Receiver is satisfied as to the validity of the Roynat Principal Claim; and (ii) Receiver’s counsel reviewed certain of the security held by Thomas Cook and is of the opinion that, subject to the customary opinion assumptions and qualifications, the security held by Thomas Cook for the Roynat Principal Claim is valid and enforceable against Skyservice under Ontario law.

6. By order of the Honourable Justice Morawetz dated October 13, 2010, \$5,000,000 was distributed to Thomas Cook from the proceeds of the estate of Skyservice in partial satisfaction of the Roynat Principal Claim.

7. Thomas Cook has requested that the Receiver make an immediate distribution on account of the remaining Roynat Principal Claim totalling \$3,598,919.95 (the “Principal Distribution”).

8. Receipts to date exceed cash disbursements by approximately \$12.4 million excluding restricted cash held by the Receiver pending determination of entitlement (including the security held pursuant to the protocol reached among the airport authorities and lessors, the “Restricted Cash”).

9. The Principal Distribution, if authorized and made, would therefore leave approximately \$8.8 million of cash in the estate, with potential for additional realizations to come from realizations from Restricted Cash and from funds held in escrow by third parties, depending on the resolution of the competing claims to these funds.

10. Certain parties have advanced trust or property claims against the funds held by the Receiver (the “Trust Claims”); specifically: i) Sunwing Tours Inc. alleges that approximately \$3.5 million is held for it in trust; ii) Thomas Cook itself claims certain amounts are held for it in trust; iii) Skyservice Cabin Crew Association (“SCCA”) claims a property/trust interest in approximately \$6,000; and iv) Skyservice Pilot’s Association (“SPA”) claims a property/trust interest in approximately \$35,000.

11. Thomas Cook has consented to the Principal Distribution notwithstanding its trust claim and the Receiver is satisfied that there will be sufficient funds in the estate following the Principal Distribution to satisfy the Sunwing Trust Claim, SCCA trust claim and SPA trust claim, which together total approximately \$3.54 million, to the extent they are found to be prior-ranking.

12. Excluding the Trust Claims and claims against the Restricted Cash, claims totalling \$100,000 have been filed in the Claims Process asserting a security or priority interest that may or may not rank in priority to the Roynat Principal Claim.

13. Accordingly, the Receiver is satisfied that there are sufficient funds on hand to make the Principal Distribution, that Thomas Cook has a valid and enforceable claim in the Roynat Principal Claim and that no creditor should be prejudiced by the Principal Distribution.

Thomas Cook Costs Claim

14. In addition to the Roynat Principal Claim, the proof of claim filed by Thomas Cook in respect of the Thomas Cook Secured Claim included the Costs Claim (for \$573,886.06) relating to legal and professional fees and the Interest Claim (for \$17,914.42) relating to interest.

15. The Receiver issued a disallowance of the Thomas Cook Costs Claim and Interest Claim. Thomas Cook disputed the disallowance of the Costs Claim.

16. The Receiver and Thomas Cook engaged in discussions to resolve the Costs Claim. Among other things, the Receiver agreed to review the dockets of Thomas Cook’s counsel to determine which amounts might be appropriately considered “costs of the motion” for purposes of paragraph 28 of the Receivership Order, which provides as follows:

28. THIS COURT ORDERS that the Applicant shall have its costs of this motion, up to and including entry and service of this Order, provided for by the terms of the Applicant's security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Debtor's estate with such priority and at such time as this Court may determine.

17. As a result of that review and discussions with counsel for Thomas Cook, the Receiver recommends the following resolution of the Costs Claim, subject to approval by the Court:

- (a) The Receiver will pay to Thomas Cook \$160,000, to be paid at the same time as the Principal Distribution, in full and final settlement of Thomas Cook's Costs Claim portion of the Thomas Cook Secured Claim (the "Costs Payment");
- (b) Thomas Cook will not seek payment of the balance of its Costs Claim on a secured, preferred or other priority basis, nor will it allege such costs are payable on any other basis in reliance upon terms of the Thomas Cook Security Documents. However, Thomas Cook will not be precluded from advancing a claim for its remaining legal costs on an unsecured basis in reliance upon bases other than the terms of the Thomas Cook Security Documents or paragraph 28 of the Receivership Order, which unsecured claim shall be dealt with by the Receiver in due course;
- (c) Thomas Cook agrees that it has no Interest Claim;
- (d) Upon receipt by Thomas Cook of the Principal Distribution and the Costs Payment, the Thomas Cook Secured Claim shall be satisfied in full.

18. The Receiver is of the view that this proposed resolution is appropriate and in the best interests of the estate and the creditors of Skyservice and recommends the resolution described above, including payment to Thomas Cook of its legal costs totalling \$160,000.

Fees and Activities

19. The Receiver and its independent legal counsel, McCarthy Tétrault LLP, have undertaken various actions since the Date of Receivership as described in the Receiver's Reports.

20. Paragraph 17 of the Receivership Order provides that the Receiver and its counsel shall be paid their reasonable fees and disbursements at their standard rates and charges.

21. Paragraph 18 of the Receivership Order provides that the Receiver and its legal counsel shall pass accounts from time to time and that such accounts are referred to a judge of the Commercial List of this Court.

22. The costs of the Receiver and its counsel, as set out in the Affidavits of Jamie T. Engen and James Gage, respectively, and the attachments thereto, are fair and reasonable.

23. The Receiver seeks approval of its activities as described in the Recent Receiver's Reports.

Rules and provisions relied upon

24. The Receiver relies upon:

- (a) The receivership order of Justice Gans dated March 31, 2010;
- (b) The claims process order of Justice Morawetz dated July 27, 2010;
- (c) The *Bankruptcy and Insolvency Act*(Canada);
- (d) The *Rules of Civil Procedure*; and
- (e) Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- 1. the Eleventh Report of the Receiver, including the affidavits of Jamie T. Engen and James Gage; and

2. such further and other material as counsel may advise and this Honourable Court may permit.

**ELEVENTH REPORT TO THE COURT SUBMITTED BY
FTI CONSULTING CANADA INC.
IN ITS CAPACITY AS RECEIVER**

INTRODUCTION

1. On March 31, 2010 (the “**Date of Appointment**”), FTI Consulting Canada Inc. (“**FTI**”) was appointed as receiver (the “**Receiver**”) of all of the assets, undertakings and properties of Skyservice Airlines Inc. (“**Skyservice**”) pursuant to the order of the Honourable Mr. Justice Gans (the “**Receivership Order**”) granted upon the application of Thomas Cook Canada Inc. (“**Thomas Cook**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act R.S.C. 1985 c. B-3 as amended* (the “**BIA**”) and section 101 of the *Courts of Justice Act R.S.O. 1990 c.43 as amended*.
2. To date, the Receiver has filed ten Reports as well as certain supplemental reports (collectively, the “**Receiver’s Reports**”). The purpose of this, the Receiver’s Eleventh Report, is to inform the Court of the following:

- (i) Receipts and disbursements for the period from March 31, 2010 through August 31, 2011;
- (ii) The progress of the Claims Procedure approved by the Court on July 27, 2010, including trust claims made and the status of the court proceedings with respect thereto;

- (iv) The status of the litigation between Skyservice and Skyservice’s former shareholders regarding entitlement to certain escrowed funds related to a 2007 acquisition transaction more particularly described in this Report;
- (v) The status of the litigation and claims in respect of the seizure of leased aircraft by the Airport Authorities, as hereinafter defined;

and to request the granting by this Honourable Court of:

- (i) An order approving a final distribution of \$3,598,919.95 to Thomas Cook on account of the principal portion of the Thomas Cook Secured Claim (defined below) (the “**Principal Distribution**”) and declaring that the Thomas Cook Secured Claim, including payment of any amounts pursuant to the Thomas Cook Security Documents (defined below) has been paid in full;
- (ii) An order to pay \$160,000 to Thomas Cook on account of its legal costs claimed in the Thomas Cook Secured Claim;

TERMS OF REFERENCE

3. In preparing this report, the Receiver has relied upon unaudited financial information of Skyservice, Skyservice's books and records, certain financial information prepared by Skyservice and discussions with Skyservice's employees. The Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the information. Accordingly, the Receiver expresses no opinion or other form of assurance on the information contained in this report or relied on in its preparation. Future oriented financial information reported or relied on in preparing this report is based on assumptions regarding future events; actual results may vary from forecast and such variations may be material.
4. The information and advice described in this Report as being provided to the Receiver by McCarthy Tétrault LLP (the "**Receiver's Counsel**" or "**McCarthys**") has been provided to the Receiver to assist it in considering its course of action and is not intended as legal or other advice to, and may not be relied upon by, any other stakeholder.
5. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars. Capitalized terms not otherwise defined are as defined in the Receivership Order or the Receiver's Reports.

PROGRESS OF THE SKYSERVICE CLAIMS PROCEDURE

7. The Claims Procedure is being carried out in accordance with the Claims Procedure Order. Claims filed by the Claims Bar Date of August 27, 2010, are summarized as follows:

Status of Claim	Number of Claims	\$000
Secured:		
Accepted	14	\$ 109.86
In Dispute ²	6	45,105.42
	20	45,215
Unsecured:		
Accepted ¹	1,069	9,494.55
In Dispute ²	36	125,957.54
	1,105	135,452

¹ Former employee claims have been separated out from their union and association groupings and into individual claims

² Claims in dispute include duplicated amounts in the secured and unsecured groupings as filed by the claimants

8. A further 25 claims totalling approximately \$2.2 million were filed after the Claims Bar Date. Pursuant to the Claims Procedure Order, the Receiver has no discretion to extend the Claims Bar Date to allow the filing of these claims and such claims have, therefore, been disallowed if an order permitting late filing was not obtained.

9. The Receiver continues to review and adjudicate the outstanding secured and unsecured claims filed in accordance with the Claims Procedure, including certain alleged trust and property claims, described below. Many of the claims that have been submitted are complex and require significant accounting and legal analysis. In addition, a number of the claims were filed without providing sufficient information or supporting evidence. After reviewing such claims the Receiver identified missing information and has either disallowed such claims or followed up with many of these claimants to request the information required for the Receiver to adjudicate these claims. The Receiver has reviewed and continues to review the additional information and evidence when provided. The Receiver has also undertaken its own inquiries of former Skyservice personnel and a review of Skyservice information and documentation as required to respond to certain claims. For all of these reasons, adjudication of claims has been time consuming and remains ongoing. At this time, while the vast majority of claims (in number) have been dealt with, the Receiver anticipates that completing the adjudication of the remaining claims (which include significant claims in terms of the value claimed) may still require a significant amount of time, and in some cases, assistance from the court to resolve.
10. The following trust or property claims have been advanced (collectively, the **“Trust Claims”**):

- (i) A claim by Sunwing (the “**Sunwing Trust Claim**”) originally alleging \$7.6 million, plus additional unquantified amounts, are held by the Receiver in trust for Sunwing. Counsel for Sunwing recently advised that the Sunwing Trust Claim has been reduced, as a result of information provided to it by the Receiver, such that Sunwing now alleges approximately \$3.5 million is held in trust for Sunwing. The Receiver and Sunwing had previously agreed that the Receiver would keep segregated \$2,329,473 of the funds of Skyservice until further order of the Court. The Receiver’s Tenth Report was filed to provide the Court with further information regarding the Sunwing Claim and the Receiver’s analysis of the validity of the trust aspect of the Sunwing Claim. A motion in respect of this matter is currently pending in which the Receiver seeks an order, among other things, declaring that the amounts claimed in the Sunwing Claim are not subject to a proprietary or trust interest as alleged by Sunwing. The Receiver is awaiting Sunwing’s position regarding a timetable to schedule this motion.
- (ii) A claim by Thomas Cook alleging \$23.9 million is held in trust for Thomas Cook, which claim is being addressed by the Receiver in the course of the Claims Process.
- (iii) Two smaller claims: (i) by the Skyservice Cabin Crew Association in the amount of approximately \$6,000; and (ii) by the Skyservice Pilot’s Association in the amount of approximately \$35,000. The Receiver continues to review these claims and is seeking to reach a consensual resolution of the claim or have it determined in accordance with the Claims Procedure.

STATUS OF BANKRUPTCY APPLICATION

11. On June 16, 2010, Sunwing obtained an order lifting the stay of proceedings for the purpose of allowing Sunwing to commence a bankruptcy application against Skyservice and to adjourn the hearing of the bankruptcy application *sine die*. That order was amended on June 30, 2010 to add Thomson Airways Limited (“**Thomson**”) as a creditor to the bankruptcy application. The bankruptcy application states that FTI has agreed to act as trustee in the event that a bankruptcy order is granted.

12. Paragraph seven (7) of the affidavit of Mark Williams, sworn on June 14, 2010 in support of the motion to lift the stay, the bankruptcy application states:

"Sunwing seeks a lifting of the stay to commence the Bankruptcy Application in order to establish the date of initial bankruptcy event for purposes of the BIA and to avail itself of rights and remedies under the BIA. The Receiver has acknowledged in its Pre-appointment Report dated March 31, 2010 that its review of various secured parties' security was subject to the usual assumptions and qualifications with respect to preferences and other forms of impeachable transactions and therefore, such a review has not been undertaken. At this time, the commencement of the Bankruptcy Application is solely for the purpose of establishing the initial date of bankruptcy and the hearing of the bankruptcy application is to be deferred."

13. The hearing of the bankruptcy application remains adjourned. The Receiver has discussed with counsel for Sunwing and Thomson the importance of providing for an orderly transition from receivership to bankruptcy, including maintaining and preserving the claims process conducted in the receivership in order to avoid unnecessary cost, duplication of work and confusion among creditors.

14. The Receiver understands that counsel for Sunwing and Thomson is in the process of preparing a draft transition order for discussion with the Receiver and will subsequently seek to have the bankruptcy application heard.
15. In the meantime, in the course of its review of documents and communications as part of its duties as receiver, the Receiver has identified issues (unrelated to the Thomas Cook security, described below, based on the information reviewed) that could potentially form the basis for a claim to rights and remedies under the BIA. If appointed as trustee in bankruptcy, FTI will continue its assessment of such issues and compile a report setting out its findings in accordance with its responsibilities under the BIA.

THE ESCROW LITIGATION

16. In 2007, a predecessor of Skyservice was acquired from its then-shareholders by a wholly-owned subsidiary of Gibralt Capital Corporation (“**AcquisitionCo**”). The transaction proceeded by way of a plan of arrangement and was governed by an arrangement agreement (the “**Arrangement Agreement**”). Immediately following the acquisition, through a series of amalgamations, the current Skyservice was formed and Skyservice became entitled to the rights of AcquisitionCo under the Arrangement Agreement.
17. Pursuant to the Arrangement Agreement, a portion of the purchase price (totalling approximately \$17.2 million) was paid into escrow upon closing to be released if certain conditions were met. Portions of the escrow funds have been released throughout the last few years, upon satisfaction of specific requirements set out in the applicable agreements with the Vendor.
18. Prior to the Receivership Order, disputes arose between Skyservice and its former shareholders as to whether certain conditions had been met and therefore whether certain of the remaining escrowed funds should be paid to Skyservice or to its former shareholders.

(i) **EBITDA Escrow Dispute**

19. One dispute related to the interpretation of a section of the arrangement agreement relating to the amount contributed to Skyservice's EBITDA by Conquest Vacations. Simplistically, if that amount exceeded a defined threshold then funds were payable to the former shareholders from the escrow amounts whereas if the threshold was not exceeded, amounts were payable to Skyservice. A dispute arose as to the calculation of Conquest Vacations' contribution to Skyservice's EBITDA (the "**EBITDA Escrow Dispute**").
20. The Receiver determined it is in the best interests of the estate and the creditors of Skyservice to pursue recovery of the amounts disputed in the EBITDA Escrow Dispute and brought a motion to, among other things, interpret the article of the arrangement agreement relevant to the EBITDA Escrow Dispute and to determine if a report prepared by KPMG provides a binding determination of entitlement to the escrow funds or whether the relevant EBITDA calculation will have to be determined on the basis of competing expert evidence. The Receiver's ninth report dated May 11, 2011 (the "**Ninth Report**") was filed in support of the Receiver's motion, which is scheduled to be heard on September 27, 2011.
21. The next steps in addressing the EBITDA Escrow Dispute may depend on the outcome of the September 27th motion.

(ii) **Breach of Representations Dispute**

22. In addition, the Receiver is continuing to move the process forward with respect to other matters currently in dispute.
23. The holdbacks from the purchase price established pursuant to the Arrangement Agreement also included \$5 million as a source of recovery for AcquisitionCo (now Skyservice) if there was a breach of any of the representations made in the agreement. In this regard, two matters are in dispute:

- (i) Unionization – Skyservice claims that a representation with respect to there having been no previous or existing union organization attempts was false; and
 - (ii) Inventory – Skyservice claims that representations with respect to inventory were incorrect.
24. These disputes are the subject of litigation commenced by Skyservice against the former shareholders in 2009. Prior to the receivership, Skyservice and representatives of the former shareholders apparently had many discussions about the disputes, but were unsuccessful resolving them. The Receiver has met with representatives of the former shareholders on several occasions, but no settlement has been reached. In the absence of a settlement, the parties have been working cooperatively to advance the litigation.

STATUS OF THE SEIZURE APPLICATIONS

25. Between the period March 31, 2010 and April 5, 2010, the Greater Toronto Airports Authority (“GTAA”), the Ottawa MacDonald-Cartier International Airport Authority (“OMCIAA”), Winnipeg James Armstrong Richardson International Airport (the “Winnipeg Airport”) and NAV Canada (collectively referred to as the “Airport Authorities”) commenced seizure applications pursuant to the *Airport Transfer (Miscellaneous Matters) Act* and similar legislation (the “Seizure Applications”) in respect of certain aircraft operated by Skyservice.

26. The International Lease Finance Corporation (“**ILFC**”), C.I.T. Leasing Corporation (“**CIT**”) MCAP Europe Limited (“**MCAP**”), IAI V Inc. (“**IAI**”), Thomson and Sunwing (collectively the “**Lessors**”) and the Airport Authorities, with cooperation and assistance from the Receiver, negotiated arrangements set out in a Protocol (the “Protocol”) for the posting of cash security (the “**Security**”) to stand in place of the aircraft seized for the purposes of the Seizure Applications, which allowed the aircraft to be released from claims of the Airport Authorities.
27. On April 6, 2011, an Order was granted by the Honourable Mr. Justice Morawetz, (the “**Seizure Application Order**”) that provides, among other things:
- (i) the seizure applications of the GTAA, OMCIAA and NAV Canada are not affected by the stay in the Receivership Order, are granted, and are enforceable up to the full amount owing to GTAA, OMCIAA and NAV Canada; and
 - (ii) if the parties are unable to agree on costs, written submissions may be filed by June 30, 2011.
28. On May 6, 2011, MCAP, IAI and Celestial Aviation Trading 23 Limited (“**Cat 23**”) filed with the Court of Appeal to appeal the Seizure Application Order. The appeal is scheduled to be heard on November 7, 2011.
29. The remaining Lessors did not appeal the Seizure Application Order. The Airport Authorities are now seeking the release of the Security and have circulated to the Lessors a written request and direction to be signed by the Lessors and the applicable Airport Authority in accordance with the Protocol. The Receiver is awaiting a response from the Lessors or receipt of the signed direction setting out the amount agreed upon by the parties to be released (in which event the Receiver will be in a position to release the funds).

REQUEST FOR AN ORDER AUTHORIZING THE PRINCIPAL DISTRIBUTION

30. Prior to the Claims Bar Date, Thomas Cook filed a secured claim in the amount of \$9,190,720.39 (“**Thomas Cook Secured Claim**”) that it claims is owing pursuant to various security documents (the “**Thomas Cook Security Documents**”). The Thomas Cook Secured Claim relates to the debt, in the principal amount of \$8,598,919.95 (the “**Roynat Principal Claim**”), assigned to Thomas Cook by Roynat Inc. and Integrated Private Debt Fund LP in February 2010, and included a claim for interest of \$17,914.42 plus interest continuing to accrue and legal costs of \$573,886.02 plus costs continuing to accrue.
31. As described in the Pre-Appointment Report to the Court of FTI Consulting Canada Inc. in its capacity as proposed receiver dated March 31, 2010 (the “**Pre-Appointment Report**”), Receiver’s Counsel has reviewed certain of the security held by Thomas Cook and is of the opinion that, subject to the customary opinion assumptions and qualifications, the security held by Thomas Cook for the Roynat Principal Claim is valid and enforceable against Skyservice under Ontario law.
32. As described in the Monitor’s sixth report (the “**Sixth Report**”), the Receiver is satisfied as to the validity of the Roynat Principal Claim. In October, 2010, the Receiver, at the request of Thomas Cook, sought an interim distribution to Thomas Cook of \$5,000,000 from the proceeds of the estate of Skyservice in partial satisfaction of the Roynat Principal Claim. The interim distribution was granted pursuant to the Order of the Honourable Mr. Justice Morawetz on October 13, 2010 (the “**Interim Distribution Order**”).
33. Thomas Cook has requested that the Receiver make an immediate distribution on account of the remaining Roynat Principal Claim totalling \$3,598,919.95.

34. Excluding the Trust Claims and claims against the Restricted Cash, claims totalling \$100,000 have been filed in the Claims Process asserting a security or priority interest that may or may not rank in priority to the Roynat Principal Claim.
35. As noted earlier in the report, receipts to date exceed cash disbursements by approximately \$12.4 million excluding Restricted Cash. The Principal Distribution, if authorized and made, would therefore leave approximately \$8.8 million of cash in the estate, with potential for additional realizations to come from realizations from Restricted Cash and from funds held in escrow by third parties, depending on the resolution of the competing claims to these funds.
36. As set out above, there are four Trust Claims, two of which total approximately \$41,000 and the Receiver is satisfied there will be sufficient funds in the estate following the Principal Distribution to satisfy those claims to the extent they are found to be prior-ranking claims. Of the two larger Trust Claims, one has been made by Thomas Cook itself and Thomas Cook has informed the Receiver that it consents to the Interim Distribution notwithstanding the Thomas Cook Trust Claim. The second larger Trust Claim is the Sunwing Trust Claim. Based on discussions with Sunwing's counsel, the Receiver understands that the Sunwing Trust Claim has been reduced to approximately \$3.5 million such that the Receiver is satisfied that there will be sufficient funds in the estate following the Principal Distribution to satisfy the Sunwing Trust Claim to the extent it is found to be prior-ranking.

37. Accordingly, the Receiver is satisfied that there are sufficient funds on hand to make the Principal Distribution, that Thomas Cook has a valid and enforceable claim in the Roynat Principal Claim and that no creditor should be prejudiced by the Principal Distribution. The Receiver therefore respectfully requests that this Honourable Court grant an Order authorizing the payment of the Principal Distribution and declaring that, subject to the request below relating to the Costs Claim, the Thomas Cook Secured Claim, including payment of any amounts pursuant to the Thomas Cook Security Documents (defined below) has been paid in full

THOMAS COOK COSTS AND INTEREST CLAIM

38. In addition to the Roynat Principal Claim, the proof of claim filed by Thomas Cook in respect of the Thomas Cook Secured Claim included a claim for \$573,886.06 relating to legal and professional fees (the “**Costs Claim**”) and \$17,914.42 relating to interest (the “**Interest Claim**”). Thomas Cook claims that it is entitled to:
- (i) Legal costs totalling \$573,886.02 pursuant to a General Security Agreement between Roynat Inc. and Skyservice (“Skyservice GSA”) and two debentures, each dated October 19, 20117 (collectively, the “Debentures”), the Receivership Order and an intellectual property security agreement and an assignment of material contracts (collectively, the “Specific-Purpose Agreements”); and
 - (ii) Pre-judgement interest from the date of the demand of \$17,914.42 pursuant to section 128 of the *Courts of Justice Act*.
39. On July 28, 2011, the Receiver issued a disallowance of the Thomas Cook Costs Claim and Interest Claim (the “**Thomas Cook Disallowance**”) for the reasons set out therein.

40. Among other things, the Receiver disallowed the Costs Claim on the basis that Thomas Cook failed to establish to the Receiver's satisfaction that the Thomas Cook loan agreement or security documents provide for Thomas Cook to be entitled to payment of its costs as claimed.
41. With respect to the Interest Claim, the Receiver disallowed it on the basis that, among other reasons, while Thomas Cook relied upon the *Courts of Justice Act* prejudgment interest provisions (s.128 and 130), the Thomas Cook credit agreement provides that interest is not payable hence there was no evidence that Thomas Cook lost the benefit of any interest such that it should be compensated despite the contractual provision.
42. Thomas Cook disputed the Thomas Cook Disallowance as it related to the Costs Claim and the Receiver and Thomas Cook engaged in discussions to resolve the Costs Claim.
43. Among other things, the Receiver agreed to review the dockets of Thomas Cook's counsel to determine which amounts might be appropriately considered "costs of the motion" for purposes of paragraph 28 of the Receivership Order, which provides as follows:
28. THIS COURT ORDERS that the Applicant shall have its costs of this motion, up to and including entry and service of this Order, provided for by the terms of the Applicant's security or, if not so provided by the Applicant's security, then on a substantial indemnity basis to be paid by the Receiver from the Debtor's estate with such priority and at such time as this Court may determine.
44. As a result of that review and discussions with counsel for Thomas Cook, the Receiver recommends the following resolution of the Costs Claim, subject to approval by the Court:

- (i) The Receiver will pay to Thomas Cook \$160,000, to be paid at the same time as the Principal Distribution, in full and final settlement of Thomas Cook's Costs Claim portion of the Thomas Cook Secured Claim (the "**Costs Payment**");
 - (ii) Thomas Cook will not seek payment of the balance of its Costs Claim on a secured, preferred or other priority basis, nor will it allege such costs are payable on any other basis in reliance upon terms of the Thomas Cook Security Documents. However, Thomas Cook will not be precluded from advancing a claim for its remaining legal costs on an unsecured basis in reliance upon bases other than the terms of the Thomas Cook Security Documents or paragraph 28 of the Receivership Order, which unsecured claim shall be dealt with by the Receiver in due course;
 - (iii) Thomas Cook agrees that it has no Interest Claim;
 - (iv) Upon receipt by Thomas Cook of the Principal Distribution and the Costs Payment, the Thomas Cook Secured Claim shall be satisfied in full.
45. The Receiver is of the view that this proposed resolution is appropriate and in the best interests of the estate and the creditors of Skyservice for the following reasons:
- (i) Based on the Receiver's review of the Thomas Cook dockets, the Receiver identified approximately \$160,000 of legal costs that could reasonably be considered, in the view of the Receiver, costs of the motion to appoint the Receiver that would be recoverable pursuant to the Initial Order;

- (ii) While the Receiver disallowed the Costs Claim for reasons including that Thomas Cook failed to establish to the Receiver's satisfaction that the Thomas Cook loan agreement or security documents provide for Thomas Cook to be entitled to payment of its costs as claimed, the Receiver recognizes that Thomas Cook disagrees with that position and is of the view that its Costs Claim is payable pursuant to the terms of the Thomas Cook Security Documents, including that legal costs are recoverable for a period after the appointment of the Receiver. The Receiver recognizes that there is a risk that Thomas Cook may be successful in persuading the Court that it is entitled to payment of costs on a secured basis pursuant to the Thomas Cook Security Documents and further that there would be costs associated with determining the issue, such as costs of further litigation or appearances before a claims officer, which would have imposed costs on the estate.
 - (iii) The proposed resolution limits the amount that Thomas Cook can claim on a priority basis and resolves the question of whether the Thomas Cook Security Documents provide for payment of legal costs to Thomas Cook, providing greater certainty and reducing legal costs associated with dealing with this issue.
46. Accordingly, the Receiver recommends the resolution described above, including payment to Thomas Cook of its legal costs totalling \$160,000.

REQUEST FOR FEE APPROVAL

47. Pursuant to paragraphs 17, 18 and 19 of the Receivership Order, any expenditure or liability properly made or incurred by the Receiver, including the fees of the Receiver and the fees and disbursements of Receiver's Counsel, were authorized to be paid on a periodic basis subject to any final passing of the accounts. In addition, the Receiver's Charge was granted as security for, *inter alia*, the fees and disbursements of the Receiver and Receiver's Counsel.

48. Pursuant to the Receivership Order, the accounts of the Receiver and Receiver's Counsel, at their standard rates and charges, have been paid from time to time. As detailed in the Monitor's fourth report (the "**Monitor's Fourth Report**"), the Receiver received approval of its fees and disbursements for the period from March 31, 2010 to June 20, 2010 and those of its legal counsel, McCarthy Tétrault LLP, for the period from March 17, 2010 to June 30, 2010 pursuant to the order of the Honourable Justice Morawetz dated July 27, 2010.
49. The Receiver and Receiver's Counsel have continued to maintain detailed records of their professional time and costs. The Receiver is seeking the approval of its fees and disbursements for the period from June 21, 2010 to August 31, 2011 and those of its legal counsel for the period from July 1, 2010 to August 31, 2011.
50. The total fees and disbursements of the Receiver during the period June 21, 2010 to August 31, 2011 (the "**Period**") amount to \$1,776,714.41 (excluding applicable taxes), including \$1,623,865 for services and \$152,849.41 for disbursements (both excluding GST) (collectively, the "**Receiver Fees and Disbursements**"). The time spent by Receiver personnel in the Period is more particularly described in the Affidavit of Jamie T Engen of the Receiver, sworn in support hereof and attached hereto as Appendix A.
51. The total fees for services and disbursements provided by McCarthy during the period July 1, 2010 to August 31, 2011, amount to \$862,786.17, including fees of \$851,118 and disbursements of \$11,668.17 (both excluding GST) (collectively, the "**McCarthy Fees and Disbursements**"). The time spent by McCarthy personnel in that period is more particularly described in the Affidavit of James Gage, a partner of McCarthy, attached hereto as Appendix B.

52. The Receiver respectfully submits that the Receiver Fees and Disbursements and the McCarthy Fees and Disbursements are reasonable in the circumstances and have been validly incurred in accordance with the provisions of the Appointment Order. Accordingly, the Receiver now seeks the approval of the Receiver Fees and Disbursements and the Legal Fees and Disbursements, and further seeks approval of its activities as set out in the Recent Receiver's Reports.

The Receiver respectfully submits to the Court this, its Eleventh Report.

**AFFIDAVIT OF JAMIE T ENGEN
(sworn September 14, 2011)**

I, **JAMIE T ENGEN**, of the City of Vancouver, in the Province of British Columbia, **MAKE OATH AND SAY** that:

1. I am a Managing Director of FTI Consulting Canada Inc. ("FTI") and, as such, I have knowledge of the matters hereinafter deposed to except where stated to be on information and belief, and where so stated, I verily believe it to be true.
2. On March 31, 2010 (the "**Date of Appointment**"), pursuant to the order of the Honourable Mr. Justice Gans (the "**Receivership Order**"), FTI Consulting Canada Inc. was appointed as receiver (the "**Receiver**") of the assets, undertakings and properties of Skyservice Airlines Inc. ("**Skyservice**") acquired for or used in relation to a business carried on by Skyservice including all proceeds thereof.
3. Pursuant to the Receivership Order, the Receiver has provided services and incurred disbursements in the amount of \$1,776,714.41 (excluding applicable taxes), including \$1,623,865.00 for services and \$152,849.41 for disbursements in the period from June 21, 2010 to August 31, 2011 (the "**Period**"). Attached hereto and marked as Exhibit "A" to this my Affidavit is a summary of all invoices rendered by the Receiver on a periodic basis during the Period (the "**Accounts**").

4. True copies of the Accounts, which include a fair and accurate description of the services provided along with the hours and applicable rates claimed by the Receiver, are attached as Exhibit "B" to this my Affidavit.
5. Pursuant to the Order of the Honourable Mr. Justice Morawetz dated July 27, 2010, the Court approved the activities of the Receiver with respect to its conduct and the receivership proceedings as set out in its first through fourth reports to the Court, and in its supplement to the second report (the "**Approved Reports**").
6. The Receiver has previously filed with the Court its fifth through tenth reports to the Court, as well as a supplement to the third report, with respect to its conduct and the receivership proceedings (the "**Receiver's Reports**"). In addition, and contemporaneously with the filing of this Affidavit, the Receiver is filing its eleventh report to the Court (the "**Eleventh Report**"). Details of the activities undertaken and services provided by the Receiver in connection with the administration of the receivership proceedings are described in the Approved Reports, the Receiver's Reports and the Eleventh Report.
7. In the course of performing its duties pursuant to the Receivership Order, the Receiver's staff has expended a total of 3,154.2 hours during the Period. Attached as Exhibit "C" to this my Affidavit is a schedule setting out a summary of the individual staff involved in the administration of the receivership and the hours and applicable rates claimed by the Receiver for the Period. The average hourly rate billed by the Receiver during the Period is \$514.83.
8. The total amount of professional fees and disbursements being claimed for work performed by the Receiver during the Period is \$1,776,714.41 (excluding applicable taxes).
9. The Receiver requests that this Honourable Court approve its Accounts for the Period, in the total amount of \$1,776,714.41 (excluding applicable taxes) for services rendered and recorded during the Period.
10. McCarthy Tétrault LLP ("McCarthys") rendered services throughout these proceedings in a manner consistent with the instructions of the Receiver and have prepared an affidavit with respect to the services rendered from July 1, 2010 to August 31, 2011. The Receiver has reviewed the invoices rendered by McCarthys during this period.
11. To the best of my knowledge, the rates charged by the Receiver and McCarthy are comparable to the rates charged for the provision of similar services by other large restructuring firms in the Toronto market.

12. I verily believe that the fees and disbursements incurred by the Receiver and McCarthy are fair and reasonable in the circumstances.

13. This Affidavit is sworn in connection with a motion for an Order of this Honourable Court to, among other things, approve the fees and disbursements of the Receiver and those of its legal counsel and for no improper purpose.

**AFFIDAVIT OF JAMES D. GAGE
(sworn September 14, 2011)**

I, **JAMES D. GAGE**, of the City of Toronto in the Province of Ontario, **MAKE OATH AND SAY:**

1. I am a lawyer qualified to practice law in the Province of Ontario and am a partner with McCarthy Tétrault LLP ("**McCarthys**"), lawyers for FTI Consulting Canada Inc. in its capacity as receiver (the "**Receiver**") of the assets, undertakings and properties of Skyservice Airlines Inc. ("**Skyservice**") acquired for or used in relation to a business carried on by Skyservice including all proceeds thereof. As such, I have knowledge of the matters herein.
2. I make this affidavit in support of a motion by the Receiver for, among other things, approval of the fees and disbursements of the Receiver and its counsel for the period from July 1, 2010 to August 31, 2011.
3. The total amount claimed by McCarthys for that period is \$862,786.17 (excluding applicable taxes), which includes fees of \$851,118.00 and disbursements of \$11,668.17.
4. Attached hereto as Exhibit "A" are copies of the invoices issued by McCarthys to the Receiver during the period (the "**Invoices**"), together with a chart summarizing each of the Invoices,

the total fees, disbursements and taxes charged per invoice and a chart summarizing the respective years of call, hours billed, and billing rates of each lawyer at McCarthys who acted for the Receiver.

5. The attached Invoices and summary charts disclose in detail the name of each person who rendered services, the dates on which the services were rendered, the time expended each day, the rate charged and the total charges for fees, disbursements and taxes.

6. The hourly billing rates charged in the Invoices are comparable to the hourly rates charged by McCarthys for services rendered in similar proceedings.

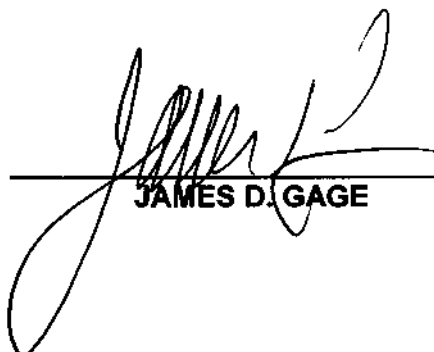

7. To the best of my knowledge and given the nature of this proceeding, I believe the hours and rates shown in the attached Invoices are reasonable and comparable to other firms in Toronto for work of this nature.

8. I make this affidavit in support of a motion for approval of the fees of the Receiver and its counsel and for no other or improper purpose.

Janet,

Can you prepare a trial brief to send to Dr. McLean so she can refresh her memory of the case. We should include:

- (i) pleadings - only claim and defence (not hospital)
- (ii) her narrative
- (iii) records - only Brantford hospital and her clinical notes
- (iv) expert reports

Thanks
