**NOTICE OF MOTION
(Amending Order Appointing Receiver)**

JCF Capital ULC (“JCF”), will make a motion to a judge presiding over the Commercial List on December 20, 2016, at 10:00 a.m., or as soon after that time as the motion can be heard, at 330 University Avenue, 8th Floor, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR an Order substantially in the form of the draft Order included in the Motion Record:

- (a) abridging the time for service of the Notice of Motion and the Motion Record, such that this motion is properly returnable on December 20, 2016;
- (b) amending the order of Mr. Justice Hainey dated November 1, 2016 (the “Appointment Order”), by:
 - (i) adding the cash and accounts receivable of Talon International Inc.

(“**Talon**”), TFB Inc. (“**TFB**”), Talon International Developments, Inc. (“**TIDI**”), 2263847 Ontario Limited (“**2263847**”) and 2270039 Ontario Limited (“**2270039**”, together with Talon, TFB, TIDI and 2263847, the “**Cash Debtors**”) to the definition of “Property” in the Appointment Order;

- (ii) providing that the Specified Litigation and Trust Claims (each as defined in the draft Amended and Restated Appointment Order, filed) shall not be marketed or sold by the Receiver;
- (iii) requiring the Cash Debtors to provide monthly variance reports to the Receiver against the consolidated cashflow forecast attached as Schedule A to the Affidavit of Jay Wolf, sworn December 13, 2016 (the “**Second Wolf Affidavit**”);
- (iv) requiring the Cash Debtors to provide periodic accounting of all financial obligations incurred since November 1, 2016;
- (v) prohibiting the Cash Debtors from making any disbursement or incurring any obligation in excess of \$25,000, without the prior written consent of the Receiver, other than intercompany disbursements or obligations among Cash Debtors;
- (vi) revising the definition of certain trust monies held by Harris Sheaffer LLP (“**Harris Sheaffer**”) to explicitly refer to the accounts in which they are held;
- (vii) prohibiting the Debtors from amending, varying, renewing or terminating any Material Contract (as defined in the draft Amended and Restated Appointment Order, filed) or entering into any new contract that is material to the Property or the operations thereof and not terminable on short notice without penalty, each without the prior written consent of the

Receiver, and requiring written disclosure to the Receiver of any amendment to any non-Material Contract; and

- (viii) incorporating into the Appointment Order the provisions of the supplemental order of Mr. Justice Hainey granted on November 14, 2016 (the “**Supplemental Order**”);
- (c) approving the First Report of the Receiver, to be filed (the “**First Report**”), and the activities of the Receiver set out therein; and
- (d) such further and other relief as counsel may request and this Honourable Court may deem just.

THE GROUNDS FOR THE MOTION ARE:

- (a) On November 1, 2016, JCF sought and obtained the Appointment Order, appointing FTI Consulting Canada Inc. as receiver of certain property of Talon, Midland Development Inc., 1456253 Ontario Inc., 2025401 Ontario Limited, Barrel Tower Holdings Inc., Harvester Developments Inc., TIDI, TFB, 2263847, and 2270039 (collectively, the “**Debtors**”), pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “**BIA**”) and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C.43, as amended (the “**CJA**”);
- (b) On November 14, 2016, the Court granted the Supplemental Order, which included three supplemental provisions to the Appointment Order with respect to the interests of Northbridge General Insurance Corporation (formerly Lombard General Insurance Company of Canada) (“**Northbridge**”);
- (c) JCF has determined, in consultation with the Receiver, that certain amendments to the Appointment Order are required to facilitate a productive and efficient receivership, which is anticipated to include a sale process to be proposed by the Receiver for approval by the Court (the “**Sale Process**”);

Addition of Cash and Accounts Receivable to Property

- (d) In order that the appointment of the Receiver would be as minimally disruptive to the business carried on by the Cash Debtors at the Trump International Hotel (the “**Hotel**”) and Residences (the “**Residences**”), the Receiver was not permitted by the Appointment Order to be in possession or control of any of the Debtors’ property, and none of the Debtors’ cash and accounts receivable were included in the scope of the receivership;
- (e) As a result of the Debtors’ making certain financial disclosure to the Receiver and JCF pursuant to the terms of the Appointment Order, it has become apparent that the Cash Debtors have substantially more cash and accounts receivable than was initially thought;
- (f) It is prudent and reasonable to bring the Cash Debtors’ cash and accounts receivable into the scope of the receivership and any Sale Process;
- (g) As a corollary to including the Cash Debtors’ cash and accounts receivable in the receivership, it is necessary to include a number of additional reporting obligations on the Cash Debtors, including cashflow variance reports, and a bi-weekly accounting of financial obligations incurred during the proceedings;

Treatment of Certain Litigation and Trust Claims

- (h) The Appointment Order includes in the definition of “Property” the Debtors’ interest in a category of litigation with respect to Hotel and Residences unit purchases that did not close. This litigation is defined in this motion as the “**Specified Litigation**”
- (i) In JCF’s view (a) any value that may be realized in the Specified Litigation could only be realized by Talon, and not JCF or a potential purchaser thereof in the Sale Process, (b) such value, if any, will not materialize until long after the conclusion of the Sales Process, and (c) the Specified Litigation is sufficiently complex and

uncertain that the cost of extensive due diligence and disclosure that would be necessary for the Receiver to include it in the Sales Process is unwarranted;

- (j) It is accordingly reasonable and prudent to amend the Appointment Order to provide that the Specified Litigation will not be included in the Sale Process;
- (k) A corollary of the Specified Litigation is Talon's interest in the disputed approximately \$20 million deposit monies held in trust by Harris Sheaffer, defined in the Appointment Order as "**Trust Claims**". JCF is accordingly also seeking to exclude the Trust Claims from the Sales Process;

Description of Harris Sheaffer Trust Monies

- (l) The Appointment Order includes in the definition of "Property" the Trust Claims, which are claims in respect of any funds currently held in trust or otherwise by Harris Sheaffer, or any other party, relating in whole or in part to agreements for the purchase and sale of units in the Hotel or Residences;
- (m) In addition to the disputed trust monies, Harris Sheaffer holds in trust on behalf of Talon certain proceeds of unit purchases that are not derived from deposits, not disputed and not subject to Specified Litigation;
- (n) The definition of "Trust Claims" in the Appointment Order inadvertently caught both types of trust funds and should be amended to properly treat the different categories of trust funds separately;

Restriction on Amendments to Material Contracts

- (o) Given the degree of control retained by the Debtors in the receivership, JCF, in consultation with the Receiver, has determined that it would facilitate an efficient Sales Process if potential purchasers had certainty that the contracts and agreements material to the operation of the Hotel and Residences would not be amended, varied, renewed or terminated during such Sales Process;

- (p) It is accordingly prudent to amend the Appointment Order to include (a) a prohibition of amendments to Material Contracts (as defined in the draft Amended and Restated Appointment Order, filed), (b) a prohibition on the entering into of new contracts material to the operation of the Hotel or Residences, and (c) an obligation to advise the Receiver of any amendments to non-Material Contracts;

Consolidation of Supplemental Order Amendments

- (q) The Supplemental Order included the following three supplemental provisions to the Appointment Order:
 - (i) for greater certainty, the definition of “Property” does not include the trust funds held by Harris Sheaffer subject to Northbridge’s priority security;
 - (ii) notwithstanding paragraph 10 of the Appointment Order, no funds subject to Trust Claims shall be disbursed or distributed without the written consent of the Receiver and Northbridge, or further order of the Court; and
 - (iii) all rights and remedies against Northbridge, in respect of which Northbridge has recourse to the funds subject to the Trust Claims (a “**Northbridge Claim**”), are stayed and suspended and cannot be continued except with the written consent of the Receiver and Northbridge, or with leave of the Court, provided however that any Person is able to commence a proceeding in respect of a Northbridge Claim, but once commenced, all such proceedings shall be subject to the stay in this paragraph.
- (r) Given that JCF is seeking to amend and restate the Appointment Order, it is reasonable and prudent to include these supplementary provisions in the amendment and restatement.

General

- (s) Section 243 of the *BIA*;

- (t) Rules 1.04 and 2.03 of the *Rules of Civil Procedure*; and
- (u) Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- (i) The Affidavit of Jay Wolf, sworn October 25, 2016, filed;
- (ii) The Second Wolf Affidavit, filed;
- (iii) The First Report, to be filed; and
- (iv) Such further and other material as counsel may submit and this Honourable Court may permit.

AFFIDAVIT OF JAY WOLF
(Sworn December 13, 2016)

I, **JAY WOLF**, of the City of Los Angeles in the State of California, United States of America, **MAKE OATH AND SAY AS FOLLOWS:**

1. I am the President of JCF Capital ULC (“JCF”), and as such I have knowledge of the matters deposed to in this affidavit. Where this affidavit is not based on my direct

personal knowledge, it is based on information and belief and I verily believe such information to be true.

2. This affidavit is sworn in support of a motion for an order amending and restating the order of Mr. Justice Hailey dated November 1, 2016 as supplemented by Order dated November 14, 2016 (the “**Appointment Order**”) appointing FTI Consulting Canada Inc. (“**FTI**”) as receiver (in such capacity, the “**Receiver**”), without security, of certain assets, undertakings, properties and legal and beneficial ownership interests of Talon International Inc. (“**Talon**”), Midland Development Inc., 1456253 Ontario Inc., 2025401 Ontario Limited, Barrel Tower Holdings Inc., Harvester Developments Inc., TFB Inc. (“**TFB**”), 2263847 Ontario Limited (“**2263847**”), Talon International Development Inc. (“**TIDI**”), and 2270039 Ontario Limited (“**2270039**”) (collectively, the “**Debtors**”), pursuant to section 101 of the *Courts of Justice Act* (Ontario) and section 243 of the *Bankruptcy and Insolvency Act* (Canada) (the “**BIA**”), in the form of the draft Amended and Restated Appointment Order, filed.

Amendment of “Property” to Include Cash and Accounts Receivable

3. The definition of Property in the Appointment Order explicitly excludes “cash and equivalents such as GICs or other securities in which cash has been invested, and any amounts now or hereafter owing or payable to any Debtor, including accounts receivable of any Debtor”; however, the Appointment Order required that the Debtors make biweekly disclosure of receipts and disbursements to the Receiver, which the Receiver was authorized to pass along to JCF.

4. As set out in paragraphs 99 – 101 of my affidavit sworn October 25, 2016 (the “**October Affidavit**”) in support of the Appointment Order, this exclusion of cash and accounts receivable combined with regular disclosure of receipts and disbursements was intended to be minimally disruptive to the Debtors’ ordinary cash management, while providing JCF with visibility into the Debtors’ accounts and an ability to return to Court for additional relief if necessary.

5. Since the granting of the Appointment Order, the Debtors have made the disclosure required by the Appointment Order and have been cooperative with JCF in this respect. In connection with this disclosure, it has become apparent that the Debtors have substantially more cash and accounts receivable than was known to JCF when the application to appoint the Receiver was commenced.

6. Talon, TFB, TIDI, 2263847 and 2270039 (collectively, the “**Cash Debtors**”) have provided to JCF and the Receiver the consolidated cashflow forecast for the period December 1, 2016 through May 31, 2017 attached hereto as **Exhibit “A”** (the “**Starting Cashflow**”). Assuming the sale process to be proposed by the Receiver for approval by the Court (the “**Sales Process**”) concludes prior to May 17th, the Cash Debtors forecast a net cash balance after budgeted costs and expenses of as much as \$4,000,000. All net cash balances and accounts receivable are subject to JCF’s security interest.

7. JCF seeks an order amending the Appointment Order to include cash and accounts receivable in the definition of Property as the forecast net cash balances and accounts receivable are sufficiently material that they should be included in the scope of the receivership and in the Sales Process.

8. Given the Cash Debtors' cooperation with the Receiver and JCF to date, it is not necessary in JCF's view for the Receiver to take possession or control of the cash and accounts receivable. The relief requested by JCF in the draft Amended and Restated Appointment Order, provides for the Debtors to continue to manage their accounts, pay their ongoing expenses, and collect receivables in the ordinary course, with the biweekly reporting of receipts and disbursements to continue. The draft Amended and Restated Appointment Order includes an additional requirement on the Cash Debtors to provide monthly variance reports outlining any deviations from the Starting Cashflow (the "**Variance Reports**") to the Receiver. The Variance Reports will be provided by the Receiver to JCF.

9. In order to ensure that the disbursements in the Starting Cashflow do not change materially and without the knowledge of the Receiver and JCF, and that the Variance Reports are instructive to prospective purchasers in the Sales Process, JCF is also seeking a provision in the draft Amended and Restated Appointment Order requiring that the Receiver consent to any disbursements or incurrence of obligations by the Cash Debtors in excess of \$25,000, other than intercompany disbursements or obligations to other Cash Debtors.

10. I am advised by their counsel that the Cash Debtors consent to this relief.

Unit Purchaser Litigation

Specified Litigation

11. The Appointment Order includes in the definition of “Property” the Debtors’ interest in a category of litigation described as “claims related to deposit monies, damages or proprietary interests, whether inchoate or formalized in an action, whether as plaintiff or defendant and whether known or unknown to all parties, in each case arising in whole or in part from agreements for the purchase and sale of Units.” This litigation is defined in the proposed Amended and Restated Appointment Order as “**Specified Litigation**”.

12. As described in my October Affidavit, the Specified Litigation generally involves Talon seeking a judgement entitling it to the purchaser’s deposit and damages for the purchaser’s failure to close, on the one hand, and the unit purchaser seeking rescission of its purchase and sale agreement, a return of its deposit and damages, on the other.

13. Talon’s interest in the Specified Litigation is a part of JCF’s collateral, and to the extent that Talon is successful in such litigation, any recoveries (including with respect to deposits held in trust) would also be subject to JCF’s security. JCF accordingly chose to include these contingent recoveries in the definition of “Property” in the Appointment Order it sought from the Court.

Removal of Specified Litigation from Sales Process

14. I understand the Specified Litigation is made up of approximately 85 individual actions with multiple plaintiffs, some actions involving third parties in addition to the

Debtors, and numerous counsel for the parties. The actions have been underway for many years. It has accordingly become apparent to JCF that Talon is the only party with the background, knowledge and ability to meaningfully continue the Specified Litigation and realize on the value, if any, of such proceedings. In JCF's view, neither JCF, as successful bidder in the Sales Process, nor any superior bidder in the Sales Process, would reasonably be able to pursue the numerous litigation matters without the cooperation of Talon.

15. Moreover, shortly before the issuance of the Appointment Order, the Court of Appeal for Ontario issued a joint decision in the *Sarbjit Singh v. Donald John Trump Sr. et al* and *Se Na Lee v. Donald John Trump Sr.* cases (the "**Court of Appeal Decision**"), which included findings regarding certain of the Specified Litigation that were unfavourable to Talon. I understand that Talon intends to seek leave to appeal the Court of Appeal Decision, which appeal will not be resolved until long after the Sales Process has concluded.

16. In JCF's view, taking into account the complexity and history of the matters and the Court of Appeal Decision, (a) any value that may be realized in the Specified Litigation would have to be realized by Talon, (b) such value, if any, will not materialize until long after the conclusion of the Sales Process, and (c) the Specified Litigation is sufficiently complex and uncertain that the cost of extensive due diligence and disclosure that would be necessary for the Receiver to include it in the Sales Process is unwarranted.

17. JCF is accordingly seeking an amendment to the Appointment Order providing that the Receiver shall not market or sell Talon's interest in the Specified Litigation, effectively excluding it from the Sales Process.

18. A corollary of the Specified Litigation is Talon's interest in the disputed approximately \$20 million deposit monies held in trust by Harris Sheaffer LLP, defined in the Appointment Order as "Trust Claims". The realizable value of the Trust Claims is dependent on the outcome of the Specified Litigation. JCF is accordingly also seeking an amendment to the Appointment Order excluding the Trust Claims from the Sales Process.

Potential Future Value Recovery

19. In the event that the Specified Litigation and the Trust Claims are excluded from the Sales Process, they would remain with Talon following the conclusion of the Sales Process, and it is possible that Talon could realize value from them at some point in the future. As discussed above, this possible recovery is charged by JCF's security interest subject, in the case of the Trust Claims, to certain priority interests of Northbridge General Insurance Corporation (formerly Lombard General Insurance Company of Canada) ("**Northbridge**").

20. JCF is accordingly planning to credit bid less than the full amount of its indebtedness in the Sales Process for the acquisition of the Trump Hotel and Residences. If JCF is the successful bidder, there will remain an amount of secured indebtedness in place following the Sales Process which would continue to charge such remaining assets of the Debtors as the Specified Litigation and Trust Claims. It is expected that the

remaining secured indebtedness would be in an amount less than the aggregate Trust Claims.

Amendment to Description of Harris Sheaffer Trust Money

21. As described above, the Appointment Order includes in the definition of “Property” the Trust Claims, which are claims in respect of “any funds currently held in trust or otherwise by Harris Sheaffer LLP, or any other party relating in whole or in part to agreements for the purchase and sale of Units”.

22. In addition to the disputed trust monies, Harris Sheaffer LLP holds in trust on behalf of Talon certain proceeds of unit purchases that are not disputed and not subject to Specified Litigation, but rather are payable to Talon upon receipt by Computershare Trust Company of Canada of the requisite documentation. The definition of “Trust Claims” in the Appointment Order inadvertently caught both types of trust funds.

23. It is accordingly necessary to amend the definition of “Claims to Deposit Monies Held in Trust” in the definition of “Property” to make the distinction between (a) the trust funds derived from unit purchaser deposits (Talon’s interest in which JCF is requesting be carved out of a Sales Process along with the Specified Litigation, as discussed above, and which are subject to Northbridge’s priority security), and (b) trust funds derived from closings of unit purchases (which would be cash proceeds subject to JCF’s security, available to the successful bidder in a Sales Process and are not subject to Northbridge’s security).

24. I am advised by Harris Sheaffer that the trust funds referred to in subparagraph (a), above, are only held in two bank accounts by Harris Sheaffer: TD Bank Account No. 1085-5221687 (Matter 044508), and TD Bank Account No. 1085-5240797 (Matter 044886), and that all of the money in these accounts are trust funds of this nature.

25. In the draft Amended and Restated Appointment Order requested by JCF, the disputed trust funds are referred to as “**Specified Trust Funds**”.

Restriction on Amendments to Material Contracts

26. As discussed in my October Affidavit, the scope and structure of these receivership proceedings was intended to be minimally disruptive to the day to day operations at the Trump International Hotel (the “**Hotel**”) and Residences (the “**Residences**”), including that the Receiver not take possession or control of any of the Property (as defined in the Appointment Order) upon its appointment.

27. Given the degree of control retained by the Debtors, JCF, in consultation with the Receiver, has determined that it would facilitate an efficient Sales Process if the Debtors’ contracts and agreements material to the operation of the Hotel and Residences would not be amended, varied, renewed or terminated during such Sales Process, such that potential purchasers will have accurate disclosure of such material contracts and new material contracts will not otherwise effect the Sale Process.

28. JCF is accordingly seeking to amend the Appointment Order by adding a provision prohibiting the amendment, variation, renewal or termination of Material Contracts (as defined in the draft Amended and Restated Appointment Order), and the entering into of

any new contract that is material to the Property or the operations thereof and not terminable on short notice without penalty, by the Debtors, without the prior consent of the Receiver, in consultation with JCF. JCF is also seeking an amendment to the Appointment Order requiring that any amendments or variations to non-Material Contracts be promptly disclosed to the Receiver.

29. Such a provision would be of primary relevance to the Cash Debtors, which are the Debtors party to virtually all material operational and management contracts (other than those with the condominium corporations). The Cash Debtors have undertaken, through their counsel, not to amend, vary, renew or terminate such material contracts, and I am advised that they consent to the addition of the corresponding provision sought by JCF to confirm their intention for the benefit of prospective purchasers.

Supplemental Order Amendments

30. On November 14, 2016, the Court granted the supplemental order attached hereto as Exhibit "B" (the "Supplemental Order"), which includes three supplemental provisions to the Appointment Order with respect to the interests of Northbridge.

31. In order that all relevant provisions are consolidated in one order, JCF is seeking to include the terms of the Supplemental Order in the requested Amended and Restated Appointment Order, and terminate the Supplemental Order.

Conclusion

32. The foregoing amendments requested to the Appointment Order are proposed by JCF to enhance these receivership proceedings, by:

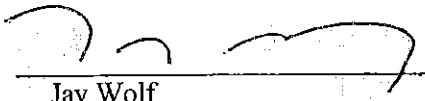

- (a) bringing in new assets of value to the Sales Process, in the case of net cash balances and accounts receivables;
- (b) excluding litigation assets unrelated to the operation and management of the Hotel and Residences with a risk of recovery such that the cost of including them in the Sales Process is not justified and any potential recovery to JCF can be achieved outside of these proceedings;
- (c) clarifying the definitions of Property for the Sales Process and restricting amendments to material contracts; and
- (d) consolidating the provisions of the Appointment Order, the Supplemental Order and any amendments granted on this motion in an Amended and Restated Appointment Order.

33. This affidavit is made in support of JCF's motion for certain amendments to the Appointment Order, and for no other or improper purpose.

A portion of the hotel assessment should be reimbursed to the condo corp by the government and would offset future CAM fees.

⁵Projected property taxes for the hotel condo corp are reduced based on Altus' appeal estimate and property taxes for the residences are inflated by 3% over 2016 taxes

FUNDING OF THE RECEIVERSHIP

24. **THIS COURT ORDERS** that the Receiver be at liberty and it is hereby empowered to borrow by way of a revolving credit or otherwise, such monies from time to time as it may consider necessary or desirable, at such rate or rates of interest as it deems advisable for such period or periods of time as it may arrange, for the purpose of funding the exercise of the powers and duties conferred upon the Receiver by this Order, including its fees and disbursements, and the fees and disbursements of its counsel and any Consultant. The whole of the Property shall be and is hereby charged by way of a fixed and specific charge (the “**Receiver’s Borrowings Charge**”) as security for the payment of the monies borrowed, together with interest and charges thereon. The Receiver’s Borrowings Charge shall have the priority set out in paragraphs 28 through 30, hereof.

25. **THIS COURT ORDERS** that neither the Receiver’s Borrowings Charge nor any other security granted by the Receiver in connection with its borrowings under this Order shall be enforced without leave of this Court.

26. **THIS COURT ORDERS** that the Receiver is at liberty and authorized to issue certificates substantially in the form annexed as **Schedule “B”** hereto (the “**Receiver’s Certificates**”) for any amount borrowed by it pursuant to this Order.

27. **THIS COURT ORDERS** that the monies from time to time borrowed by the Receiver pursuant to this Order or any further order of this Court and any and all Receiver’s Certificates evidencing the same or any part thereof shall rank on a *pari passu* basis, unless otherwise agreed to by the holders of any prior issued Receiver’s Certificates.

VALIDITY AND PRIORITY OF CHARGES

28. **THIS COURT ORDERS** that the priorities of the Administration Charge and Receiver’s Borrowings Charge, as among them, shall be as follows:

First – Administration Charge (to the maximum amount of \$750,000); and

30. **THIS COURT ORDERS** that each of the Administration Charge and Receiver's Borrowings Charge (each as constituted and defined herein) shall constitute a charge on the Property in priority to any security interests of the Secured Creditor, Northbridge ~~General Insurance Corporation (formerly Lombard General Insurance Company of Canada)~~ (except in respect of the deposit monies received by Harris Sheaffer LLP from time to time from purchasers of Units and interest accrued thereon Specified Trust Funds, which, for the avoidance of doubt, do not form a part of the Property), and Midland Resources Holding Limited (and Midland Development Inc., as assignee), but subordinate to all other security interests, trusts, liens, charges and encumbrances, statutory or otherwise, which are properly perfected security interests as of the date of this Order in favour of any other Person and the charges set out in section 14.06(7), 81.4(4) and 81.6(2) of the BIA, if any. Nothing in this Paragraph shall prevent the Secured Creditor or the Receiver from bringing a motion on notice to affected parties to seek to elevate the priority of the Administration Charge and/or the Receiver's Borrowings Charge.

31. **THIS COURT ORDERS** that any Charge created by this Order over leases of real property in Canada shall only be a Charge in the applicable Debtor's interest in such real property leases.

34. **THIS COURT ORDERS** that notwithstanding anything in section 245 of the BIA to the contrary, the Receiver shall only be required to give notice of these proceedings to creditors of Talon and TFB (together, the "Nominees") and the Superintendent of Bankruptcy, and not creditors of the other Debtors, and that giving notice to the Nominees' creditors and the Superintendent of Bankruptcy pursuant to the terms of Paragraphs 32 and 33 shall satisfy the Receiver's obligations under section 245(1)(b) and 245(2) of the BIA in full, and no further notices under that section shall be required in respect of those sections.
